Overseas Shareholders

The release, publication or distribution of this document and any formal documentation relating to the Acquisition in, into or from jurisdictions other than the United Kingdom, and the availability of the Acquisition to Treatt Shareholders who are not resident in the United Kingdom, may be restricted and therefore any persons who are not resident in the United Kingdom or who are subject to the laws of any jurisdiction other than the United Kingdom (including Restricted Jurisdictions) should inform themselves about, and observe, any applicable legal or regulatory requirements.

In particular, the ability of persons who are not resident in the United Kingdom or who are subject to the laws of another jurisdiction to participate in the Acquisition or to vote their Treatt Shares in respect of the Scheme at the Court Meeting or the Resolution at the General Meeting, or to execute and deliver Forms of Proxy appointing another person to vote at the Court Meeting or the General Meeting on their behalf, may be affected by the laws of the relevant jurisdictions in which they are located or to which they are subject. Any failure to comply with applicable legal or regulatory requirements of any jurisdiction may constitute a violation of securities laws in that jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

Unless otherwise determined by Treatt or required by the Takeover Code, and permitted by applicable law and regulation, the Acquisition shall not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Acquisition by any use, such means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this document and any formal documentation relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in or into or from any Restricted Jurisdiction or any jurisdiction where to do so would constitute a violation of the laws of such jurisdiction and persons receiving such documents (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send them in or into or from any Restricted Jurisdiction. Doing so may render invalid any related purported vote in respect of acceptance of the Acquisition.

If the Acquisition is implemented by way of a Takeover Offer (unless otherwise permitted by applicable law and regulation), the Takeover Offer may not be made directly or indirectly, in or into, or by the use of mails or any means or instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of any Restricted Jurisdiction and the Takeover Offer may not be capable of acceptance by any such use, means, instrumentality or facilities. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

The Acquisition is subject to the applicable requirements of English law, the Takeover Code, the Panel, the London Stock Exchange, the Court and the Financial Conduct Authority.

Further details in relation to Overseas Shareholders are contained in paragraph 14 of Part 2 of this document. All Treatt Shareholders or other persons (including nominees, trustees and custodians) who would otherwise intend to or may have a contractual or legal obligation to forward this document and the

accompanying Forms of Proxy to a jurisdiction outside the United Kingdom should refrain from doing so and seek appropriate professional advice before taking any action.

Additional information for investors in the United States

The Acquisition relates to an offer for the shares of a UK company and is being made by means of a scheme of arrangement provided for under English company law. The Acquisition, being implemented by way of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended (the “**Exchange Act**”). Accordingly, the Acquisition is subject to the disclosure and procedural requirements and practices applicable to a scheme of arrangement involving a target company incorporated in England and Wales and admitted to trading on the Main Market of the London Stock Exchange, which differ from the disclosure and procedural requirements of the U.S. tender offer and proxy solicitation rules.

The financial information with respect to Treatt included in this document has been or will have been prepared in accordance with International Financial Reporting Standards (“**IFRS**”) and thus may not be comparable to the financial information of U.S. companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the U.S.

If in the future Döhler exercises its right to implement the Acquisition by way of a Takeover Offer and determines to extend the Takeover Offer into the U.S., the Acquisition will be made in compliance with all applicable U.S. laws and regulations, including, to the extent applicable, Section 14(e) of the Exchange Act and Regulation 14E thereunder. Such a Takeover Offer would be made in the U.S. by Döhler and by no one else.

In the event that the Acquisition is implemented by way of a Takeover Offer, in accordance with normal UK practice and pursuant to Rule 14e-5(b) under the Exchange Act, Döhler or its nominees or its brokers (acting as agents) may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of Treatt outside of the U.S., other than pursuant to the Takeover Offer, until the date on which the Takeover Offer becomes effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices and would comply with applicable law, including the Exchange Act. Also, in such circumstances, in accordance with Rule 14e-5(b) of the Exchange Act, BofA Securities will continue to act as exempt principal trader in Treatt shares on the London Stock Exchange. Any information about such purchases shall be disclosed as required in the UK, will be reported to a Regulatory Information Service of the London Stock Exchange and will be available on the London Stock Exchange website: www.londonstockexchange.com.

The receipt of cash pursuant to the Scheme by U.S. Shareholders (defined as shareholders who are “U.S. persons” as defined in the U.S. Internal Revenue Code) as consideration for the transfer of its Treatt Shares pursuant to the Scheme may be a taxable transaction for U.S. federal income tax purposes and under applicable U.S. state and local, as well as foreign and other, tax laws. Each Treatt Shareholder (including U.S. Shareholders) is urged to consult their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them.

Neither the SEC nor any U.S. state securities commission has approved, disapproved or passed judgment upon the fairness of the Acquisition or passed upon the adequacy or accuracy of this document. Any representation to the contrary is a criminal offence in the U.S.

Treatt is incorporated under the laws of England and Wales and Döhler is incorporated under the laws of the Netherlands. Some or all of Treatt’s and Döhler’s respective officers and directors reside outside the U.S., and some or all of their respective assets are or may be located in jurisdictions outside the U.S.. Therefore, investors may have difficulty effecting service of process within the U.S. upon those persons or recovering against Treatt or Döhler or their respective officers or directors on judgments of U.S. courts, including judgments based upon the civil liability provisions of the U.S. federal securities laws. Further, it may be difficult to compel a non-U.S. company and its affiliates to subject themselves to a U.S. court’s judgment. It may not be possible to sue Treatt, Döhler or their respective officers or directors in a non-U.S. court for violations of the U.S. securities laws.

Overseas Shareholders should read paragraph 14 of Part 2 of this document.

Forward-looking statements

This document (including information incorporated by reference in this document), oral statements made regarding the Acquisition and other information published by Treatt and Döhler or any member of the

Wider Döhler Group or Wider Treatt Group contains statements which are, or may be deemed to be, “forward-looking statements” under applicable securities laws. Such forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and on numerous assumptions regarding the business strategies and the environment in which Treatt, Döhler or any member of the Wider Döhler Group, the Wider Treatt Group or the Enlarged Group shall operate in the future and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by those statements.

The forward-looking statements contained in this document relate to future events, including Treatt, Döhler or any member of the Wider Döhler Group, the Wider Treatt Group or the Enlarged Group’s future prospects, developments and business strategies, the expected timing and scope of the Acquisition, certain plans and objectives of the boards of directors of Treatt, Döhler, any member of the Wider Döhler Group or Wider Treatt Group, expectations regarding whether the Acquisition will be completed, including whether any conditions to completion of the Acquisition will be satisfied, and the anticipated timing for completion, the expected effects of the Acquisition on Treatt and Döhler, any member of the Wider Döhler Group or Wider Treatt Group; as well as the financial condition, results of operations and businesses of Treatt and Döhler, any member of the Wider Döhler Group, Treatt or the Wider Treatt Group following the implementation of the Acquisition, and other statements other than historical facts. In some cases, these forward-looking statements can be identified by the use of forward-looking terminology, including the terms “believes”, “estimates”, “will look to”, “would look to”, “plans”, “prepares”, “anticipates”, “expects”, “is expected to”, “is subject to”, “budget”, “scheduled”, “forecasts”, “synergy”, “strategy”, “goal”, “cost-saving”, “projects”, “intends”, “may”, “will”, “shall” or “should” or their negatives or other variations or comparable terminology. Forward-looking statements may include, but are not limited to, statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of Treatt’s, Döhler’s, any member of the Wider Döhler Group’s, the Wider Treatt Group’s and/or the Enlarged Group’s operations, benefits and potential synergies resulting from the Acquisition; (iii) expectations regarding the integration of the Wider Treatt Group and timing thereof; (iv) expectations regarding anticipated cost savings, operating efficiencies and operational, competitive and cost synergies, and the manner of achieving such synergies; and (v) the effects of global economic conditions and governmental regulation on Treatt’s, Döhler’s, the Wider Döhler Group’s, the Wider Treatt Group’s or the Enlarged Group’s businesses.

By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that may occur in the future. These events and circumstances include changes in, and assumptions about, the global, political, economic, business and competitive environments and in market and regulatory forces, future exchange and interest rates, changes in tax rates, future business combinations or disposals, the satisfaction of the conditions to completion of the Acquisition on the proposed terms and timetable; the state of the global economy, political environment and the economies of the regions in which Treatt, Döhler, the Wider Döhler Group and/or the Wider Treatt Group operate, the accuracy of the Döhler and Treatt managements’ estimates and judgments regarding the duration, scope and impacts of new or continuing global health, geopolitical or military events on the economy and financial markets, and on their business, operations, revenues, liquidity, financial condition, margins, cash flows, prospects and results in future periods; the accuracy of the Döhler Group and Treatt managements’ assessments of anticipated growth drivers and global megatrends; the state of and access to global and local capital and credit markets and the availability of borrowings to be drawn down under; the stability of interest rates at or near current levels; the sufficiency of Treatt, Döhler, the Wider Döhler Group’s or the Wider Treatt Group’s liquidity and working capital requirements for the foreseeable future; the ability of the Döhler Group and the Wider Treatt Group to successfully integrate their respective businesses, processes, systems and operations within anticipated time periods and at expected cost levels and retain key employees, the Enlarged Group’s ability to make acquisitions and its ability to integrate or manage such acquired businesses, the absence of deal protection mechanisms under the Acquisition, Döhler’s reliance on the accuracy and completeness of information provided by Treatt in connection with the Acquisition and publicly available information, risks associated with historical and *pro forma* financial information, potential undisclosed costs or liabilities associated with the Acquisition, Döhler or Treatt being adversely impacted during the implementation of the Acquisition, and change of control and other similar provisions and fees, the closing conditions; Döhler’s ability to retain and attract new business, achieve synergies and maintain market position arising from successful integration plans relating to the Acquisition, management’s estimates and expectations in relation to future economic and business conditions and other factors in relation to the Acquisition and resulting impact on growth and accretion in various financial metrics; the realisation of the expected strategic,

financial and other benefits of the Acquisition in the timeframe anticipated, capital investments made by the public and private sectors; maintenance of satisfactory relationships with suppliers; ability to recruit and retain highly skilled resources; maintenance of satisfactory relationships with management, key professionals and other employees; the maintenance of sufficient insurance; the management of environmental, social and health and safety risks; the sufficiency of the Wider Döhler Group's or the Wider Treatt Group's current and planned information systems, communications technology and other technology; compliance with laws and regulations; ability to successfully defend against ongoing and future legal proceedings; the sufficiency of internal and disclosure controls; no significant changes to the regulatory environment; foreign currency fluctuation; no significant changes to the regulations to which the Wider Döhler Group's or the Wider Treatt Group's is subject and no significant decline in the state of their benefit plans; and any epidemic, pandemic or disease outbreak. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions prove incorrect, actual results may differ materially from those expected, estimated or projected. Other unknown or unpredictable factors could cause actual results to differ materially from those in the forward-looking statements. Accordingly, Döhler and Treatt can give no assurance that such expectations, estimations or projections will prove to be correct and such forward-looking statements should therefore be construed in the light of such factors. Döhler and Treatt caution that the foregoing list of risk factors is not exhaustive.

Neither Treatt nor Döhler nor any member of the Wider Döhler Group or the Wider Treatt Group, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this document shall actually occur or that actual results will be consistent with forward-looking statements. Given these risks and uncertainties, readers are cautioned not to place undue reliance on such forward-looking statements, which speak only as of the date hereof.

Specifically, statements of estimated cost savings and synergies relate to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated. Due to the scale of the Enlarged Group, there may be additional changes to the Enlarged Group's operations. As a result, and given the fact that the changes relate to the future, any synergies may be materially greater or less than those estimated.

Additionally, to the extent any forward-looking statement in this document constitutes financial outlook, such information is intended to provide investors with information regarding Döhler and/or Treatt, or the Wider Döhler Group and/or the Wider Treatt Group, including their assessment of future financial plans, and may not be appropriate for other purposes. Financial outlook (including assumptions about future events, including economic conditions and proposed courses of action, based on assessments of the relevant information currently available), as with forward-looking statements generally, is based on current estimates, expectations and assumptions and is subject to inherent risks and uncertainties and other factors.

The forward-looking statements speak only at the date of this document. All subsequent oral or written forward-looking statements attributable to Treatt, Döhler, any member of the Wider Döhler Group or the Wider Treatt Group, or any of their respective associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above.

Treatt and Döhler expressly disclaim any obligation to update or revise such statements other than as required by law or by the rules of any competent regulatory authority, whether as a result of new information, future events or otherwise.

No profit forecasts or estimates or quantified financial benefits statements

No statement in this document (including any statement of estimated synergies) is intended or is to be construed, as a profit forecast or estimate for any period or a quantified financial benefits statement and no statement in this document should be interpreted to mean that earnings or earnings per share for Treatt for the current or future financial years, will necessarily match or exceed the historical published earnings or earnings per share for Treatt.

Disclosure Requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in one per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash)

must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the announcement in which any securities exchange offeror is first identified.

An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th Business Day (as defined in the Takeover Code) following the commencement of the Offer Period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th Business Day (as defined in the Takeover Code) following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in one per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the Business Day (as defined in the Takeover Code) following the date of the relevant dealing. If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4). Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

ACTIONS TO BE TAKEN

This section should be read in conjunction with the rest of this document, the accompanying Forms of Proxy, and any documents incorporated by reference into this document.

The Court Meeting and the General Meeting

The Scheme will require approval of the Scheme Shareholders at the Court Meeting to be held at the offices of Ashurst LLP, London Fruit & Wool Exchange, 1 Duval Square, London E1 6PW at 11.00 a.m. on 9 June 2026. Implementation of the Scheme will also require the passing of the Resolution by Treatt Shareholders at the General Meeting to be held at the same place at 11.15 a.m. on 9 June 2026 (or as soon thereafter as the Court Meeting has concluded or been adjourned). Notices of the Meetings are set out in Part 9 and Part 10 of this document, respectively.

IT IS IMPORTANT, FOR THE COURT MEETING IN PARTICULAR, THAT AS MANY VOTES AS POSSIBLE ARE CAST (WHETHER IN PERSON OR BY PROXY) IN ORDER FOR THE COURT TO BE SATISFIED THAT THERE IS A FAIR REPRESENTATION OF SCHEME SHAREHOLDERS' OPINION. YOU ARE THEREFORE STRONGLY URGED TO COMPLETE, SIGN AND RETURN YOUR FORMS OF PROXY OR TO APPOINT A PROXY ELECTRONICALLY AS SOON AS POSSIBLE IN ACCORDANCE WITH THE FOLLOWING INSTRUCTIONS.

If the Scheme becomes Effective, it will be binding on Treatt and all Scheme Shareholders, including those Scheme Shareholders who did not attend or vote (or procure a vote) at the Court Meeting and/or the General Meeting or who voted (or procured a vote) against the Scheme at the Court Meeting and/or the Resolution at the General Meeting.

Any Treatt Shareholder holding shares through a nominee, trustee or custodian should contact the nominee, trustee or custodian as voting deadlines for such shareholders to appoint proxies may be different from those set out below.

To vote on the Acquisition using the Forms of Proxy

Treatt Shareholders will find accompanying this document a BLUE Form of Proxy for use in connection with the Court Meeting and a WHITE Form of Proxy for use in connection with the General Meeting. Whether or not you intend to attend both or either of the Meetings, you are asked to please complete and sign the Forms of Proxy in accordance with the instructions printed thereon and return them to Treatt's registrar, MUFG Corporate Markets (together, if appropriate, with the power of attorney or other written authority under which it is signed or a duly certified copy of such power of attorney or authority), by post to MUFG Corporate Markets, PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL as soon as possible, but in any event so as to be received by the following times and dates:

BLUE Forms of Proxy for use in connection with the Court Meeting 11.00 a.m. on 5 June 2026

WHITE Forms of Proxy for use in connection with the General Meeting 11.15 a.m. on 5 June 2026

(or, in the case of an adjourned Meeting, no later than 48 hours prior to the time set for the adjourned Meeting (excluding any part of such 48 hour period falling on a non-working day)).

