The note on voting procedures and general rights of shareholders, together with explanatory notes on the resolutions to be put to the meeting, which follow on pages 89 to 91 form part of this notice.

Note on voting procedures and general rights of shareholders:

Only those persons entered in the Register of Members of the Company (the Register) as at 6.00pm on 27 January 2016 (the Record Date) shall be entitled to attend or vote at the AGM in respect of the number of ordinary shares in the capital of the Company registered in their names at that time. Changes to entries on the Register for certificated or uncertificated shares of the Company after the Record Date shall be disregarded in determining the rights of any person to attend or vote at the AGM. Should the AGM be adjourned to a time not more than 48 hours after the Record Date, that time will also apply for the purpose of determining the entitlement of members to attend and vote (and for the purpose of determining the number of votes they may cast) at the adjourned AGM. Should the AGM be adjourned for a longer period, to be so entitled, members must have been entered on the Register by 6.00pm two days prior to the adjourned AGM (excluding weekends and public holidays) or, if the Company gives notice of the adjourned AGM, at the time specified in such notice.

Voting at the meeting will be conducted by poll rather than on a show of hands, which the Board believes provides a more accurate reflection of shareholder views and takes into account the number of shares held by each member. Those shareholders who are unable to attend the meeting should submit a form of proxy as detailed below. Shareholders attending the meeting may also wish to vote in advance of the meeting by submitting a form of proxy. Members who have done so will not need to vote at the meeting unless they wish to change their vote or the way in which the proxy is instructed to vote.

A member entitled to attend and vote at this meeting may appoint a proxy or proxies to attend and vote instead of him or her. The proxy need not be a member of the Company. A form of proxy is provided with this notice and instructions for use are shown on the form. Additional forms of proxy can be obtained from the Company's registrars on tel no 0871 664 0300 (Calls cost 12p per minute plus your phone company's access charge. Lines are open between 09:00 - 17:30, Monday to Friday excluding public holidays in England and Wales). Instruments appointing proxies must be lodged with the Company's registrars not less than 48 hours before the time fixed for the meeting to be effective. Completion and return of a form of proxy will not preclude a member from attending and voting in person at the meeting or any adjournment of the meeting.

An abstention option is provided on the form of proxy to enable you to instruct your proxy to abstain on any particular resolution, however, it should be noted that an abstention in this way is not a 'vote' in law and will not be counted in the calculation of the proportion of the votes 'For' and 'Against' a resolution.

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting to be held on 29 January 2016 and any adjournment(s) of the meeting by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. Please note the following:

a) In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ("EUI") specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA10) by the latest time(s) for receipt of proxy appointments specified in this notice of the Annual General Meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST applications host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

b) CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred in particular to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

c) The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the company in accordance with section 146 of the Companies Act 2006 ("nominated persons"). Nominated persons may have a right under an agreement with the registered shareholder who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.

A member of the Company which is a corporation may authorise a person or persons to act as its representative(s) at the AGM. In accordance with the provisions of the Companies Act 2006 (as amended by the Companies (Shareholders' Rights) Regulations 2009), each such representative may exercise (on behalf of the corporation) the same powers as the corporation could exercise if it were an individual member of the Company, provided that they do not do so in relation to the same shares. It is therefore no longer necessary to nominate a designated corporate representative.

Notice of Annual General Meeting continued

Pursuant to Section 319A of the Companies Act 2006, the Company must cause to be answered at the AGM any question relating to the business being dealt with at the AGM which is put by a member attending the meeting, except in certain circumstances, including if it is undesirable in the interests of the Company or the good order of the meeting that the question be answered or if to do so would involve the disclosure of confidential information.

Members satisfying the thresholds in Section 338 of the Companies Act 2006 may require the Company to give, to members of the Company entitled to receive notice of the AGM, notice of a resolution which those members intend to move (and which may properly be moved) at the AGM. A resolution may properly be moved at the AGM unless (i) it would, if passed, be ineffective (whether by reason of any inconsistency with any enactment or the Company's constitution or otherwise); (ii) it is defamatory of any person; or (iii) it is frivolous or vexatious. The business which may be dealt with at the AGM includes a resolution circulated pursuant to this right. A request made pursuant to this right may be in hard copy or electronic form, must identify the resolution of which notice is to be given, must be authenticated by the person(s) making it and must be received by the Company not later than 6 weeks before the date of the AGM.