Return of your completed Forms of Proxy will enable your votes to be counted at the Meetings in the event of your absence. If the BLUE Form of Proxy for use in respect of the Court Meeting is not returned by 11.00 a.m. on 5 June 2026, it may be handed to a representative of Treatt's registrar, MUFG Corporate Markets, or to the Chair of the Court Meeting at the Court Meeting venue before the start of the Court Meeting and will still be valid. However, if the WHITE Form of Proxy for use in respect of the General Meeting is not returned so as to be received before the deadline referred to above, it will be invalid.

If you have not received all of these documents please contact Treatt's registrar, MUFG Corporate Markets, on the helpline number set out below.

The completion and return of the Forms of Proxy will not prevent you from attending and voting in person at the Court Meeting or the General Meeting, or any adjournment thereof, should you wish to do so and should you be so entitled.

To vote on the Acquisition electronically

As an alternative to completing and returning the enclosed Forms of Proxy, you can also appoint a proxy for each Meeting electronically through a share portal service at <https://www.signalshares.com>. To do so, you will need to log on to your share portal account or register for the share portal if you have not already done so. You will be prompted to enter your investor code (“**IVC**”). This can be found on the Forms of Proxy. Once registered, you will be able to vote. Proxies submitted via the share portal service must be received by Treatt’s registrar, MUFG Corporate Markets, not later than 11.00 a.m. on 5 June 2026 in the case of the Court Meeting and not later than 11.15 a.m. on 5 June 2026 in the case of the General Meeting (or, in the case of an adjourned Meeting, by no later than 48 hours before the time fixed for the holding of the adjourned Meeting (excluding any part of such 48 hour period falling on a non-working day)). Full details of the procedure to be followed to appoint a proxy online are given on the website above.

The proxy appointment via the share portal will not prevent you from attending and voting in person at the Court Meeting or the General Meeting, or any adjournment thereof, should you wish to do so and should you be so entitled.

To vote on the Acquisition electronically using a proxy appointment through CREST

If you hold your Treatt Shares in uncertificated form (that is, in CREST), you may vote using the CREST electronic proxy appointment voting service (please also refer to the below and the notes in the notices convening the Court Meeting and the General Meeting set out in Part 9 and Part 10 of this document, respectively).

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so using the procedures described in the CREST Manual, which can be viewed at www.euroclear.com. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a “**CREST Proxy Instruction**”) must be properly authenticated in accordance with Euroclear UK & International Limited’s specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by Treatt’s registrar, MUFG Corporate Markets (Participant ID: RA10) not later than 11.00 a.m. on 5 June 2026 in the case of the Court Meeting and not later than 11.15 a.m. on 5 June 2026 in the case of the General Meeting (or, in the case of an adjourned Meeting, by no later than 48 hours before the time fixed for the holding of the adjourned Meeting (excluding any part of such 48 hour period falling on a non-working day)). For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST application host) from which MUFG Corporate Markets is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service providers, should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that their CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. CREST members and, where applicable, their CREST sponsors or voting system providers, are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended).

To vote on the Acquisition electronically using a proxy appointment through Proximity

If you are a Treatt Shareholder and an institutional investor, you may be able to appoint a proxy electronically via the Proximity platform. For further information regarding Proximity, please go to www.proximity.io. Your proxy must be lodged not later than 11.00 a.m. on 5 June 2026 in the case of the Court Meeting and not later than 11.15 a.m. on 5 June 2026 in the case of the General Meeting (or, in the

case of an adjourned Meeting, by no later than 48 hours before the time fixed for the holding of the adjourned Meeting (excluding any part of such 48 hour period falling on a non-working day)) in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proximity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proximity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote.

Multiple proxy voting instructions

You are entitled to appoint a proxy in respect of some or all of your Treatt Shares and Treatt Shareholders are also entitled to appoint more than one proxy. A space has been included in the Forms of Proxy to allow you to specify the number of Treatt Shares in respect of which that proxy is appointed. If you return the Forms of Proxy duly executed but leave this space blank, you will be deemed to have appointed the proxy in respect of all of your Treatt Shares.

Treatt Shareholders may appoint more than one proxy in relation to the Meetings, provided that each proxy is appointed to exercise the rights attached to different Treatt Shares held by them. If you wish to appoint more than one proxy in respect of your shareholding, you should photocopy the Forms of Proxy, as required. The following principles shall apply in relation to the appointment of multiple proxies:

1. The Company will give effect to the intentions of Treatt Shareholders and include votes wherever and to the fullest extent possible.
2. Where a Form of Proxy does not state the number of Treatt Shares to which it applies (a "**blank proxy**") then, subject to the following principles where more than one proxy is appointed, that proxy is deemed to have been appointed in relation to the total number of Treatt Shares registered in the name of the appointing Treatt Shareholder. In the event of a conflict between a blank proxy and a proxy which does state the number of Treatt Shares to which it applies (a "**specific proxy**"), the specific proxy shall be counted first, regardless of the time it was delivered or received (on the basis that, as far as possible, the conflicting Form of Proxy should be judged to be in respect of different Treatt Shares) and the remaining Treatt Shares will be apportioned to the blank proxy (*pro rata* if there is more than one).
3. Where there is more than one proxy appointed and the total number of the Treatt Shares in respect of which proxies are appointed is no greater than the member's entire holding, it is assumed that proxies are appointed in relation to different Treatt Shares, rather than that conflicting appointments have been made in relation to the same Treatt Shares. That is, there is only assumed to be a conflict where the aggregate number of Treatt Shares in respect of which proxies have been appointed exceeds the member's entire holding.
4. When considering conflicting appointments, later proxies will prevail over earlier proxies and a later proxy will be determined on the basis of which Form of Proxy is last delivered or received.
5. If conflicting Forms of Proxy are delivered or received at the same time in respect of (or deemed to be in respect of) a member's entire holding and if Treatt is unable to determine which was delivered or received last, none of them will be treated as valid.
6. Subject to paragraph 7 below, where the aggregate number of Treatt Shares in respect of which proxies are appointed exceeds a member's entire holding, all appointments may be rendered invalid.
7. If a Treatt Shareholder appoints a proxy or proxies and then decides to attend the Meetings in person and vote using their poll card, then the vote in person will override the proxy vote(s). If the vote in person is in respect of the member's entire holding, then all proxy votes will be disregarded. If, however, the Treatt Shareholder votes at the Meetings in respect of less than their entire holding then, if the Treatt Shareholder indicates on their poll card that all proxies are to be disregarded, that shall be the case, but if the Treatt Shareholder does not specifically revoke proxies, then the vote in person will be treated in the same way as if it were the last received proxy and earlier proxies will only be disregarded to the extent that to count them would result in the number of votes being cast exceeding the member's entire holding.
8. In relation to paragraph 7 above, in the event that a Treatt Shareholder does not specifically revoke proxies, it will not be possible to determine the intentions of the Treatt Shareholder in this regard. However, in light of the aim to include votes wherever and to the fullest extent possible, it will be assumed that earlier proxies should continue to apply to the fullest extent possible.

To the holders of Treatt Shares and, for information only, to holders of awards under the Treatt Share Plans and persons with information rights

Separate communications regarding the effect of the Acquisition on the Treatt Share Plans will be made to holders of awards under the Treatt Share Plans on or around the date of this document

Dear Treatt Shareholder,

Recommended cash acquisition pursuant to which Döhler shall acquire the entire issued and to be issued ordinary share capital of Treatt not already owned by Döhler, to be effected by means of a scheme of arrangement under Part 26 of the Companies Act

1. Introduction

On 29 April 2026, the boards of Treatt and Döhler announced that they had reached agreement on the terms of a recommended cash offer by Döhler for the entire issued and to be issued ordinary share capital of Treatt not already owned by Döhler at a price of 305 pence per Treatt Share. In addition, the Acquisition allows for the distribution of the Final Dividend.

Döhler is a private limited company incorporated in the Netherlands and an indirect wholly-owned subsidiary of Döhler Group SE. Further information relating to Döhler and Döhler Group SE can be found at paragraph 9.2 of Part 2 of this document.

I am writing to you, on behalf of the Treatt Board, to explain the background to and reasons for the Acquisition and why the Independent Directors consider the Acquisition to be in the best interests of Treatt Shareholders as a whole and, having been so advised by Peel Hunt and Investec as to its financial terms, fair and reasonable.

The Independent Directors are unanimously recommending that Scheme Shareholders vote, or procure a vote, in favour of the Scheme at the Court Meeting and that Treatt Shareholders vote, or procure a vote, in favour of the Resolution at the General Meeting, as the Treatt Directors who hold or are beneficially entitled to Treatt Shares have irrevocably undertaken to do in respect of their own beneficial holdings of Treatt Shares.

The Acquisition is being implemented by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act. The Acquisition is subject to a number of Conditions and further terms which are set out in Part 4 of this document and include Treatt receiving the requisite approvals from Treatt Shareholders and the Scheme being sanctioned by the Court. The provisions of the Scheme are set out in Part 3 of this document.

I would also like to draw your attention to the explanatory statement from Peel Hunt and Investec set out in Part 2 of this document, which gives further details about the Acquisition and the Scheme, and the additional information set out in Part 7 of this document. Pages 13 to 16 of this document set out further details of the actions that Treatt Shareholders are being asked to take in connection with the Acquisition.

It is important, for the Court Meeting in particular, that as many votes as possible are cast (whether in person or by proxy) in order for the Court to be satisfied that there is a fair representation of

Scheme Shareholders' opinion. You are therefore strongly urged to complete, sign and return your Forms of Proxy or to appoint a proxy electronically either through the relevant share portal service, Proximity, or CREST, in accordance with the "Actions to be taken" section at page 13 of this document as soon as possible.

The recommendation of the Independent Directors is set out in paragraph 15 below of this Part 1 and the background to and reasons for such recommendation are set out in paragraph 4 below of this Part 1.

2. Summary of the Acquisition

Under the terms of the Acquisition, which is subject to the Conditions and further terms set out in Part 4 of this document, each Scheme Shareholder will be entitled to receive:

for each Scheme Share: 305 pence in cash

In addition, the Acquisition allows for the distribution of the Final Dividend.

The terms of the Acquisition (excluding the Final Dividend) value the entire issued and to be issued ordinary share capital of Treatt at approximately £183 million and represent a premium of approximately:

- 48 per cent. to the Closing Price of 206 pence per Treatt Share on 28 April 2026 (being the last Business Day before the Announcement Date);
- 48 per cent. to the volume-weighted average price of 206 pence per Treatt Share for the one-month period ended 28 April 2026 (being the last Business Day before the Announcement Date);
- 47 per cent. to the volume-weighted average price of 208 pence per Treatt Share for the three-month period ended 28 April 2026 (being the last Business Day before the Announcement Date); and
- 17 per cent. to Natara's original cash offer dated 8 September 2025 and 5 per cent. to Natara's increased "final" cash offer dated 6 October 2025.

The Döhler Group has a deep understanding of the Treatt Group's business, having worked closely with the Treatt Group over many years as a strategic supplier and customer, and these insights have allowed the Döhler Group to develop a differentiated perspective on the Company. Whilst the Döhler Group remains supportive of the long term strategy outlined by Treatt and recognises the recent steps taken to stabilise the operating performance of the Company, it believes that public markets are unlikely to provide the necessary support to the Company to deliver its strategy due to the public markets' focus on short term performance. Döhler firmly believes that it would be the right partner to unlock the full extent of the Treatt Group's growth potential as its support and advanced distribution capabilities will provide the Company with the platform and flexibility to accelerate the execution of its long-term strategic agenda in a privately-owned setting.

The terms of Döhler's proposal represent an attractive value in cash for Treatt Shareholders at a substantial premium to the Closing Price as at 28 April 2026 (being the last Business Day before the Announcement Date), and at a time of considerable sector-wide disruption and ongoing geopolitical and macroeconomic uncertainty. For the Treatt Group's business, it would unlock opportunities which are not available to the Company in the public markets, fuelled by an enhanced ability to invest in long-term growth, and supported by the Döhler Group's scale and expertise to integrate acquisitions, focus on investing in businesses, and ability to create a leading global ingredients platform.

If any dividend, distribution or other return of capital is announced, declared, made or paid, or becomes payable, in respect of Treatt Shares on or after the Announcement Date and before the Effective Date (other than the Final Dividend), Döhler reserves the right to reduce the consideration payable in respect of each Treatt Share by the amount of all or part of any such dividend or other distribution. If Döhler exercises this right or makes such a reduction in respect of a dividend, distribution or other return of capital that has not been paid, Treatt Shareholders will be entitled to receive and retain that dividend, distribution or other return of capital declared, made or paid.

The Acquisition is being effected by means of a Court-sanctioned scheme of arrangement between Treatt and the Scheme Shareholders under Part 26 of the Companies Act, although Döhler reserves the right to elect to implement the Acquisition by way of a Takeover Offer, subject to the consent of the Panel (where necessary) and the terms of the Cooperation Agreement.

The sources and bases for certain financial information contained in this document are set out in paragraph 12 of Part 7 of this document. A summary of the irrevocable undertakings and letters of intent given in relation to the Acquisition is set out in paragraph 4 of Part 7 of this document.

3. Background to and reasons for the Acquisition

The Döhler Group has long admired the Treatt Group's business and its rich heritage, and its experience in observing the Company as its largest shareholder has reinforced its views on the quality of the business and its strong people-first culture.

Döhler believes there is attractive industrial logic for a combination of the Döhler Group and the Treatt Group and sees a clear opportunity to accelerate the Treatt Group's long-term growth trajectory through focused investment and disciplined execution.

Highly complementary portfolios and geographic reach

- The Döhler Group and the Treatt Group operate in adjacent and complementary segments of the natural ingredients and flavour value chain creating a stronger, more competitive, and globally-integrated ingredients platform.
- The Acquisition represents a natural evolution of the long-standing commercial relationship between the Döhler Group and the Treatt Group. The Treatt Group's deep expertise in high-performance natural extracts integrates seamlessly with the Döhler Group's technology-driven ingredient systems and integrated solutions capabilities, allowing the Enlarged Group to better serve customers across key markets, by offering more comprehensive end-to-end solutions which reduce technical complexity and streamline customer supply chains.
- Importantly, the Treatt Group's U.S. production footprint offers a strategically compelling presence in a key territory, ensuring proximity to customers in the sector's most competitive segment. The Enlarged Group is also expected to benefit from immediate cross-selling opportunities across new geographies and strategic accounts, accelerating market penetration of the combined portfolio.
- Döhler also sees the opportunity to leverage best-in-class practices across both the Döhler Group and the Treatt Group to drive continued efficiency improvements, and more efficient procurement, with the benefits recycled to drive superior and sustainable long-term growth.

Enhanced innovation capabilities delivering a stronger customer proposition

- The Döhler Group has a strong track record of leveraging cutting-edge technology in processing natural raw materials. With an integrated and entrepreneurial approach to innovation and value creation, with innovations from more than 50 technologies, the Döhler Group's focus remains on driving greater nutritional excellence.
- Combining the Treatt Group's depth in the natural ingredients segment with the Döhler Group's formulation, ingredient systems and multisensory capabilities, the Enlarged Group would create a differentiated innovation engine centred on unlocking consumer insights and championing emerging category trends.

Scaled global platform with strategic flexibility

- The Acquisition will create scale advantages. The diversified portfolio and the global footprint of the Enlarged Group would be better positioned to navigate structural headwinds.
- Döhler firmly believes the Acquisition provides significant benefits to the Treatt Group and its stakeholders which would not be available on a standalone basis. In particular, the Acquisition brings together complementary businesses, accelerates innovation, and provides Treatt with a scaled platform and access to the Döhler Group's significant resources to navigate the ongoing sector-wide disruption.

Long-term investment horizon and people-led value creation

- As a family-owned business with over a 185-year heritage and a multigenerational perspective, the Döhler Group offers a stable ownership environment focused on long-term value creation. This approach provides the patience and capital necessary to support continued strategic investment and operational improvement to drive responsible and sustainable growth.
- The Enlarged Group would also offer employees more attractive long-term career opportunities, including greater international mobility and cross-functional development across R&D, technical,

operational, commercial and business support functions within a global organisation, supporting the development and retention of skilled talent.

4. Background to and reasons for the recommendation

On 8 September 2025, the Treatt Board announced a recommended cash offer from Natara for the entire issued and to be issued share capital of Treatt to be implemented by way of a scheme of arrangement (the “**Natara Offer**”) at a price of 260 pence per Treatt Share, which Natara increased to 290 pence per Treatt Share on 6 October 2025.

During the Natara Offer period, Döhler acquired interests in Treatt Shares, which as at the Latest Practicable Date, carry in aggregate approximately 27.9 per cent. of the voting rights in Treatt. On 30 September 2025, Döhler announced that it was not considering making an offer for Treatt. Pursuant to Rule 2.8 of the Takeover Code, that announcement restricted Döhler from, among other actions, making an offer for Treatt (subject to certain limited exceptions) for a period of six months ending on 30 March 2026.

On 3 November 2025, the Company announced the results of the shareholder meetings convened to consider the Natara Offer. As the relevant resolutions did not receive the requisite support from Treatt Shareholders, the Natara Offer lapsed on the same date.

On 19 January 2026, Treatt and Döhler entered into the Relationship Agreement pursuant to which Döhler has the right to nominate one candidate for appointment to the Treatt Board as a director. On 1 February 2026, Helga Moelschl was appointed to the Treatt Board by Döhler pursuant to that right. The Treatt Board has, therefore, formed the Independent Committee comprising all members of the Treatt Board from time to time other than Helga Moelschl to consider the Acquisition and determine on behalf of the Treatt Board whether to recommend Scheme Shareholders vote in favour of the Scheme (or accept the Takeover Offer, if applicable).

The highest price paid by Döhler for an interest in Treatt Shares in the 12-month period prior to the Announcement Date was 305 pence, during which time, as noted above, Döhler acquired more than 10 per cent. of Treatt’s issued share capital. Accordingly, pursuant to Rule 11 of the Takeover Code, and except as set out in this document or with the consent of the Panel, the minimum price that must be offered by Döhler in respect of an offer for Treatt is 305 pence per Treatt Share in cash. Under the terms of the Acquisition, Döhler’s cash offer exceeds this minimum requirement because in addition to 305 pence per Treatt Share, eligible Treatt Shareholders retain the Final Dividend.

Since the lapsing of the Natara Offer, trading performance at Treatt has stabilised; however, profits remain at subdued levels compared to recent years and the Independent Committee believes that the business remains in the early stages of its recovery, amid a challenging and uncertain geopolitical and macroeconomic backdrop.

Whilst the Independent Committee continues to believe in the longer-term opportunities available to the business, it considers that, in the near term, the potential for a sustained and significant improvement in the operational and financial performance of Treatt is likely to be limited, such that material share price accretion in the foreseeable future is also likely to be limited. The turnaround of the business is expected to take time and remains subject to a number of uncertainties, reflecting both external and internal factors, including:

- subdued end-market conditions adversely affecting demand for premium beverages;
- the ongoing geopolitical events in the Middle East putting further pressure on underlying input costs, raw materials, and on consumer demand, in turn further delaying a recovery in consumer sentiment in key regions for the Treatt Group, such as the U.S.;
- volatility in citrus oil prices has created significant uncertainty, making it challenging for a relatively small company like Treatt to plan and operate with confidence in a global market with significantly larger players; and
- ongoing transition of key roles and positions within the Treatt Group’s business.

In addition, the Independent Committee believes that the market price of Treatt Shares in the foreseeable future is unlikely to reflect the underlying fundamental value of the business, given the illiquid trading characteristics of Treatt Shares arising from Treatt’s relatively small market capitalisation, together with ongoing subdued investor sentiment towards smaller UK-quoted companies.

The Independent Committee also considers that the level of cost, management time and resource to maintain Treatt's stock market listing is disproportionate to the size of the business and detracts from management's ability to focus on fully delivering its operational and strategic priorities.

Against this background, and in assessing the proposal from Döhler, the Independent Committee, in conjunction with its advisers, considered a wide range of offer-related factors, including:

- the opportunity for Treatt Shareholders to realise their shareholdings, in cash, at an attractive value which represents a significant premium to the undisturbed share price of 206 pence per Treatt Share on 28 April 2026 (being the last Business Day before the Announcement Date);
- the certainty provided by the Acquisition for Treatt Shareholders when compared with the inherent risks and uncertainties associated with the execution and delivery of Treatt's standalone strategy, and the risk that the market price of Treatt Shares in the foreseeable future may not accurately reflect delivery of that strategy;
- the deliverability of Döhler's proposal when compared with other potential strategic or transactional options available to the Independent Committee, particularly taking into account Döhler's existing shareholding in Treatt;
- the attractiveness of Döhler as an owner of Treatt, providing the business with a strong and larger platform from which to execute its growth strategy within a more suitable ownership structure; and
- Döhler's intentions for the business, in particular the ability to invest for the longer-term, the potential career development opportunities for the Treatt Group's management and employees and the expected benefits to customers from combining the Treatt Group's existing innovation and technical expertise with the Döhler Group's significant ingredients platforms and global distribution networks.

Having taken these factors into account, the Independent Committee believes that Döhler represents a highly attractive owner for Treatt and that being part of the Döhler Group will be complementary to Treatt and help accelerate its long-term growth strategy.

Accordingly, following careful consideration of the above factors, the Independent Directors recommend unanimously that Treatt Shareholders vote, or procure voting, in favour of the Scheme at the Court Meeting and the Resolution at the General Meeting (or in the event that the Acquisition is implemented by way of a Takeover Offer, that Treatt Shareholders accept or procure acceptance of such Takeover Offer).

5. Irrevocable undertakings and letters of intent

Döhler has received irrevocable undertakings to vote in favour (or procure a vote in favour) of the Scheme at the Court Meeting and the Resolution at the General Meeting from those Treatt Directors who hold Treatt Shares in respect of their own beneficial shareholdings, totalling 22,201 Treatt Shares representing approximately 0.04 per cent. of the issued ordinary share capital of Treatt as at the Latest Practicable Date.

Döhler has also received a non-binding letter of intent from each of, Rockwood Strategic plc (as managed by Rockwood Asset Management, a trading name of Harwood Private Capital LLP), and J O Hambro Capital Management Limited who between them hold directly or indirectly, in aggregate, 3,350,000 Treatt Shares representing approximately 5.6 per cent. of the issued share capital of Treatt as at the Latest Practicable Date stating their intention to vote (or procure a vote) in favour of the Scheme at the Court Meeting and the Resolution at the General Meeting in respect of their holdings of Treatt Shares.

Döhler has therefore received either irrevocable undertakings or non-binding letters of intent in respect of a total of 3,372,201 Treatt Shares representing, in aggregate, approximately 5.6 per cent. of the issued ordinary share capital of Treatt as at the Latest Practicable Date.

Further details of these irrevocable undertakings and letters of intent, including the circumstances in which the irrevocable undertakings cease to be binding, are set out in paragraph 4 of Part 7 of this document.

6. Current trading and prospects of Treatt

For details of Treatt's current trading and prospects, please refer to the announcement of Treatt's interim results for the period ended 31 March 2026 published on 29 April 2026, a link to which can be found in paragraph 1 of Part 5 of this document.

7. Strategic plans and intentions with regard to Treatt and the Enlarged Group

Prior to the Announcement, and consistent with market practice, the Döhler Group was granted limited access to Treatt's senior management for the purposes of confirmatory due diligence and to support its assessment of potential synergies and integration.

Following completion of the Acquisition, Treatt will operate as a core pillar of the Döhler Group, entrusted with the responsibility to lead its own growth. While remaining strategically aligned with the broader goals of the Enlarged Group, the Treatt Group will maintain its entrepreneurial agility, empowered to make the pivotal decisions that drive its success. Döhler believes that proximity to customers and partners is a key differentiator and intends to empower Treatt's management by retaining localised decision-making, whilst unlocking access to the Döhler Group's global footprint and sourcing network, proprietary research and development capabilities and well-established sales platform to accelerate the growth trajectory of the Enlarged Group.

The Döhler Group will continue to review the Treatt Group's business and develop its plan for the Enlarged Group following the Effective Date. This will include a detailed assessment of the Enlarged Group's potential commercial footprint, operating model and business functions, whilst identifying duplicative and complementary roles across both organisations.

The Döhler Group expects that its review will be complete within 8 to 12 months following the Effective Date and that the implementation of its plan resulting therefrom will take up to 18 months following the Effective Date.

Employees and management

The Döhler Group places long-term value creation at the heart of its mission, prioritising the stability and growth of its employees. The Döhler Group maintains a philosophy that sustained development is best achieved by empowering its people to deliver excellence over the long-term. Furthermore, the Döhler Group attaches great importance to the skills, experience and expertise of the existing management team and employees of the Treatt Group and recognises their significant contributions to the business to date.

The Döhler Group also values the importance of continuity, leadership stability and local expertise, and would look to and intends to engage closely with senior management of the Treatt Group following the Effective Date to understand their medium-term and long-term ambitions, and to agree appropriate incentivisation and retention structures, ensuring alignment with the Döhler Group's strategic objectives. Döhler has not entered into, nor held discussions regarding, any incentive arrangements with employees or management of the Treatt Group before the date of this document. In addition, the Cooperation Agreement contains provisions in respect of employee related matters, including agreement by Döhler to offer employees of the Treatt Group minimum severance benefits in specified circumstances following the Effective Date, and the making of payments in lieu of notice to any non-executive director of Treatt who resigns in connection with the Acquisition and is not retained by the Döhler Group with effect from the Effective Date.

Döhler firmly believes that the integration of the Treatt Group into the Döhler Group will provide employees of the Treatt Group with unrivalled professional development opportunities on a global scale. By joining the Döhler Group's expansive international platform, employees of the Treatt Group will have access to:

- **Cross functional advancement:** opportunities to develop and progress across business units, including R&D, advanced technology functions, business support teams and integrated supply chain management;
- **International mobility:** exposure to the Döhler Group's operational and commercial network, enabling career progression and opportunities on a global scale; and
- **Talent investment:** ongoing investment in learning and development, technical excellence, and leveraging best practices across both organisations to drive operational efficiencies.

Döhler's role will be that of a strategic partner, collaborating with the management team of Treatt to ensure alignment on overarching commercial objectives, whilst enabling the local team to make decisions quickly and efficiently, without the often short-term focus of the public markets, aiming to lead the Treatt Group's business toward sustainable, long-term value creation.

Following the Effective Date, once Treatt ceases to be a company whose shares are admitted to trading on the Main Market of the London Stock Exchange and becomes part of the Döhler Group, as is customary, a

limited number of listed company-related and other central functions may be reduced to reflect Treatt's new status. Döhler does not intend to make material headcount reductions in the context of the Treatt Group and expects to limit the impact on the employees currently fulfilling such roles. Reasonable efforts will be made to mitigate involuntary headcount reductions, such as through natural attrition, the consideration of vacant roles within the Enlarged Group, the redeployment of affected employees, and the future growth of the Enlarged Group. Döhler confirms that its intention is for any individuals impacted to be treated in a manner consistent with the Döhler Group's high standards, culture and practices.

In order to assist with the integration of Treatt Group into the Enlarged Group and in the light of the recent leadership changes to the board of Treatt, it is intended that Vijay Thakrar remain in his role as director and Chair of the Treatt board for up to six months following the Effective Date, on the same terms as his current appointment which Döhler do not expect to change. It is intended that all other non-executive directors of Treatt will resign with effect from the Effective Date and be paid in lieu of their contractual notice periods. Döhler has indicated to Treatt that it intends to ask Christine Sisler and Helga Moelschl to provide consultancy services to the Enlarged Group in the future given their deep sector expertise, but there have been no discussions in relation to any such arrangements or potential terms prior to the date of this document.

Döhler does not intend to make any material changes to the conditions of employment or the balance of skills and functions of the employees and management beyond the necessary changes to reflect the new status as a non-listed company.

The existing contractual and statutory rights, including pension rights, and terms and conditions of employment of the Treatt Group's employees and its subsidiaries will be fully safeguarded and observed in accordance with applicable laws.

Research and development and fixed assets

The Döhler Group's strategy is to maximise the impact of the Treatt Group's innovation engine by focusing research and development initiatives on the areas in which the Treatt Group excels. Collecting shared technological developments and progress around the Treatt Group's dedicated assets will ensure these key resources remain the foundation for growth of the Enlarged Group.

Following completion of the Acquisition, Döhler intends to leverage the Treatt Group's best-in-class manufacturing footprint and technical capabilities to accelerate the growth agenda of the Enlarged Group. The Treatt Group's vertically integrated facilities, specialist processing capabilities and scale manufacturing expertise provide a strong platform to serve global customers with high-quality, customised ingredient solutions and are central to the Enlarged Group's value proposition.

Döhler recognises the importance of continued investment in innovation and research and development and intends to support the Treatt Group's established culture of product development, technical excellence and customer collaboration. Döhler does not intend to make any material changes to the Treatt Group's research and development activities, or to redeploy the Treatt Group's fixed assets.

Headquarters, headquarters functions and locations of business

Following the Effective Date, Döhler intends that the headquarters and headquarters functions of the Enlarged Group will continue to be based at the Döhler Group's existing headquarters in Darmstadt, Germany.

Döhler expects to retain the Treatt Group's existing facility in Bury St Edmunds as the primary hub of the Treatt Group's business within the UK. Regarding Treatt's facility in Florida, Döhler intends to retain it as a key hub for product development and manufacturing in the United States. Similarly, Döhler expects to retain and grow Treatt's recently opened commercial and innovation facility in Shanghai, China.

The Treatt Group's facilities represent key innovation and manufacturing hubs that Döhler plans to connect with the Döhler Group's global ecosystem. This combined reach is expected to best utilise the strengths of each location, ensuring the expanded network is well positioned to meet global demand.

Technology and systems

Döhler intends to integrate the Treatt Group's systems into the Döhler Group's advanced technology suite. This will bring key operational and reporting capabilities onto a single sophisticated Enterprise Resource Planning (ERP) and IT framework, which is expected to improve performance and customer experience

through better data visibility, more consistent processes and controls, and faster, more informed decision-making.

Pension arrangements

The Treatt Group sponsors a defined benefit pension scheme in the UK. The most recent actuarial valuation recorded that, as at 1 January 2026, the scheme was in surplus on a technical provisions basis. Döhler understands that the scheme was closed to: (i) new members in October 2001 and (ii) the future accrual of benefits with effect from 31 December 2012. Döhler understands that the scheme recently entered into a “buy in” arrangement with an insurance company to enhance security for scheme members.

Döhler fully appreciates the importance of the defined benefit pension scheme and does not intend to make any change to the benefits provided by the scheme, nor to the employer contributions into the scheme. Döhler does not intend to re-open the defined benefit pension scheme to new members or to future accrual.

Döhler intends to take steps to ensure that the defined benefit pension scheme will not be detrimentally affected by the Acquisition.

Döhler recognises the importance of working closely with the scheme’s trustees and its advisers to ensure that scheme members’ benefits continue to be secured appropriately. Döhler looks forward to continuing to engage constructively with the Chair of the scheme’s trustees in respect of the Acquisition.

Trading facilities

Treatt Shares are currently admitted to the Official List and admitted to trading on the Main Market of the London Stock Exchange.

It is intended that requests will be made to the FCA to cancel admission of the Treatt Shares to the Official List and to the London Stock Exchange to cancel admission to trading in Treatt Shares on the Main Market, in each case conditional on the Acquisition becoming Effective. Following the Acquisition, Döhler intends to re-register Treatt as a private company.

No post-offer undertakings

None of the statements in this paragraph 7 of Part 1 is a “post-offer undertaking” for the purposes of Rule 19.5 of the Takeover Code.

8. Structure of and conditions to the Acquisition

The Acquisition is being effected by means of a Court-sanctioned scheme of arrangement between Treatt and the Scheme Shareholders under Part 26 of the Companies Act. The purpose of the Scheme is to provide for Döhler to become the owner of the entire issued and to be issued ordinary share capital of Treatt. This is to be achieved by the transfer of the Scheme Shares to Döhler, in consideration for which Scheme Shareholders will receive the Acquisition Price on the basis set out in paragraph 2 of this Part 1.

However, Döhler reserves the right to elect to implement the Acquisition by way of a Takeover Offer, subject to the consent of the Panel (where necessary) and the terms of the Cooperation Agreement.