Members satisfying the thresholds in Section 338A of the Companies Act 2006 may request the Company to include in the business to be dealt with at the AGM any matter (other than a proposed resolution) which may properly be included in the business at the AGM. A matter may properly be included in the business at the AGM unless (i) it is defamatory of any person or (ii) it is frivolous or vexatious. A request made pursuant to this right may be in hard copy or electronic form, must identify the matter to be included in the business, must be accompanied by a statement setting out the grounds for the request, must be authenticated by the person(s) making it and must be received by the Company not later than 6 weeks before the date of the AGM.

In accordance with Section 311A of the Companies Act 2006, the contents of this notice of meeting details the total number of shares in respect of which members are entitled to exercise voting rights at the AGM, the total voting rights members are entitled to exercise at the AGM and, if applicable, any members' statements, members' resolutions or members' matters of business received by the Company after the date of this notice will be available on the Company's website www.treatt.com.

As at 4 December 2015 the Company's issued share capital consists of 52,495,170 ordinary shares. The total number of voting rights in the Company as at 4 December 2015 (the latest practicable reporting date prior to publication of this document) is 51,671,820.

A statement of Directors' share transactions and copies of their service contracts and the letters of appointment of the Non-executive Directors are available for inspection during usual business hours at the registered office of the Company from the date of this notice until the date of the Annual General Meeting (Saturdays, Sundays and public holidays excluded) and will be available at the place of the meeting for fifteen minutes prior to and during the meeting.

Except as provided above, members who wish to communicate with the Company in relation to the meeting should do so using the following means:

Calling the Company Secretary on +44 1284 702500;
Emailing the Company Secretary on cossec@treatt.com; or
Writing to: The Company Secretary, Treatt plc, Northern Way, Bury St Edmunds, Suffolk, IP32 6NL.

EXPLANATORY NOTES

Report and Accounts (Resolution 1)

The Directors of the Company must present the accounts to the meeting.

Directors' Remuneration Report (Resolution 2)

Changes to The Companies Act 2006, implemented by the Enterprise and Regulatory Reform Act 2013, provide that a quoted company may not make a remuneration payment to a Director of the Company unless the payment is consistent with the Company's Remuneration Policy, as approved by shareholders, or the payment is approved by a Shareholders' Resolution. The legislation requires two resolutions to be put to shareholders on separate sections of the Directors' Remuneration Report. The Remuneration Policy is only required to be approved by shareholders every three years or in the intervening period if amendments are proposed. The Company's Remuneration Policy was approved at the 2015 Annual General Meeting and accordingly, since no amendments are proposed, it will not be put before shareholders at the Annual General Meeting in 2016. Resolution 2 is an advisory resolution on the Implementation Section of the Directors' Remuneration Report, which details the remuneration packages paid to Directors during the year ended 30 September 2015. You can find the Implementation Section of the Directors' Remuneration Report on pages 42 to 46.

Declaration of a dividend (Resolution 3)

A final dividend can only be paid after the shareholders at a general meeting have approved it. A final dividend of 2.76p per ordinary share is recommended by the Directors for payment to shareholders who are on the register of members at the close of business on 4 March 2016. If approved, the date of payment of the final dividend will be 8 April 2016. An interim dividend of 1.28 pence per ordinary share was paid on 16 October 2015. This represents an increase of 0.20 pence per share, or 5.2 per cent, on the total 2014 dividend.

Re-election of Directors (Resolutions 4 and 5)

In accordance with the Articles of Association, all Directors retire at least every three years and all newly appointed Directors retire at the first Annual General Meeting following their appointment. Furthermore, any Non-executive Director having been in post for nine years or more is subject to annual re-election.

At this meeting, Tim Jones and Daemmon Reeve will retire and stand for re-election as Directors. Short biographies of these Directors are given on page 21. Having considered the performance of, and contribution made, by each of the Directors standing for re-election the Board remains satisfied that the performance of each of the relevant Directors continues to be effective and to demonstrate commitment to the role and, as such, recommends their re-election.

Reappointment and remuneration of auditors (Resolutions 6 and 7)

Resolutions 6 and 7 propose the reappointment of RSM UK Audit LLP (formerly Baker Tilly UK Audit LLP) as Auditors of the Company and authorise the Directors to set their remuneration.

Directors' authority to allot securities (Resolution 8)

The Company may only allot ordinary shares or grant rights over ordinary shares if authorised to do so by shareholders. This resolution seeks to grant authority to the Directors to allot unissued share capital of the Company and grant Rights and will expire at the conclusion of the next Annual General Meeting of the Company in 2017 or, if earlier, on 29 April 2017 (the date which is 15 months after the date of passing of the resolution). There is no present intention of exercising this authority, which would give Directors authority to allot relevant securities up to an aggregate nominal value of £346,468 approximately 33 per cent of the Company's issued ordinary share capital as at 4 December 2015.