On the Scheme becoming Effective: (i) it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted at the Court Meeting and the General Meeting (and if they attended and voted, whether or not they voted in favour); and (ii) share certificates in respect of Scheme Shares will cease to be of value and should be destroyed and entitlements to Scheme Shares held within the CREST system will be cancelled. The consideration payable under the Scheme will be despatched to Scheme Shareholders by Döhler no later than 14 days after the Effective Date.

Any Treatt Shares issued before the Scheme Record Time will be subject to the terms of the Scheme. Any Treatt Shares issued after the Scheme Record Time will not be subject to the terms of the Scheme. The Resolution, which is to be proposed at the General Meeting, will, among other matters, provide that Treatt’s articles of association be amended so that any Treatt Shares issued after the Scheme Record Time (other than to Döhler or its nominee(s)) will be automatically acquired by Döhler on the same terms as the Acquisition (other than terms as to timings and formalities). The provisions of Treatt’s articles of association (as amended) will avoid any person (other than Döhler or its nominee(s)) holding Treatt Shares after the Effective Date.

The Acquisition is subject to the Conditions and further terms set out in Part 4 of this document, including, among other things:

- (a) the approval of the requisite majority of Scheme Shareholders at the Court Meeting;
- (b) the passing of the Resolution at the General Meeting;
- (c) the receipt of competition clearances in Austria, Ireland, the United Kingdom and the United States; and
- (d) the sanction of the Scheme by Court, and a copy of the Court Order being delivered to the Registrar of Companies.

The Scheme shall lapse if:

- (a) the Court Meeting and the General Meeting are not held by 1 July 2026 (or such later date as may be (i) agreed between Döhler and Treatt or (ii), in a competitive situation, specified by Döhler with the consent of the Panel, and in each case that (if so required) the Court may allow);
- (b) the Sanction Hearing is not held by the 22nd day after the expected date of such hearing to be announced by Treatt (or such later date as may be (i) agreed between Döhler and Treatt; or (ii) (in a competitive situation) as may be specified by Döhler with the consent of the Panel, and in each case that (if so required) the Court may allow); or
- (c) the Scheme does not become Effective by 11.59 p.m. on the Long Stop Date (or such later date as may be agreed between Döhler and Treatt, with the consent of the Panel, and the Court may allow).

Under Rule 13.5(a) of the Takeover Code and subject to the paragraph immediately below, Döhler may only invoke a Condition so as to cause the Acquisition not to proceed, to lapse or to be withdrawn with the consent of the Panel. The Panel will normally only give its consent if the circumstances which give rise to the right to invoke the Condition are of material significance to Döhler in the context of the Acquisition. This will be judged by reference to the facts of each case at the time that the relevant circumstances arise.

Conditions 1, 2.1, 2.2 and 2.3 (as listed in Part A of Part 4 of this document) (and, if applicable, any acceptance condition if the Acquisition is implemented by means of a Takeover Offer) are not subject to Rule 13.5(a) of the Takeover Code. All other Conditions are subject to Rule 13.5(a) of the Takeover Code.

To become Effective, the Scheme must be approved by a majority in number of Scheme Shareholders voting at the Court Meeting, either in person or by proxy, representing at least 75 per cent. in value of the Scheme Shares voted. In addition, a special resolution implementing the Scheme must be passed by Treatt Shareholders representing at least 75 per cent. of votes cast at the General Meeting. The General Meeting is expected to be held immediately after the Court Meeting. In respect of the Resolution at the General Meeting, Treatt Shareholders will be entitled to cast one vote for each Treatt Share held at the relevant record time.

Following the Meetings, the Scheme must be sanctioned by the Court. The Scheme will only become Effective once a copy of the Court Order is delivered to the Registrar of Companies for registration.

Upon the Scheme becoming Effective, it shall be binding on Treatt and all Scheme Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the General Meeting. Subject to satisfaction (or waiver, where applicable) of the Conditions, the Scheme is expected to become Effective in Q3 2026.

9. Governing law of the Scheme

The Scheme will be governed by English law and will be subject to the jurisdiction of the Court. The Scheme will be subject to the Conditions set out above and the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange and the FCA.

10. Cancellation of admission to trading and re-registration as private company

It is intended that the last day for dealings in, and registration of transfers of Treatt Shares on the London Stock Exchange's Main Market will be the Business Day following the date of the Sanction Hearing (being the Business Day immediately prior to the expected Effective Date), and no transfers will be registered after 6.00 p.m. on that date.

It is further intended that applications will be made to the London Stock Exchange to cancel the admission to trading of the Treatt Shares on the Main Market of the London Stock Exchange, and to the FCA to

cancel the admission of Treatt Shares on the Official List, in each case with effect from or shortly following the Effective Date.

On or shortly after the Effective Date, entitlements to Scheme Shares held within the CREST system will be cancelled and share certificates in respect of Scheme Shares will cease to be valid.

It is also intended that, following the Effective Date, Treatt will be re-registered as a private limited company.

11. Taxation

Your attention is drawn to Part 6 of this document which contains a summary of limited aspects of the United Kingdom taxation regime applicable to the Acquisition. This summary is intended as a general guide only, does not constitute tax advice and does not purport to be a complete analysis of all potential United Kingdom taxation consequences of the Acquisition. If you are in any doubt as to your tax position, or if you are subject to taxation in any jurisdiction other than the United Kingdom, you should consult an appropriate independent professional tax adviser.

12. Actions to be taken

Your attention is drawn to pages 13 to 16 and paragraph 17 of Part 2 of this document, which provides information on the actions that Treatt Shareholders are being asked to take in relation to the Acquisition and the Scheme. These pages should be read in conjunction with the rest of this document, the accompanying Forms of Proxy and any document incorporated by reference.

Notices convening the Court Meeting and the General Meeting are set out in Part 9 and Part 10 of this document, respectively.

IT IS IMPORTANT, FOR THE COURT MEETING IN PARTICULAR, THAT AS MANY VOTES AS POSSIBLE ARE CAST (WHETHER IN PERSON OR BY PROXY) IN ORDER FOR THE COURT TO BE SATISFIED THAT THERE IS A FAIR REPRESENTATION OF SCHEME SHAREHOLDERS' OPINION. YOU ARE THEREFORE STRONGLY URGED TO COMPLETE, SIGN AND RETURN YOUR FORMS OF PROXY OR TO APPOINT A PROXY ELECTRONICALLY EITHER THROUGH THE RELEVANT SHARE PORTAL SERVICE, THROUGH PROXYMITY OR THROUGH CREST IN ACCORDANCE WITH THE INSTRUCTIONS SET OUT IN THE "ACTIONS TO BE TAKEN" SECTION AT PAGE 13 OF THIS DOCUMENT, AS SOON AS POSSIBLE.

Details of a helpline to assist Treatt Shareholders who have questions relating to this document or the completion and return of the Forms of Proxy or the instructions regarding electronic proxy appointment are set out on page 16 of this document. All calls to the helpline may be recorded and monitored for security and training purposes. Please note that, for legal reasons, the helpline cannot provide advice on the merits of the Acquisition or give any legal, tax or financial advice.

13. Overseas Shareholders

The attention of Overseas Shareholders is drawn to paragraph 14 of Part 2 of this document.

14. Further Information

Further information in relation to the Scheme and the Acquisition is set out in the explanatory statement in Part 2 of this document and the full Scheme is set out in Part 3 of this document.

You are advised to read the whole of this document and not just rely on the summary information contained in this letter.

15. Recommendation

The Independent Directors, who have been so advised by Peel Hunt and Investec as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing advice to the Independent Directors, Peel Hunt and Investec have taken into account the commercial assessments of the Independent Directors. Peel Hunt and Investec are providing independent financial advice to the Treatt Directors for the purposes of Rule 3 of the Takeover Code.

Accordingly, the Independent Directors believe that the terms of the Acquisition (including the Scheme) are in the best interests of Treatt Shareholders as a whole and unanimously recommend that

all Scheme Shareholders vote in favour of the Scheme at the Court Meeting and that all Treatt Shareholders vote in favour of the Resolution at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer) as the Treatt Directors who hold Treatt Shares have irrevocably undertaken to do in respect of their own beneficial holdings totalling in aggregate 22,201 Treatt Shares representing approximately 0.04 per cent. of the issued ordinary share capital of Treatt as at the Latest Practicable Date.

Yours faithfully

Vijay Thakrar
Chair

To Treatt Shareholders,

Recommended cash acquisition pursuant to which Döhler shall acquire the entire issued and to be issued ordinary share capital of Treatt not already owned by Döhler to be effected by means of a scheme of arrangement under Part 26 of the Companies Act

1. Introduction

On 29 April 2026, the boards of Treatt and Döhler announced that they had reached agreement regarding the terms of a recommended cash offer by Döhler for Treatt pursuant to which Döhler will acquire the entire issued and to be issued ordinary share capital of Treatt not already owned by Döhler at a price of 305 pence per Treatt Share.

Your attention is drawn to the letter from the Chair of the Company set out in Part 1 of this document, which forms part of this explanatory statement. That letter explains, amongst other things, the background to and reasons for the Acquisition and why the Independent Directors, who have been so advised by Peel Hunt and Investec as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing their advice to the Treatt Directors, Peel Hunt and Investec have taken into consideration the commercial assessments of the Treatt Directors. Peel Hunt and Investec are providing independent financial advice to the Treatt Directors for the purposes of Rule 3 of the Takeover Code.

The Independent Directors believe that the terms of the Acquisition (including the Scheme) are in the best interests of Treatt Shareholders as a whole and unanimously recommend that all Scheme Shareholders vote in favour of the Scheme at the Court Meeting and that all Treatt Shareholders vote in favour of the Resolution at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer), as the Treatt Directors who hold Treatt Shares have irrevocably undertaken to do in respect of their own beneficial holdings totalling in aggregate 22,201 Treatt Shares, representing approximately 0.04 per cent. of the issued ordinary share capital of Treatt as at the Latest Practicable Date.

In providing their advice, Peel Hunt and Investec are advising the Treatt Board in relation to the Acquisition and are not acting for any Treatt Director in their personal capacity nor for any Treatt Shareholder in relation to the Acquisition. Peel Hunt and Investec will not be responsible to any such person for providing the protections afforded to their respective clients or for advising any such person in relation to the Acquisition. In particular, Peel Hunt and Investec will not owe any duties or responsibilities to any particular Treatt Shareholder concerning the Acquisition.

Peel Hunt and Investec have been authorised by the Treatt Board to write to Treatt Shareholders to explain the terms of the Acquisition and the Scheme and to provide Treatt Shareholders with other relevant information.

This explanatory statement contains a summary of the provisions of the Scheme. The terms of the Scheme are set out in full in Part 3 of this document. Your attention is also drawn to the Conditions and further terms of the Acquisition set out in Part 4 of this document and to the further information set out in the other parts of this document which all form part of this explanatory statement.

You should read the whole of this document before deciding whether or not to vote, or procure a vote, in favour of the Scheme at the Court Meeting and the Resolution at the General Meeting.

2. Summary of the terms of the Acquisition

Under the terms of the Scheme, which is subject to the Conditions and other terms set out in Part 4 of this document, each Scheme Shareholder will be entitled to receive:

For each Scheme Share: 305 pence in cash

In addition, the Acquisition allows for the distribution of the Final Dividend.

The terms of the Acquisition (excluding the Final Dividend) value the entire issued and to be issued ordinary share capital of Treated at approximately £183 million and represents a premium of approximately:

- 48 per cent. to the Closing Price per Treated Share of 206 pence on 28 April 2026 (being the last Business Day before the Announcement Date);
- 48 per cent. to the volume-weighted average price of 206 pence per Treated Share for the one-month period ended 28 April 2026 (being the last Business Day before the Announcement Date);
- 47 per cent. to the volume-weighted average price of 208 pence per Treated Share for the three-month period ended 28 April 2026 (being the date of the last Business Day before the Announcement Date); and
- 17 per cent. to Natara's original cash offer dated 8 September 2025 and 5 per cent. to Natara's increased "final" cash offer dated 6 October 2025.

The Döhler Group has a deep understanding of the Treated Group's business, having worked closely with the Treated Group over many years as a strategic supplier and customer, and these insights have allowed the Döhler Group to develop a differentiated perspective on the Company. Whilst the Döhler Group remains supportive of the long term strategy outlined by Treated and recognises the recent steps taken to stabilise the operating performance of the Company, it believes that public markets are unlikely to provide the necessary support to the Company to deliver its strategy due to the public markets' focus on short term performance. Döhler firmly believes that it would be the right partner to unlock the full extent of the Treated Group's growth potential as its support and advanced distribution capabilities will provide the Company with the platform and flexibility to accelerate the execution of its long-term strategic agenda in a privately-owned setting.

The terms of Döhler's proposal represent an attractive value in cash for Treated Shareholders at a substantial premium to the Closing Price as at 28 April 2026 (being the last Business Day before the Announcement Date), and at a time of considerable sector-wide disruption and ongoing geopolitical and macroeconomic uncertainty. For the Treated Group's business, it would unlock opportunities which are not available to the Company in the public markets, fuelled by an enhanced ability to invest in long-term growth, and supported by the Döhler Group's scale and expertise to integrate acquisitions, focus on investing in businesses, and ability to create a leading global ingredients platform.

If any dividend, distribution or other return of capital is announced, declared, made or paid, or becomes payable, in respect of Treated Shares on or after the Announcement Date and before the Effective Date (other than the Final Dividend), Döhler reserves the right to reduce the consideration payable in respect of each Treated Share by the amount of such dividend, distribution or other return of capital. If Döhler makes such a reduction in respect of a dividend, distribution or other return of capital, Treated Shareholders will be entitled to receive and retain that dividend, distribution or other return of capital that is announced, declared, made or paid, and any reference in this document to the consideration payable under the Acquisition will be deemed to be a reference to the consideration as so reduced. If the consideration payable under the terms of the Acquisition is reduced in these circumstances, it will be the subject of an announcement and, for the avoidance of doubt, will not be regarded as constituting any revision or variation of the terms of the Acquisition.

The Acquisition is being effected by means of a Court-sanctioned scheme of arrangement between Treated and the Scheme Shareholders under Part 26 of the Companies Act, although Döhler reserves the right to elect to implement the Acquisition by way of a Takeover Offer, subject to the consent of the Panel (where necessary), and subject to the terms of the Cooperation Agreement.

3. Financial effect of the Acquisition

The Acquisition would result in the earnings, assets and liabilities of the Wider Döhler Group incorporating the consolidated earnings, assets and liabilities of Treated. Döhler's consolidated earnings, assets and liabilities would therefore be altered accordingly.

4. Structure of the Scheme

The Acquisition is being effected by a Court-sanctioned scheme of arrangement between Treatt and the Scheme Shareholders under Part 26 of the Companies Act.

The Scheme is subject to a number of Conditions and further terms which are set out in Part 4 of this document. Subject to the satisfaction or, where applicable, waiver of the Conditions, it is expected that the Scheme will become Effective in Q3 2026.

Implementation of the Scheme will require the approval of Scheme Shareholders at the Court Meeting and the approval of the Resolution by Treatt Shareholders at the General Meeting. The Scheme also requires the sanction of the Court.

The Scheme will become Effective upon the delivery of the Court Order to the Registrar of Companies for registration. Once the Scheme becomes Effective, it will be binding on Treatt and all Scheme Shareholders, including those Scheme Shareholders who did not attend or vote (or procure a vote) at the Court Meeting and/or the General Meeting or who voted (or procured a vote) against the Scheme at the Court Meeting and/or the Resolution at the General Meeting.

The provisions of the Scheme are set out in Part 3 of this document.

5. Financing of the Acquisition

The consideration payable by Döhler under the terms of the Acquisition will be funded from existing cash resources available to Döhler Group SE and Döhler GmbH and transferred to Döhler pursuant to an intragroup loan between Döhler GmbH and Döhler (the “**Döhler Loan**”).

Under the Döhler Loan, Döhler GmbH has made available to Döhler an amount up to £133,467,339.

If Döhler defaults on repayment of the Döhler Loan to Döhler GmbH in accordance with the terms of the intragroup loan agreement dated 27 April 2026 (“**Döhler Loan Agreement**”), Döhler shall pay Döhler GmbH interest on the principal of the outstanding loan amount from time to time, at a rate equal to the Bank of England base lending rate as at the date of the Döhler Loan Agreement. The principal under the Döhler Loan is repayable by Döhler on receipt of written demand from Döhler GmbH. The Döhler Loan is unsecured and does not contain any borrower covenants. The proceeds from the Döhler Loan have been deposited into a GBP-denominated escrow account held with JPMorgan Chase Bank, N.A. (acting through its London branch) (“**JPM**”) as escrow agent pursuant to a cash confirmation escrow agreement entered into between Döhler, Döhler GmbH, BofA and JPM.

BofA Securities, as financial adviser to Döhler, is satisfied that sufficient resources are available to Döhler to satisfy in full the consideration payable pursuant to the terms of the Acquisition.

6. Conditions of the Acquisition

The Acquisition is subject to the Conditions and further terms set out below and in Part 4 of this document, including, among other things:

- (i) the approval of the Scheme by a majority in number of the Scheme Shareholders, representing not less than 75 per cent. in value of the Scheme Shares held by those Scheme Shareholders, present and voting, either in person or by proxy, at the Court Meeting;
- (ii) the passing of the Resolution by the requisite majority of Treatt Shareholders at the General Meeting;
- (iii) the receipt of competition clearances in Austria, Ireland, the United Kingdom and the United States; and
- (iv) the Scheme being sanctioned by the Court and a copy of the Court Order being delivered to the Registrar of Companies.

The Acquisition can only become Effective if all Conditions, including those described above, have been satisfied or, if capable of waiver, waived. If any of the Conditions set out in paragraphs 1 and 2.1(ii), 2.2(ii), and 2.3(ii) of Part A of Part 4 of this document are not capable of being satisfied by the dates specified therein, Döhler shall (without prejudice to its right to invoke other Conditions) make an announcement through a Regulatory Information Service as soon as practicable and, in any event, by no later than 8.00 a.m. on the first Business Day following the date so specified, stating whether Döhler has invoked that Condition, waived the relevant deadline or extended the relevant deadline.

Subject to satisfaction (or waiver, where applicable) of the Conditions, the Scheme is expected to become Effective in Q3 2026.

7. Background to and reasons for the Acquisition

The Döhler Directors believe that the Acquisition has a compelling strategic and financial rationale. Please refer to paragraph 3 of Part 1 of this document, which sets out in detail Döhler's background to and reasons for the Acquisition.

8. Strategic plans and intentions with regard to Treatt and the Enlarged Group

Please refer to paragraph 7 of Part 1 of this document which sets out details of Döhler's intentions for the Treatt Group if the Scheme becomes Effective.

9.2 Information relating to Döhler and Döhler Group SE

Döhler

Döhler is a private limited liability company incorporated under the laws of the Netherlands on 11 July 2017 and is the entity Döhler Group SE will use for the purposes of the Acquisition. Döhler is a wholly-owned indirect subsidiary of Döhler Group SE.

Döhler Group SE

Founded in 1838, Döhler Group SE is the ultimate holding company of the Döhler Group. The Döhler Group is a global producer, marketer and provider of technology-driven natural ingredients, ingredient systems and integrated solutions for the global food, beverage and life science and nutrition industry. The Döhler Group remains committed to focussing on technology and innovation to ensure it meets its customers evolving needs, and continues to look for growth opportunities.

10. Treatt Share Plans

Participants in the Treatt Share Plans will be contacted separately by Treatt and/or Döhler (jointly where appropriate) on, or as soon as reasonably practicable after, the date of posting of this document (or such later date as is agreed with the Panel) regarding the effect of the Scheme on their rights under the Treatt Share Plans, including details of any action they may wish to take in connection with the Acquisition and, where required, Döhler's proposals pursuant to Rule 15 of the Takeover Code.

A summary of the effect of the Scheme on outstanding awards is set out below. In the event of any conflict between the summary set out below and the rules of the relevant Treatt Share Plans, the Treatt Directors' remuneration policy (where applicable) and/or the communications to participants in the Treatt Share Plans regarding the effect of the Scheme on their rights under the Treatt Share Plans and details of the arrangements applicable to them, the rules of the relevant Treatt Share Plan, the Treatt Directors' remuneration policy (where applicable) and the terms of any such communications (as the case may be) will prevail.

The Scheme Record Time will take place after the date that the Court sanctions the Scheme (the "**Court Sanction Date**") to allow those participants in the Treatt Share Plans who acquire Treatt Shares on or before the Court Sanction Date to have those Treatt Shares dealt with through the Scheme. The Scheme will apply to any Treatt Shares which are unconditionally allotted or issued or transferred out of treasury to satisfy the vesting of awards under the Treatt Share Plans before the Scheme Record Time. The Scheme will not extend to Treatt Shares issued or transferred after the Scheme Record Time. Accordingly, it is proposed that the Treatt Articles be amended at the General Meeting to provide that, subject to the Scheme becoming Effective and the proposed amendments to the Treatt Articles being approved at the General Meeting, any Treatt Shares issued or transferred out of treasury to any person on or after the Scheme Record Time (including in satisfaction of the vesting of any award under one of the Treatt Share Plans) will be immediately transferred to, or to the order of, Döhler in exchange for the same consideration as that payable under the Scheme or such other consideration as may be agreed between Döhler and Treatt and disclosed in this document.

Further information in respect of the proposed amendments to the Treatt Articles is contained in the Notice of General Meeting in Part 10 of this document.

10.1 Long-Term Incentive Plans

Treatt's remuneration committee (the "**Treatt RemCo**") will determine whether and the extent to which unvested awards granted under the LTIPs subject to performance conditions will vest on the Court Sanction Date in accordance with the rules of the applicable LTIPs and the terms of the awards, and subject to the terms of the Cooperation Agreement. Pursuant to the Cooperation Agreement, Treatt has agreed that in relation to the determination of the extent to which unvested awards under the LTIP vest as part of the Acquisition, the Treatt RemCo will only exercise its discretion to permit no more than one third of the unvested awards granted in 2026 under the 2024 Long Term Incentive Plan to vest.

Unvested awards granted as restricted stock units to U.S. participants to replicate awards made to UK employees under the Share Incentive Plan have no performance conditions. These awards will vest in full on the Court Sanction Date.

10.2 Deferred Share Bonus Scheme

All nil cost options granted under the Deferred Share Bonus Scheme will vest in full on the Court Sanction Date and shall be deemed to have been exercised immediately after the Court sanctions the Scheme.

10.3 Save As You Earn Share Option Scheme

All outstanding options under the SAYE Scheme will (to the extent not already exercisable) become immediately exercisable on the Court Sanction Date and will be exercisable for a period of 20 days following the Court Sanction Date. After expiry of that 20 day period, any outstanding options under the SAYE Scheme will lapse.

10.4 U.S. Employee Stock Purchase Plan

All outstanding options under the U.S. ESPP will (to the extent not already exercisable) become immediately exercisable on Court sanction of the Scheme. If the options are not exercised on or before the Court Sanction Date, they will lapse.

10.5 Share Incentive Plan

Treatt Shares held in the SIP trust on behalf of participants in the SIP and any unallocated Treatt Shares held in the SIP trust will participate in the Scheme on the same terms as all other Scheme Shares.

11. The Treatt Directors and the effect of the Scheme on their interests

The names of the Treatt Directors and the details of their interests in the share capital of Treatt, including in awards under the Treatt Share Plans, are set out in paragraph 5 of Part 7 of this document, which forms part of this explanatory statement.

Each of the Treatt Directors who holds, controls or is beneficially entitled to Treatt Shares has irrevocably undertaken to vote (or procure the vote) in favour of the Scheme at the Court Meeting and the Resolution at the General Meeting. Further details of these irrevocable undertakings are set out in paragraph 4 of Part 7 of this document.

In common with other participants in the Treatt Share Plans who are not directors of the Company, the Treatt Directors who hold awards under the Treatt Share Plans, will receive Treatt Shares to the extent that such awards vest.

Particulars of the Service Agreement and Letters of Appointment of the Treatt Directors are set out in paragraph 6 of Part 7 of this document. Each of the non-executive members of the Treatt Board, other than Vijay Thakrar, shall resign from their office as Treatt Directors on the Effective Date and be paid in lieu of their contractual notice periods.

As set out in paragraph 7 of Part 1 of this document, it is intended that Vijay Thakrar remain in his role as director and Chair of the Treatt board for up to six months following the Effective Date, on the same terms as his current appointment which Döhler do not expect to change. Döhler has also indicated to Treatt that it intends to ask Christine Sisler and Helga Moelschl to provide consultancy services to the Enlarged Group given their deep sector experience, but there have been no discussions in relation to any such arrangements or potential terms as at the date of this document. A summary of the terms of Vijay Thakrar's letter of appointment is set out at paragraphs 6.2 and 6.3 of Part 7 of this document.

Save as disclosed in this document, the effect of the Scheme on the interests of the Treatt Directors (whether as directors, members, creditors or otherwise) does not differ from the effect of the Scheme on the interests of other persons.

12. The Scheme

12.1 Scheme mechanism

The Scheme is an arrangement made between Treatt and the Scheme Shareholders under Part 26 of the Companies Act, which requires the approval of the Scheme Shareholders and the sanction of the Court. The purpose of the Scheme is to provide for Döhler to become holder of the whole of the issued and to be issued share capital of Treatt.

In order to achieve this, it is proposed that all Scheme Shares will be transferred to Döhler in consideration for which the Scheme Shareholders whose names appear on the register of members of Treatt at the Scheme Record Time will be entitled (subject to certain terms and conditions) to receive cash consideration on the basis set out in paragraph 2 above. Scheme Shareholders holding shares through a nominee, trustee or custodian will receive the consideration due to them from the relevant nominee, trustee or custodian who appears on the register of members of Treatt in accordance with the terms of the relevant arrangement.

Any Treatt Shares which Döhler or any other member of the Döhler Group (or their respective nominees) may hold or acquire before the Court Meeting (and/or the Scheme Record Time) are Excluded Shares and therefore neither Döhler nor any other member of the Döhler Group (or their respective nominees) will be a Scheme Shareholder, nor will they be entitled to vote at the Court Meeting in respect of any Treatt Shares held or acquired by them.

After the Scheme Record Time, entitlements to Scheme Shares held within CREST will be cancelled. Once the Scheme becomes Effective, share certificates in respect of Scheme Shares will cease to be valid and every Scheme Shareholder who holds their Scheme Shares in certificated form shall be bound at the request of Treatt to deliver their share certificate(s) to Treatt (or any person appointed by Treatt to receive the same) or to destroy their share certificate(s).

Any Treatt Shares issued before the Scheme Record Time will be subject to the terms of the Scheme.

It is expected that the Scheme will become Effective in Q3 2026, subject to the satisfaction or (where relevant) waiver of all the relevant Conditions. The Conditions and further terms to the Acquisition are set out in full in Part 4 of this document and the provisions of the Scheme are set out in full in Part 3 of this document. The Scheme will become Effective upon the delivery of the Court Order to the Registrar of Companies for registration.

Upon the Scheme becoming Effective, it shall be binding on Treatt and all Scheme Shareholders, irrespective of whether or not they attended or voted at the Court Meeting and/or the General Meeting or who voted (or procured a vote) against the Scheme at the Court Meeting and/or against the Resolution at the General Meeting.

12.2 The Meetings

Before the Court is asked to sanction the Scheme, the Scheme will require the approval of Scheme Shareholders at the Court Meeting and the passing of the Resolution by Treatt Shareholders at the General Meeting, each of which is to be held at the offices of Ashurst LLP, London Fruit & Wool Exchange, 1 Duval Square, London E1 6PW on 9 June 2026.

Notices of the Court Meeting and the General Meeting are set out in Part 9 and Part 10 of this document, respectively. Entitlements to attend and vote at the Meetings and the number of votes which may be cast at them will be determined by reference to holdings of Treatt Shares as shown in the register of members of Treatt at the time specified in the notice of the relevant Meeting.

The Court Meeting

The Court Meeting, which has been convened for 11.00 a.m. on 9 June 2026 at the offices of Ashurst LLP, London Fruit & Wool Exchange, 1 Duval Square, London E1 6PW, is being held at the order of the Court to seek the approval of Scheme Shareholders to the Scheme.

At the Court Meeting, voting will be by poll and each Scheme Shareholder present in person or by proxy will be entitled to one vote for each Scheme Share held or represented at the Voting Record Time. In order for the Scheme to be approved, it must be approved by a majority in number of Scheme Shareholders representing 75 per cent. or more in value of votes cast by such Scheme Shareholders who are present or represented and vote, whether in person or by proxy, at the Court Meeting (or at any adjournment of any such meeting).

Due to the length of time anticipated to be required to calculate the result of the poll, the result may not be announced at the Court Meeting. The result of the vote at the Court Meeting will be publicly announced by Treatt via a Regulatory Information Service as soon as practicable after it is known and, in any event, by no later than 8.00 a.m. on the first Business Day following the Court Meeting.

Scheme Shareholders have the right to raise any objections they may have to the Scheme at the Court Meeting.

It is important, for the Court Meeting in particular, that as many votes as possible are cast (whether in person or by proxy) in order for the Court to be satisfied that there is a fair representation of Scheme Shareholders' opinion. You are therefore strongly urged to complete, sign and return your Forms of Proxy or to appoint a proxy electronically either through the relevant share portal service, through Proximity or through CREST in accordance with the instructions set out in the "Actions to be taken" section at page 13 of this document as soon as possible.

The General Meeting

The General Meeting has been convened for 11.15 a.m. on 9 June 2026 (or as soon thereafter as the Court Meeting has concluded or been adjourned), at the offices of Ashurst LLP, London Fruit & Wool Exchange, 1 Duval Square, London E1 6PW, to consider and, if thought fit, pass the Resolution to:

- (a) authorise the Treatt Directors to take all actions as they may consider necessary or appropriate to give effect to the Scheme; and
- (b) approve certain amendments to the Treatt Articles to ensure that, subject to the Scheme becoming Effective, any Treatt Shares issued to any person (other than to Döhler or its nominee(s)) at or after the Scheme Record Time will be compulsorily acquired by, or to the order of, Döhler, for the cash consideration (subject to certain terms and conditions) under the Scheme.

The proposed amendments to the Treatt Articles referred to above are set out in full in the notice of the General Meeting in Part 10 of this document.

At the General Meeting, voting will be by way of poll and each Treatt Shareholder present (in person or by proxy) will be entitled to one vote for each Treatt Share held at the Voting Record Time. In order for the Resolution to be passed, it must be approved by votes in favour representing at least 75 per cent. of the votes cast by eligible Treatt Shareholders at the General Meeting.

Due to the length of time anticipated to be required to calculate the result of the poll, the result may not be announced at the General Meeting. The result of the vote at the General Meeting will be publicly announced by Treatt via a Regulatory Information Service as soon as practicable after it is known and, in any event, by no later than 8.00 a.m. on the first Business Day following the General Meeting.

12.3 Entitlement to vote at the Meetings

Each Scheme Shareholder who is entered in Treatt's register of members at the Voting Record Time will be entitled to attend, speak and vote at the Court Meeting. Each Treatt Shareholder who is entered in Treatt's register of members at the Voting Record Time will be entitled to attend, speak and vote at the General Meeting. If either Meeting is adjourned only those Scheme Shareholders or Treatt Shareholders (as the case may be) on the register of members at 6.00 p.m. two Business Days before the date set for the adjourned Meeting(s) will be entitled to attend, speak and vote.

Treatt Shareholders

Treatt Shareholders will find accompanying this document a BLUE Form of Proxy for use in connection with the Court Meeting and a WHITE Form of Proxy for use in connection with the General Meeting. Treatt Shareholders are entitled to appoint a proxy or proxies to attend, speak and vote instead of them. A proxy need not be a Treatt Shareholder. The appointment of a proxy will not preclude Treatt Shareholders from being entitled to attend, speak and vote at the relevant Meeting (or at any adjournment(s) thereof) from doing so in person if they wish. In the event of a poll on which a Scheme Shareholder or Treatt Shareholder votes in person, any proxy votes previously lodged in accordance with the instructions set out herein by such shareholder in respect of the same Treatt Shares for the relevant Meeting will be excluded.