Disapplication of pre-emption rights (Resolution 9)

Under Section 561 of the Act, if the Directors wish to allot any of the unissued shares or grant rights over shares or sell treasury shares for cash (other than pursuant to an employee share scheme) they must in the first instance offer them to existing shareholders in proportion to their holdings. There may be occasions, however, when the Directors will need the flexibility to finance business opportunities by the issue of ordinary shares without a pre-emptive offer to existing shareholders. This cannot be done under the Act unless the shareholders have first waived their pre-emption rights.

Resolution 9 asks the shareholders to do this and, apart from rights issues or any other pre-emptive offer concerning equity securities, the authority will be limited to the issue of shares for cash up to a maximum aggregate nominal value of £52,495 (which includes the sale on a non pre-emptive basis of any shares held in treasury), which is equivalent to approximately 5 per cent of the Company's issued ordinary share capital as at 4 December 2015. Shareholders will note that this resolution also relates to treasury shares and will be proposed as a Special Resolution.

This resolution seeks a disapplication of the pre-emption rights on a rights issue so as to allow the Directors to make exclusions or such other arrangements as may be appropriate to resolve legal or practical problems which, for example, might arise with overseas shareholders. If given, the authority will expire at the conclusion of the next Annual General Meeting of the Company in 2017 or, if earlier, 29 April 2017 (the date which is 15 months after the date of passing of the resolution).

Disapplication of pre-emption rights for a further 5% of existing share capital for a specified capital investment (Resolution 10)

The Directors are seeking this year a further power from shareholders to allot equity securities or sell treasury shares for cash otherwise than to existing shareholders pro rata to their holdings, to reflect the Pre-emption Group 2015 Statement of Principles for the disapplication of pre-emption rights (the "Statement of Principles"). Accordingly, Resolution 10 will be proposed as a special resolution to grant such a power. The power will be limited to the allotment of equity securities and sales of treasury shares for cash up to an aggregate nominal value of £52,495 (being five per cent of the Company's issued ordinary share capital at 4 December 2015, the latest practicable date prior to publication of this notice). This is in addition to the five per cent referred to in Resolution 9. If given, this power will expire on 29 April 2017 or at the conclusion of the AGM in 2017, whichever is the earlier. The Directors will have due regard to the Statement of Principles in relation to any exercise of this power and in particular they confirm that they intend to use this power only in connection with a specified capital investment (within the meaning of the Statement of Principles from time to time) which is announced contemporaneously with the issue, or which

has taken place in the preceding six month period and is disclosed in the announcement of the issue. As at 4 December 2015 the only specified capital investment proposed is the potential site relocation in the UK.

Authority to purchase own shares (Resolution 11)

In certain circumstances, it may be advantageous for the Company to purchase its own shares and resolution 11 seeks the authority from shareholders to continue to do so. The Directors will continue to exercise this power only when, in the light of market conditions prevailing at the time, they believe that the effect of such purchases will be to increase earnings per share and is in the best interests of shareholders generally. Other investment opportunities, appropriate gearing levels and the overall position of the Company will be taken into account when exercising this authority.

Any shares purchased in this way will be cancelled and the number of shares in issue will be reduced accordingly, save that the Company may hold in treasury any of its own shares that it purchases pursuant to the Act and the authority conferred by this resolution. This gives the Company the ability to re-issue treasury shares quickly and cost-effectively and provides the Company with greater flexibility in the management of its capital base. It also gives the Company the opportunity to satisfy employee share scheme awards with treasury shares. Once held in treasury, the Company is not entitled to exercise any rights, including the right to attend and vote at meetings in respect of the shares. Further, no dividend or other distribution of the Company's assets may be made to the Company in respect of the treasury shares.

The resolution specifies the maximum number of ordinary shares that may be acquired (approximately 10 per cent of the Company's issued ordinary share capital as at 4 December 2015) and the maximum and minimum prices at which they may be bought.

The total number of options to subscribe for ordinary shares that were outstanding at 4 December 2015 (the latest practicable reporting date prior to publication of this document) was 1,441,505. The proportion of issued share capital that they represented at that time was 2.75 per cent and the proportion of issued share capital that they will represent if the full authority to purchase shares (existing and being sought) is used is 3.05 per cent.

Resolution 11 will be proposed as a Special Resolution to provide the Company with the necessary authority. If given, this authority will expire at the conclusion of the next Annual General Meeting of the Company in 2017 or, if earlier, 29 April 2017 (the date which is 15 months after the date of passing of the resolution).

The Directors intend to seek renewal of this power at subsequent Annual General Meetings.