Any Treatt Shareholder holding shares through a nominee, trustee or custodian should contact the nominee, trustee or custodian as deadlines for such shareholders to appoint proxies may be different from those set out below.

A BLUE Form of Proxy for use in respect of the Court Meeting and a WHITE Form of Proxy for use in respect of the General Meeting accompany this document. To be effective, an appointment of proxy must be duly completed and returned using one of the following methods:

- by sending the appropriate completed and signed Form of Proxy (together, if appropriate, with the power of attorney or other written authority under which it is signed or a duly certified copy of such power of attorney or authority) by post to MUFGE Corporate Markets, PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL;
- electronically through the share portal service at <https://www.signalshares.com>;
- in the case of institutional investors, electronically via the Proxymity platform at www.proxymity.io; or
- in the case of CREST members, by utilising the CREST proxy voting service.

In each case, the appointment of a proxy (together with any relevant power of attorney or authority) must be received by Treatt's registrar, MUFU Corporate Markets, (or, in the case of an appointment of a proxy through CREST, in the manner prescribed by CREST) by the following times and dates:

Proxy instructions in relation to the Court Meeting **11.00 a.m. on 5 June 2026**

Proxy instructions in relation to the General Meeting **11.15 a.m. on 5 June 2026**

(or, in the case of an adjourned Meeting, no later than 48 hours prior to the time set for the adjourned Meeting (excluding any part of such 48 hour period falling on a non-working day)).

If the BLUE Form of Proxy for the Court Meeting is not lodged by the deadline referred to above, it may be completed and handed to the Chair of the Court Meeting or a representative of Treatt's registrar, MUFU Corporate Markets, (if attending in person) at the Court Meeting venue before the start of the Court Meeting. However, in respect of the General Meeting, if the WHITE Form of Proxy is not lodged by the deadline referred to above, and in accordance with the instructions on the WHITE Form of Proxy, it will be invalid.

Scheme Shareholders are entitled to appoint a proxy in respect of some or all of their Scheme Shares and are also entitled to appoint more than one proxy. Treatt Shareholders are entitled to appoint a proxy in respect of some or all of their Treatt Shares and are also entitled to appoint more than one proxy.

The completion and return of the Forms of Proxy will not prevent you from attending and voting in person at the Court Meeting or the General Meeting, or any adjournment thereof, should you wish to do so and should you be so entitled.

Further details of the actions to be taken by Treatt Shareholders (including in relation to the appointment of multiple proxies) are set out on pages 13 to 16 of this document.

12.4 Sanction of the Scheme by the Court

As noted above, the Scheme also requires the sanction of the Court. The Sanction Hearing to sanction the Scheme is expected to be held in due course (subject to the availability of the Court and the satisfaction (or, where applicable, waiver) of the Conditions set out in this document (other than the Condition set out in paragraph 2.3 of Part A of Part 4 of this document)).

The Scheme shall lapse if:

- (a) the Court Meeting and the General Meeting are not held on or before 1 July 2026, being the 22nd day after the expected date of such Meetings as set out in this document (or such later date (a) as Döhler and Treatt may agree or (b) (in a competitive situation) as may be specified by Döhler with the consent of the Panel, and, in each case that, if so required, the Court may allow);
- (b) the Sanction Hearing is not held by the 22nd day after the expected date of such hearing to be announced by Treatt (or such later date (a) as Döhler and Treatt may agree or (b) (in a competitive situation) as may be specified by Döhler with the consent of the Panel, and, in each case that, if so required, the Court may allow); or
- (c) the Scheme does not become Effective by 11.59 p.m. (London time) on the Long Stop Date (or such later date as may be agreed between Döhler and Treatt, with the consent of the Panel, and the Court may allow).

All Scheme Shareholders are entitled to attend and be heard at the Sanction Hearing in person or through counsel to support or oppose the sanctioning of the Scheme by the Court.

If the Court sanctions the Scheme, the Scheme will become Effective upon the delivery of the Court Order to the Registrar of Companies for registration. This is presently expected to occur two Business Days after the date of the Sanction Hearing, subject to the satisfaction (or, where applicable, waiver) of the Conditions.

Döhler will instruct counsel to undertake to the Court on Döhler's behalf to consent to and be bound by the Scheme and to execute and do or procure to be executed and done all such documents, acts and things as may be necessary or desirable to be executed or done by it for the purpose of giving effect to the Scheme.

12.5 Modifications to the Scheme

The Scheme contains a provision for Treatt and Döhler to consent jointly on behalf of all persons concerned to any modification of, or addition to, the Scheme or to any condition which the Court may think fit to

approve or impose. The Court would be unlikely to approve of any modification of, or addition to, or impose a condition on, the Scheme which might be material to the interests of Scheme Shareholders unless Scheme Shareholders were informed of any such modification, addition or condition and given the opportunity to vote on that basis. It would be a matter for the Court to decide, in its discretion, whether or not a further meeting of Scheme Shareholders should be held to consider such modification, addition or condition.

Unless otherwise consented to by the Panel, any modification or revision to the Scheme will be made no later than the date which is 14 days prior to the Meetings (or any later date to which such Meetings are adjourned). A switch to a Takeover Offer is not a modification or revision for the purposes of this paragraph.

12.6 Right to switch to a Takeover Offer

Döhler has reserved the right to elect, subject to the consent of the Panel (where necessary) and the written consent of Treatt pursuant to the terms of the Cooperation Agreement and in compliance with the Takeover Code, for the Acquisition to be implemented by way of a Takeover Offer.

In this event, the Takeover Offer will be implemented on the same terms, so far as applicable, as those which would apply to the Scheme subject to appropriate amendments to reflect the change in method of effecting the Acquisition including (without limitation) the inclusion of an acceptance condition set at not more than 90 per cent. of the Treatt Shares to which the Takeover Offer relates, other than in the case of an 'Agreed Switch' in accordance with the terms of the Cooperation Agreement, in which case the acceptance condition would be set at not more than 75 per cent. of the Treatt Shares to which the Takeover Offer relates (notwithstanding that Döhler may reserve the right to waive the acceptance condition to a minimum level of not more than 50 per cent. plus one Treatt Share of the Treatt Shares to which the Takeover Offer relates).

13. Cancellation of admission, and trading in, Treatt Shares and settlement of consideration

13.1 Cancellation of admission, and trading in, Treatt Shares

Official List and Main Market

Prior to the Scheme becoming Effective, applications will be made to the FCA to cancel the admission of the Treatt Shares on the Official List and to the London Stock Exchange to cancel the admission to trading of the Treatt Shares on the Main Market.

It is intended that the last day for dealings in, and registration of transfers of, Treatt Shares (other than the registration of the transfer of the Scheme Shares to Döhler pursuant to the Scheme) will be the Business Day following the date of the Sanction Hearing. No transfers of Treatt Shares will be registered after 6.00 p.m. on that date. It is further intended that prior to the Effective Date requests will be made to the London Stock Exchange for the cancellation of the trading of Treatt Shares on the Main Market and to the Financial Conduct Authority to cancel the listing of Treatt Shares on the Official List, in each case to take effect on or shortly after the Effective Date.

Share certificates in respect of the Scheme Shares will cease to be valid from the Effective Date and should be destroyed or, at the request of Treatt, delivered to Treatt or to any person appointed by Treatt to receive the same. In addition, on or shortly after the Effective Date entitlements to Scheme Shares held within the CREST system will be cancelled.

13.2 Settlement

Subject to the Scheme becoming Effective, settlement of the cash consideration to which any Scheme Shareholder is entitled under the Scheme will be effected no later than 14 days after the Effective Date, in the following manner:

Scheme Shares held in uncertificated form (that is, in CREST)

In the case of Scheme Shareholders who hold Scheme Shares in uncertificated form at the Scheme Record Time, settlement of the cash consideration will be effected through CREST by the creation of an assured payment obligation in favour of the appropriate CREST account through which the relevant Treatt Shareholder holds such uncertificated shares no later than 14 days after the Effective Date (or such other period as may be approved by the Panel).

With effect from the Effective Date, in respect of those Scheme Shareholders holding Scheme Shares in uncertificated or dematerialised form, Euroclear UK shall be instructed to cancel or transfer such holders' entitlements to such Scheme Shares, and following the cancellation of entitlements to Scheme Shares held by Scheme Shareholders in uncertificated or dematerialised form, Treatt shall procure that such entitlements are rematerialised.

Döhler reserves the right to settle all or part of such cash consideration due to any or all Scheme Shareholders who hold Scheme Shares in uncertificated form at the Scheme Record Time in the manner referred to below (i.e. in certificated form) if, for reasons outside its reasonable control, it is not able to effect settlement within the CREST system in accordance with this paragraph or to do so would incur material additional costs.

Scheme Shares in certificated form (that is, not in CREST)

In the case of Scheme Shareholders who hold Scheme Shares in certificated form (that is, not in CREST) at the Scheme Record Time, settlement of the cash consideration due pursuant to the Scheme will be settled as follows:

1. by cheque drawn on a branch of a UK clearing bank, or
2. by such other method as may be approved by the Panel.

Cheques required to be made pursuant to the Scheme shall be effected by sending the same by first class post (or international standard post, if overseas) in prepaid envelopes (or by such other method as may be approved by the Panel) no later than 14 days after the Effective Date (or such other period as may be approved by the Panel) addressed to the person(s) entitled thereto to their address as appearing in the register of members of Treatt as at the Scheme Record Time (or, in the case of joint holders, at the address of that joint holder whose name stands first in the register of members of Treatt in respect of such joint holding) and none of Treatt, Döhler or any person or nominee appointed by Döhler or their respective agents, shall be responsible for any loss or delay in the transmission or delivery of any share certificates and/or cheques sent in this way, which shall be sent at the risk of the persons entitled thereto.

All cheques shall be paid in pounds sterling drawn on a United Kingdom clearing bank and shall be made payable to the Scheme Shareholder entitled to the monies represented thereby and the encashment of any such cheque or, in the case of payments made through CREST, the creation of any assured payment obligation, shall be a complete discharge of Döhler's obligations under the Scheme to pay the monies represented thereby.

On the Effective Date, each certificate representing a holding of Treatt Shares in the name of someone other than Döhler will cease to be valid documents of title. Following settlement of the cash consideration to which Scheme Shareholders are entitled under the Scheme, such Scheme Shareholder will be bound on the request of Treatt to destroy such certificate(s).

General

All documents and remittances sent to Treatt Shareholders will be sent at the risk of the person(s) entitled thereto.

On the Effective Date, each certificate representing a holding of Scheme Shares will cease to be a valid document of title and should be destroyed or, at the request of Treatt, delivered up to Treatt, or to any person appointed by Treatt to receive the same.

Subject to the completion of the relevant forms of transfer or other instruments or instructions of transfer as may be required in accordance with the Scheme and the payment of any UK stamp duty thereon, Treatt shall make or procure to be made, the appropriate entries in its register of members to reflect the transfer of the Scheme Shares to Döhler and/or its nominee(s).

Save with the consent of the Panel, settlement of the consideration to which any Scheme Shareholder is entitled under the Scheme will be implemented in full in accordance with the terms of the Scheme free of any lien, right of set-off, counterclaim or other analogous right to which Döhler might otherwise be, or claim to be, entitled against such Scheme Shareholder.

14. Overseas Shareholders

The release, publication or distribution of this document and any formal documentation relating to the Acquisition in, into or from jurisdictions other than the United Kingdom, and the availability of the Acquisition to Treatt Shareholders who are not resident in the United Kingdom, may be restricted and therefore any persons who are not resident in the United Kingdom or who are subject to the laws of any jurisdiction other than the United Kingdom (including Restricted Jurisdictions) should inform themselves about and observe any applicable legal or regulatory requirements.

In particular, the ability of persons who are not resident in the United Kingdom or who are subject to the laws of another jurisdiction to participate in the Acquisition or to vote their Treatt Shares in respect of the Scheme at the Court Meeting or the Resolution at the General Meeting, or to execute and deliver Forms of Proxy appointing another person to vote at the Court Meeting or the General Meeting on their behalf, may be affected by the laws of the relevant jurisdictions in which they are located or to which they are subject. Any failure to comply with applicable legal or regulatory requirements of any jurisdiction may constitute a violation of the securities laws in that jurisdiction. To the fullest extent permitted by applicable law the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

Unless otherwise determined by Treatt or required by the Takeover Code, and permitted by applicable law and regulation, the Acquisition shall not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Acquisition by any such use, means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this document and any formal documentation relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in or into or from any Restricted Jurisdiction or any jurisdiction where to do so would constitute a violation of the laws of such jurisdiction and persons receiving such documents (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send them in or, into or from any Restricted Jurisdiction. Doing so may render invalid any related purported vote in respect of acceptance of the Acquisition.

If the Acquisition is implemented by way of a Takeover Offer (unless otherwise permitted by applicable law and regulation), the Takeover Offer may not be made directly or indirectly, in or into, or by the use of mails or any means or instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of any Restricted Jurisdiction and the Takeover Offer may not be capable of acceptance by any such use, means, instrumentality or facilities. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

The Acquisition is subject to the applicable requirements of English law, the Takeover Code, the Panel, the London Stock Exchange, the Court and the Financial Conduct Authority.

United States

The Acquisition relates to an offer for the shares of a UK company and is being made by means of a scheme of arrangement provided for under English company law. The Acquisition, to be implemented by way of a scheme of arrangement, is not subject to the tender offer rules or the proxy solicitation rules under the Exchange Act.

Accordingly, the Acquisition is subject to the disclosure and procedural requirements and practices applicable to a scheme of arrangement involving a target company in the UK and admitted to trading on the Main Market of the London Stock Exchange, which differ from the disclosure and procedural requirements of the U.S. tender offer and proxy solicitation rules.

The financial information with respect to Treatt included in this document has been or will have been prepared in accordance with International Financial Reporting Standards (“IFRS”) and thus may not be comparable to the financial information of U.S. companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the U.S.

If in the future, Döhler exercises its right to implement the Acquisition by way of a Takeover Offer and determines to extend the Takeover Offer into the U.S., the Acquisition will be made in compliance with applicable U.S. laws and regulations, including to the extent applicable Section 14(e) of the Exchange Act and Regulation 14E thereunder. Such a Takeover Offer would be made in the U.S. by Döhler and no one else.

In the event that the Acquisition is implemented by way of a Takeover Offer, in accordance with normal UK practice and pursuant to Rule 14e-5(b) under the Exchange Act (if applicable), Döhler or its nominees, or its brokers (acting as agents) may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of Treatt outside of the U.S., other than pursuant to the Takeover Offer, until the date on which the Takeover Offer becomes effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices and would comply with applicable law, including the Exchange Act. Also, in such circumstances, in accordance with Rule 14e-5(b) of the Exchange Act, BofA Securities will continue to act as exempt principal trader in Treatt shares on the London Stock Exchange. Any information about such purchases shall be disclosed as required in the UK, will be reported to a Regulatory Information Service of the London Stock Exchange and will be available on the London Stock Exchange website: www.londonstockexchange.com.

The receipt of cash pursuant to the Scheme by U.S. Shareholders (defined as shareholders who are “U.S. persons” as defined in the U.S. Internal Revenue Code) as consideration for the transfer of its Treatt Shares pursuant to the Scheme may be a taxable transaction for U.S. federal income tax purposes and under applicable U.S. state and local, as well as foreign and other, tax laws. Each Treatt Shareholder (including U.S. Shareholders) is urged to consult their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them.

Neither the SEC nor any U.S. state securities commission has approved, disapproved or passed judgment upon the fairness of the Acquisition or passed upon the adequacy or accuracy of this document. Any representation to the contrary is a criminal offence in the U.S.

Treatt is incorporated under the laws of England and Wales and Döhler is incorporated under the laws of the Netherlands. Some or all of Treatt’s and Döhler’s officers and directors reside outside the U.S., and some or all of their respective assets are or may be located in jurisdictions outside the U.S.. Therefore, investors may have difficulty effecting service of process within the U.S. upon those persons or recovering against Treatt and Döhler or their respective officers or directors on judgments of U.S. courts, including judgments based upon the civil liability provisions of the U.S. federal securities laws. Further, it may be difficult to compel a non-U.S. company and its affiliates to subject themselves to a U.S. court’s judgment. It may not be possible to sue Treatt, Döhler or their respective officers or directors in a non-U.S. court for violations of the U.S. securities laws.

Overseas Shareholders should consult their own legal and tax advisers with respect to the legal and tax consequences of the Scheme.

15. Return of documents of title

If the Scheme is withdrawn or lapses, documents of title submitted and other documents lodged with either Form of Proxy will be returned to the relevant Treatt Shareholder as soon as practicable and in any event within 7 days of such lapse or withdrawal.

16. Taxation

A summary of certain aspects of the United Kingdom taxation regime applicable to the Acquisition is set out in Part 6 of this document. This summary is intended as a general guide only and if you are in any doubt as to your tax position, or if you are subject to taxation in any jurisdiction other than the United Kingdom, you should consult an appropriate independent professional tax adviser.

17. Actions to be taken

Treatt Shareholders – To vote on the Acquisition using the Forms of Proxy

Treatt Shareholders on the register of members should have received the following documents with this document:

- a BLUE Form of Proxy for use in connection with the Court Meeting;

If you have not received these documents, please contact Treatt's registrar, MUFG Corporate Markets, on the helpline number set out on page 16 of this document.

The completion and return of the Forms of Proxy will not prevent you from attending and voting in person at the Court Meeting or the General Meeting, or any adjournment thereof, should you wish to do so and should you be so entitled.

Treatt Shareholders – To vote on the Acquisition electronically

1. Subject to the requirements of the Panel in accordance with the Takeover Code, Döhler reserves the right in its sole discretion to waive, in whole or in part, all or any of the Conditions in Part A of this Part 4, except for Conditions 1 (*Long Stop Date*), 2.1(i), 2.2(i) and 2.3(i) (*Scheme approval*), which cannot be waived. The deadlines in any of Conditions 2.1(ii), 2.2(ii), and 2.3(ii) (*Scheme approval*) may be extended to such later date as Döhler may determine (with the Panel's consent and approval of the Court, if such consent and/or approval is required). If any of Conditions 1 (*Long Stop Date*), 2.1(ii), 2.2(ii), and 2.3(ii) (*Scheme approval*) is not satisfied by the relevant deadline specified in the relevant Condition, Döhler shall make an announcement by 8.00 a.m. on the business day following such deadline confirming whether, subject to paragraph 3 below, it has invoked the relevant Condition, waived the relevant deadline or extended the relevant deadline.
2. Conditions 2.1(i) and 2.2(i) (*Scheme approval*) and 3 (*Official authorisations, regulatory clearances and third party clearances*) to 8 (*Anti-corruption, economic sanctions, criminal property and money laundering*) (inclusive) must be fulfilled, determined by Döhler to remain fulfilled or (if capable of waiver) waived, by no later than 11.59 p.m. on the day before the Sanction Hearing. Döhler shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as satisfied any of Conditions 3 (*Official authorisations, regulatory clearances and third party clearances*) to 8 (*Anti-corruption, economic sanctions, criminal property and money laundering*) (inclusive) by a date or time earlier than the latest date and time specified above for the fulfilment of the relevant Condition notwithstanding that the other Conditions may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.
3. Subject to paragraph 4 below, under Rule 13.5(a) of the Takeover Code, Döhler may only invoke a Condition so as to cause the Acquisition not to proceed, to lapse or to be withdrawn with the consent of the Panel. The Panel will normally only give its consent if the circumstances which give rise to the right to invoke the Condition are of material significance to Döhler in the context of the Acquisition. This will be judged by reference to the facts of each case at the time that the relevant circumstances arise.
4. Each of Conditions 1 (*Long Stop Date*) and 2 (*Scheme approval*) (and any Takeover Offer acceptance condition adopted on the basis specified in Part C of this Part 4) will not be subject to Rule 13.5(a) of the Takeover Code.
5. Any Condition that is subject to Rule 13.5(a) of the Takeover Code may be waived by Döhler.
6. The Acquisition will not become Effective unless the Conditions have been fulfilled or (to the extent capable of waiver) waived or, where appropriate, have been determined by Döhler to be or remain satisfied by no later than the Long Stop Date.
7. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.

Part C

Implementation by way of Takeover Offer

Subject to obtaining the consent of the Panel, and where permitted pursuant to the terms of the Cooperation Agreement (while the Cooperation Agreement is continuing), Döhler reserves the right to elect to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. In such event, such Takeover Offer will be implemented on the same terms and conditions, so far as applicable, as those which would apply to the Scheme subject to appropriate amendments to reflect the change in method of effecting the Takeover Offer, including (without limitation), with the consent of the Panel, the inclusion of an acceptance condition set at 90 per cent. of Treatt Shares to which the Takeover Offer relates, (or such lesser percentage as may be determined by Döhler after consultation with the Panel (if necessary), or as may be required under the terms of the Cooperation Agreement), being in any case more than 50 per cent. of the voting rights normally exercisable at a general meeting of Treatt.

Part D

Certain further terms of the Acquisition

1. If Döhler is required by the Panel to make an offer for Treatt Shares under a mandatory offer for Treatt under Rule 9 of the Takeover Code, Döhler may make such alterations to the above Conditions as are necessary to comply with Rule 9 of the Takeover Code.
2. The availability of the Acquisition to persons not resident in the UK may be affected by the laws of the relevant jurisdiction. Persons who are not resident in the UK should inform themselves about, and observe, any applicable requirements. Treatt Shareholders who are in any doubt about such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay and observe any applicable requirements. Further details in relation to Overseas Shareholders are contained in paragraph 14 of Part 2 of this document.
3. Treatt Shares will be acquired by Döhler fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and any other third party rights or interests whatsoever and together with all rights existing at the Announcement Date or thereafter attaching or accruing thereto, including (without limitation) the right to receive and retain, in full, all dividends and other distributions (if any) declared, made or paid or any other return of capital (whether by way of reduction of share capital, repurchase or redemption or otherwise), if any declared, made or paid by reference to a record date falling on or after the Effective Date.
4. If any dividend, distribution or other return of capital is announced, declared, made or paid in respect of Treatt Shares on or after the Announcement Date and before the Effective Date (other than the Final Dividend), Döhler reserves the right to reduce the consideration payable in respect of each Treatt Share by the amount of all or part of any such dividend, distribution or other return of capital in which case any reference in this document to the consideration payable under the terms of the Acquisition will be deemed to be a reference to the consideration as so reduced. If Döhler exercises this right or Döhler makes such a reduction in respect of a dividend, distribution or other return of capital, Treatt Shareholders will be entitled to receive and retain that dividend, distribution or other return of capital. Any exercise by Döhler of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Acquisition.
5. This document, the Forms of Proxy, and the Acquisition are governed by the laws of England and Wales and be subject to the jurisdiction of the courts of England and Wales. The Acquisition is subject to the Conditions and certain further terms set out in this document and such further terms as may be required to comply with the UK Listing Rules and the provisions of the Takeover Code. The Acquisition will comply with the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange, the Court and the FCA. This document does not constitute, or form part of, an offer or invitation to purchase Treatt Shares or any other securities.

PART 6

TAXATION

This section relates to United Kingdom tax considerations relevant to the Scheme and does not address the tax considerations relevant to the receipt of dividends on the Scheme Shares.

UK Taxation

The following paragraphs, which are intended as a general guide only and not a substitute for detailed tax advice, are based on current United Kingdom tax legislation and what is understood to be the current practice of HMRC as at the last practicable date prior to publication of this document which may or may not be binding on HMRC, both of which may change, possibly with retroactive effect.

They summarise certain limited aspects of the United Kingdom tax consequences for Scheme Shareholders of the implementation of the Scheme and do not purport to be a complete analysis of all tax considerations relating to the Scheme. They apply only to Scheme Shareholders who are resident for tax purposes in (and only in) the United Kingdom, and in the case of individual Scheme Shareholders, who have not claimed the remittance basis of taxation for periods prior to 6 April 2025 nor who have claimed relief under the four-year foreign income and gains regime introduced from 6 April 2025, and to whom “split year” treatment does not apply. They relate only to Scheme Shareholders who hold their Scheme Shares as an investment (other than under a self-invested personal pension plan or in an individual savings account), and who are the absolute beneficial owners of the Scheme Shares.

The tax position of certain categories of Scheme Shareholders who are subject to special rules (such as charities, persons who have or could be treated for tax purposes as having acquired their Scheme Shares in connection with their employment, persons holding their Scheme Shares for the purposes of a trade, market makers, brokers, dealers in securities, intermediaries and persons connected with depositary arrangements or clearance services, insurance companies and collective investment schemes) is not considered.

Scheme Shareholders who are in any doubt as to their tax position or who may be subject to tax in a jurisdiction other than the United Kingdom are strongly recommended to consult their own professional advisers immediately.

UK taxation on chargeable gains

Liability to UK tax on chargeable gains will depend on the individual circumstances of each Scheme Shareholder and whether the Scheme Shareholder is an individual or corporate Scheme Shareholder.

Scheme Shareholders whose Scheme Shares are transferred pursuant to the Scheme will be treated as making a disposal of their Scheme Shares for the purposes of UK capital gains tax or corporation tax on chargeable gains (as applicable) as a result of the Acquisition. This disposal may, depending upon the Scheme Shareholder’s circumstances (including the Scheme Shareholder’s base cost in their holding of the Scheme Shares) and subject to any available exemption or relief (such as the annual exempt amount for individuals and/or allowable losses), give rise to a chargeable gain or an allowable loss for the purposes of UK taxation of corporation tax on chargeable gains or capital gains (as appropriate).

CGT – individual Scheme Shareholders

Subject to available exemptions, reliefs or allowances, chargeable gains arising on a disposal of Scheme Shares by an individual Scheme Shareholder will be subject to UK CGT at the rate of 18 per cent. or 24 per cent. (for the 2026/27 tax year) depending on the individual’s personal circumstances, including the total amount of the individual’s other taxable income and/or chargeable gains in the relevant tax year.

The UK CGT annual exempt amount (which is £3,000 for the 2026/27 tax year) may be available to individual Scheme Shareholders to offset against chargeable gains realised on the disposal of their Scheme Shares (to the extent the annual exempt amount is not otherwise utilised).

No indexation allowance will be available to an individual Scheme Shareholder in respect of the disposal of their Scheme Shares.

Corporation tax on chargeable gains – corporate Scheme Shareholders

Subject to available exemptions, reliefs or allowances, chargeable gains arising on a disposal of Scheme Shares by a Scheme Shareholder within the charge to UK corporation tax will be subject to UK corporation tax at the rate applicable to that Scheme Shareholder (which, for the 2026/27 tax year, is 25 per cent. for

companies with profits in excess of £250,000 (the “**main rate**”) or 19 per cent. for companies with profits of £50,000 or less, with marginal relief from the main rate available to companies with profits between £50,000 and £250,000, subject to meeting certain criteria).

The substantial shareholding exemption may apply to exempt from corporation tax any gain arising to Scheme Shareholders within the charge to UK corporation tax where a number of conditions are satisfied, including that the corporate UK Scheme Shareholder (either itself or together with certain associated companies) has held not less than 10 per cent. of the issued ordinary share capital of Treatt for a continuous period of at least one year beginning not more than six years prior to the date of disposal.

For UK Scheme Shareholders within the charge to UK corporation tax (but which do not qualify for the substantial shareholding exemption in respect of their Scheme Shares), Scheme Shareholders within the charge to UK corporation tax on chargeable gains may benefit from indexation allowance (but this allowance will not create or increase an allowable loss). Indexation allowance was frozen as at 31 December 2017 and no longer accrues past this date. Therefore, for chargeable assets disposed of on or after 1 January 2018 by companies within the charge to UK corporation tax on chargeable gains, indexation allowance will only be calculated up to 31 December 2017. If Scheme Shares were acquired by a company within the charge to UK corporation tax on chargeable gains after 31 December 2017, indexation allowance will not be available.

United Kingdom stamp duty and stamp duty reserve tax (“SDRT”)

No UK stamp duty or SDRT should be payable by Scheme Shareholders on the Acquisition.

6. **Director’s Service Agreement and Letters of Appointment of Treatt Directors**

Service Agreement

6.1 The principal terms of Manprit Randhawa’s service agreement are as follows:

Manprit Randhawa entered into a director’s service agreement on 11 February 2026 in relation to his appointment to the role of Interim Group Managing Director and Chief Financial Officer (the “**Service Agreement**”). His employment under the Service Agreement commenced on 11 February 2026, although, for the purpose of his continuous employment, his employment commenced on 8 September 2025. His employment will continue until terminated by either party giving the other not less than 12 months’ prior notice in writing.

Treatt may, upon notice, terminate the employment at any time with immediate effect, and, in such circumstances, must pay Manprit a sum in lieu of his notice. Such sum shall be calculated as an amount equal to the basic salary (as at the date of termination) that he would have been entitled to receive under the Service Agreement during the notice period (or, if notice has already been given, during the remainder of the notice period) less income tax and National Insurance contributions.

Treatt may also terminate the employment at any time with immediate effect without notice and with no liability to make any further payment to Manprit (other than in respect of amounts accrued due at the date of termination) under certain circumstances which include, where Manprit is, in the reasonable opinion of the Treatt Board, negligent and incompetent in the performance of his duties.

Manprit’s annual base salary is £290,000 (inclusive of any fees due to him by the Treatt Group as an officer of any Treatt Group). Manprit’s salary is subject to review annually by the Treatt remuneration committee. In addition to the base salary, Manprit shall be paid an additional sum of £40,000 per annum for the duration of the period commencing on 11 February 2026 to the earlier of (i) Treatt appointing a Chief Executive Officer and such appointment coming into effect or (ii) the Board of Treatt determining that Manprit should revert to the sole role of Chief Financial Officer.

Manprit is also entitled to reimbursement for all reasonable expenses properly incurred in the course of his appointment. Treatt’s remuneration committee may entirely at its discretion introduce from time to time a bonus scheme applicable to Manprit’s job role. Treatt’s remuneration committee has the right to alter the terms of any bonus targets or withdraw them altogether at any time.

Manprit is also entitled to participate in the Treatt Share Plans. Details of the Treatt Share Plans that Manprit participates in are provided in paragraph 5 of Part 7 of this document, and any rights which he may have under the share schemes are exclusively governed by the rules of such plans.

Manprit is entitled to pension contributions during each year of his appointment from Treatt equal to 9 per cent. of his salary on a monthly basis.

Manprit is eligible to receive additional benefits pursuant to his service contract such as, private medical insurance, a car allowance, life insurance cover, and 25 days' paid holiday (in addition to the usual public holidays in England and Wales).

Manprit is subject to a suite of post-termination restrictive covenants (including a non-compete restriction), applying for a period of 12 months from the date of termination of his employment less any period spent on garden leave immediately before the termination.

8. Offer-related arrangements

8.1 Confidentiality Agreement

Döhler Group SE and Treatt entered into a confidentiality and standstill agreement dated 5 April 2026 (the “**Confidentiality Agreement**”) pursuant to which Döhler Group SE has undertaken to: (i) keep certain information relating to, *inter alia*, the Acquisition and Treatt confidential and not to disclose it to third parties (other than to certain permitted parties) unless required by law or regulations; and (ii) use the confidential information only in connection with the Acquisition.

The confidentiality obligations under the Confidentiality Agreement shall terminate on the earlier of: (i) two years from the date of the Confidentiality Agreement, and (ii) the date of completion of the Acquisition. The Confidentiality Agreement also contains customary non-solicit and standstill provisions, applicable for 12 months in each case, in each case subject to customary carve-outs. The standstill provisions ceased to apply upon the release of the Announcement.

8.2 Clean Team Agreement

Treatt and Döhler Group SE entered into a clean team agreement on 10 April 2026 (the “**Clean Team Agreement**”), which sets out, among other things, how confidential information that is competitively sensitive can be disclosed, used or shared between Döhler Group SE’s clean team individuals and/or external advisers retained by Döhler Group SE and Treatt’s clean team individuals and/or external advisers retained by Treatt.

8.3 Confidentiality and Joint Defence Agreement

Treatt, Döhler Group SE and their respective external legal counsels have entered into a joint defence agreement dated 21 April 2026 (the “**Confidentiality and Joint Defence Agreement**”), the purpose of which is to ensure that the exchange and/or disclosure of certain commercially sensitive materials relating to the parties takes place only between their respective external legal counsels and external experts, and does not diminish in any way the confidentiality of such materials and does not result in a waiver of privilege, attorney work product doctrine, right or immunity that might otherwise be available.

8.4 Cooperation Agreement

Döhler, Döhler Group SE and Treatt have entered into a cooperation agreement dated 29 April 2026 (the “**Cooperation Agreement**”), pursuant to which: (i) Döhler and Döhler Group SE have agreed to use all reasonable efforts, and procure that the Döhler Group uses all reasonable efforts, to ensure that the Regulatory Conditions are satisfied as soon as practicable and, in any event, in sufficient time to enable the Effective Date to occur on or before the Long Stop Date; and (ii) Döhler, Döhler Group SE and Treatt have agreed to certain undertakings to co-operate and provide each other with information, assistance and access in relation to the regulatory clearances and authorisations necessary to satisfy the Regulatory Conditions.

The Cooperation Agreement will terminate if: (i) Döhler, Döhler Group SE and Treatt so agree in writing at any time prior to the Effective Date; (ii) the Acquisition, with the permission of the Panel, is withdrawn or lapses in accordance with its terms (other than in certain limited circumstances) on or before the Long Stop Date; (iii) an offer by a third party for all or a majority of the issued and to be issued share capital of Treatt or all or a majority of its business and assets completes, becomes effective or is declared or becomes

unconditional; or (iv) unless otherwise agreed by Döhler, Döhler Group SE and Treatt in writing or required by the Panel, the Effective Date has not occurred on or before Long Stop Date.

Döhler also has the right to terminate the Cooperation Agreement upon written notice to Treatt if (other than in certain limited circumstances) any of the following occurs (each being a “**Treatt Board Adverse Recommendation Change**”): (i) the Independent Directors withdraw, adversely modify or adversely qualify their unanimous, unqualified and unconditional recommendation to Treatt Shareholders to vote in favour of the Scheme at the Court Meeting and the Resolution to be proposed at the General Meeting (or, if Döhler elects to proceed with a Takeover Offer, to accept such Takeover Offer) or makes an announcement that it intends to do so; (ii) such recommendation is not included in the Scheme Document or (if different) the document convening the General Meeting, when published; (iii) Treatt makes an announcement prior to publishing the Scheme Document or (if different) the document convening the General Meeting that: (A) the Independent Directors no longer intend unanimously to recommend the Acquisition or intend to adversely modify or qualify their recommendation; (B) it shall not convene the Court Meeting or General Meeting; or (C) it intends not to post the Scheme Document or (if different) the document convening the General Meeting, in each case without the consent of Döhler; (iv) a third party makes an announcement pursuant to Rule 2.7 of the Takeover Code in respect of an offer for all or part of the issued and to be issued share capital of Treatt which is recommended unanimously by the Independent Directors; or (v) after the Scheme has been approved by Treatt Shareholders at the Court Meeting and the General Meeting, the Independent Directors announce that Treatt shall not convene the Sanction Hearing and/or implement the Scheme (other than: (A) in connection with an announcement of a revised offer by Döhler for Treatt; (B) where Döhler elects to proceed with a Takeover Offer; or (C) because a Condition has become incapable of fulfilment or satisfaction and Döhler has stated that it will not waive such a Condition).

Either Döhler, Döhler Group SE or Treatt may terminate the Cooperation Agreement by written notice if, where Döhler has not elected, in accordance with the Cooperation Agreement, to implement the Acquisition by way of a Takeover Offer instead of the Scheme: (i) the Court Meeting and/or the General Meeting is not held on or before the 22nd day after the expected date of the Court Meeting to be set out in the Scheme Document (or such later date as (A) may be agreed by Döhler, Döhler Group SE and Treatt, or (B) in a competitive situation, as may be specified by Döhler with the consent of the Panel (and, in each case, if required, with the approval of the Court, if such approval is required)); (ii) the Scheme and/or the Resolution are not approved by the requisite majority of Treatt Shareholders at the Court Meeting and/or the General Meeting; or (iii) the Scheme is not sanctioned at the Sanction Hearing.

The Cooperation Agreement also records Döhler, Döhler Group SE and Treatt’s intentions as at the date of the Cooperation Agreement to implement the Acquisition by way of the Scheme, subject to Döhler having the right to implement the Acquisition by way of a Takeover Offer (with the consent of the Panel) if (i) Treatt provides its prior written consent, (ii) a third party announces a firm intention to make an offer for Treatt, or (iii) a Treatt Board Adverse Recommendation Change occurs. Döhler, Döhler Group SE and Treatt have agreed to certain customary provisions if the Scheme should switch to a Takeover Offer with the prior written agreement of Treatt.

The Cooperation Agreement also contains provisions that shall apply in respect of directors’ and officers’ insurance, employee related matters (including agreement by Döhler to offer employees of the Treatt Group minimum severance benefits in specified circumstances following the Effective Date, and an acknowledgement by Döhler of Treatt’s intention to make payments in lieu of notice to any non-executive director of Treatt who resigns in connection with the Acquisition) and the Treatt Share Plans.

9. Material contracts of Treatt

Save as disclosed in paragraph 8 of Part 7 and below, Treatt has not during the period beginning on 29 April 2024 (being two years before the commencement of the Offer Period) and ending on the Latest Practicable Date, entered into any material contract otherwise than in the ordinary course of business.

The following contracts, not being contracts entered into in the ordinary course of business and which are or may be material, have been entered into by Treatt in the period beginning on 29 April 2024 and ending on the Latest Practicable Date:

Relationship Agreement

On 19 January 2026, Treatt and Döhler entered into a relationship agreement (the “**Relationship Agreement**”) to regulate the ongoing relationship between them and to ensure that, among other things, Treatt will be able to operate its business independently of Döhler.

Pursuant to the Relationship Agreement, Döhler has provided customary undertakings including that it will conduct all transactions and relationships with any member of the Treatt Group at arm's length and on normal commercial terms. Döhler has also agreed that it will take any action or not propose any shareholder resolution of Treatt that would prevent the Treatt from complying with its obligations under the UK Listing Rules and other applicable regulatory requirements. The Relationship Agreement also contains customary provisions governing the protection of confidential information shared by Treatt with Döhler.

For the duration of the Relationship Agreement, Döhler is entitled to nominate an individual to be appointed as a director of Treatt (the "**Nominated Director**"), subject to prior consultation with the board of Treatt, the completion of customary due diligence and provided the relevant candidate fits the skills and experience profile required by the board of Treatt at the relevant time. Pursuant to the terms of the Relationship Agreement, Helga Moelschl has been appointed as the first Nominated Director.

The Relationship Agreement will terminate automatically upon Döhler (together with its associates) ceasing to hold at least 25 per cent. of Treatt's shares or voting rights; or upon the Treatt's shares ceasing to be listed on the Official List and traded on the main market or another recognised UK exchange.

Rolling Credit Facility Amendment

On 31 March 2023, a subsidiary of Treatt, Treatt USA, Inc. ("**Treatt USA**") entered into a fourth amended and restated revolving credit and security agreement ("**RCF**"), governed by the laws of the state of Florida, with Bank of America, N.A. ("**BANA**"). Pursuant to the terms of the RCF:

- BANA made available to Treatt USA a revolving line of credit up to \$25 million (subject to an uncommitted increase amount of up to \$10 million) for the period initially ending 31 July 2026 ("**RCF Expiration Date**");
- the interest rate was 1.55 per cent. over the BSBY Daily Floating Rate per annum ("**RCF Interest Rate**"); and
- Treatt USA agreed to pay a fee 0.15% per annum on the unused part on the revolving credit facility, payable on 30 June 2023 and on the last day of each following quarter until the expiration of the availability period ("**Unused Commitment Fee**").

On 30 January 2026, Treatt USA and BANA entered into an amendment agreement pursuant to which certain terms of the RCF were amended ("**RCF Amendment Agreement**"). Under the RCF Amendment Agreement, the RCF was amended as follows:

- the RCF Expiration Date was extended to 31 July 2027;
- commencing 1 February 2026 and continuing for the remainder of the availability period, the RCF Interest Rate per annum was amended so that it is now equal to the sum of the greater of the Term SOFR Daily Floating Rate or the Index Floor, plus 1.55 per cent; and
- commencing 1 February 2026, the Unused Commitment Fee increased to 0.25% per annum. The first fee was due on 31 March 2026 and subsequent fees will fall due on the last day of each following quarter until the expiration of the availability period.

The representations and warranties and conditions in the RCF Amendment Agreement are typical for this type of agreement.

PART 9

NOTICE OF COURT MEETING

IN THE HIGH COURT OF JUSTICE
BUSINESS AND PROPERTY COURTS
OF ENGLAND AND WALES COMPANIES
COURT (ChD)

CR-2026-002944

IN THE MATTER OF TREATT PLC

and

IN THE MATTER OF THE COMPANIES ACT 2006

NOTICE IS HEREBY GIVEN that, by an order of the Court dated 11 May 2026 made in the above matters, the Court has given permission for a meeting (the “**Court Meeting**”) to be convened of the Scheme Shareholders as at the Voting Record Time (each as defined in the Scheme (defined below)) for the purpose of considering and, if thought fit, approving (with or without modification) a scheme of arrangement proposed to be made pursuant to Part 26 of the Companies Act 2006 (the “**Companies Act**”) between Treatt PLC (the “**Company**” or “**Treatt**”) and the Scheme Shareholders (the “**Scheme**”) and that such Court Meeting will be held at the offices of Ashurst LLP, London Fruit & Wool Exchange, 1 Duval Square, London E1 6PW on 9 June 2026 at 11.00 a.m. (London time) at which place and time all Scheme Shareholders are requested to attend.

A copy of the Scheme and a copy of the explanatory statement required to be published pursuant to section 897 of the Companies Act are incorporated in the document of which this Notice of Court Meeting forms part. Unless the context requires otherwise, words and expressions defined in the Scheme shall have the same meaning in this Notice of Court Meeting.

Voting on the resolution at the Court Meeting to approve the Scheme will be conducted by way of a poll, which shall be conducted as the Chair of the Court Meeting may determine.

Scheme Shareholders (as defined in the Scheme) may attend and vote in person at the Court Meeting or they may appoint another person as their proxy, to attend, speak and vote in their place. A proxy need not be a member of the Company.

Scheme Shareholders are strongly encouraged to submit proxy appointments and instructions for the Court Meeting as soon as possible using any of the methods (by post, by hand, online or through CREST or Proximity) set out below. Scheme Shareholders are also strongly encouraged to appoint the Chair of the Court Meeting as their proxy. Any other person appointed as proxy will be able to attend, speak and vote at the Court Meeting.

Any Scheme Shareholder holding shares through a nominee, trustee or custodian should contact the nominee, trustee or custodian as deadlines for such shareholders to appoint proxies may be different from those set out below.

Voting Record Time

Entitlement to attend, speak and vote (including by proxy) at the Court Meeting and the number of votes which may be cast thereat will be determined by reference to the register of members of the Company as at 6.00 p.m. on 5 June 2026 or if the Court Meeting is adjourned, 6.00 p.m. on the date which is two Business Days before the date fixed for the holding of the adjourned Meeting. In each case, changes to the register of members of the Company after such time will be disregarded in determining the rights of any person to attend, speak or vote at the Court Meeting, or at any adjournment thereof.

Scheme Shareholders – To vote on the Acquisition using the Forms of Proxy

A BLUE Form of Proxy for use in connection with the Court Meeting is enclosed with this Notice of Court Meeting. Instructions for its use are set out on the form. The completion and return of a BLUE Form of Proxy, or the appointment of proxies through CREST or Proximity or online through the share portal

service or by any other procedure described in this notice or set out in the BLUE Form of Proxy, will not preclude a Scheme Shareholder from attending and voting in person at the Court Meeting, or any adjournment thereof.

Scheme Shareholders are entitled to appoint more than one proxy in respect of some or all of their Scheme Shares, provided that each proxy is appointed to exercise rights attached to different shares. Scheme Shareholders may not appoint more than one proxy to exercise rights attached to one Scheme Share. A space has been included in the BLUE Form of Proxy to allow Scheme Shareholders entitled to attend and vote at the Court Meeting to specify the number of Scheme Shares in respect of which that proxy is appointed. Scheme Shareholders who return a BLUE Form of Proxy duly executed but leave this space blank will be deemed to have appointed the proxy in respect of all of their holding of Scheme Shares.

Scheme Shareholders who wish to appoint more than one proxy in respect of their shareholding should contact the Company's registrar, MUFG Corporate Markets on 0371 664 0321 (or +44 (0) 371 664 0321 if calling from outside the United Kingdom). Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 9.00 a.m. and 5.30 p.m., Monday to Friday (excluding public holidays in England and Wales) or by email shareholderenquiries@cm.mpms.mufg.com, for further BLUE Forms of Proxy or photocopy the BLUE Form of Proxy as required. Scheme Shareholders who wish to appoint more than one proxy in respect of their shareholding should also read the BLUE Form of Proxy in respect of the appointment of multiple proxies and the "Actions to be taken" section at pages 13 to 16 of the document of which this notice forms part for further details of the principles the Company will apply in cases where multiple proxy appointments are made.

In the case of joint holders of Scheme Shares and where more than one joint holder seeks to vote, the vote of the joint holder whose name stands first in the register of members in respect of the joint holding shall be accepted to the exclusion of the votes of the other joint holders (but, for the avoidance of doubt, any joint holder shall be permitted to vote (whether in person or by proxy) in respect of the relevant joint holding).

It is requested that the BLUE Form of Proxy enclosed with this notice for use in connection with the Court Meeting (together with any power of attorney or other authority under which it is signed, or a duly certified copy of such power of attorney) be returned to the Company's registrar, MUFG Corporate Markets, PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL either by post or (during normal business hours only) by hand, as soon as possible and, in any event, so as to be received by no later than 11.00 a.m. on 5 June 2026 (or, if the Court Meeting is adjourned, by no later than 48 hours before the time fixed for the holding of the adjourned Court Meeting (excluding any part of such 48 hour period falling on a non-working day)). However, if the BLUE Form of Proxy is not so returned, a copy of the completed and signed BLUE Form of Proxy may be handed, before the start of the Court Meeting (at the Court Meeting venue): (i) to a representative of the Company's registrar, MUFG Corporate Markets, on behalf of the Chair; or (ii) to the Chair of the Court Meeting, and will still be valid.

Scheme Shareholders – To vote on the Acquisition electronically

As an alternative to completing and returning the enclosed BLUE Form of Proxy, you can also appoint a proxy electronically through a share portal service at <https://www.signalshares.com>. To do so, you will need to log on to your share portal account or register for the share portal if you have not already done so. You will be prompted to enter your investor code ("IVC"). This can be found on the BLUE Form of Proxy. Once registered, you will be able to vote. Proxies submitted via the share portal service must be received by Treatt's registrar, MUFG Corporate Markets, by no later than 11.00 a.m. on 5 June 2026 (or, if the Court Meeting is adjourned, by no later than 48 hours before the time fixed for the holding of the adjourned Court Meeting (excluding any part of such 48 hour period falling on a non-working day)). Full details of the procedure to be followed to appoint a proxy online are given on the website above.

The proxy appointment via the share portal will not prevent you from attending and voting in person at the Court Meeting, or any adjournment thereof, should you wish to do so and should you be so entitled.

Scheme Shareholders – To vote on the Acquisition electronically using a proxy appointment through CREST

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual and by logging on to the website www.euroclear.com. CREST personal members or other CREST sponsored members, and those

CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

To appoint one or more proxies or to give an instruction to a proxy (whether previously appointed or otherwise) via the CREST system, CREST messages must be properly authenticated in accordance with Euroclear UK & International Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's registrar, MUFG Corporate Markets (Participant ID RA10) by no later than 11.00 a.m. on 5 June 2026 (or, if the Court Meeting is adjourned, by no later than 48 hours before the time fixed for the holding of the adjourned Court Meeting (excluding any part of such 48 hour period falling on a non-working day)). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp generated by the CREST system) from which the Company's agent is able to retrieve the message.

CREST members and, where applicable, their CREST sponsors or voting service provider(s), should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed any voting service provider(s), to procure that their CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a proxy appointment sent by CREST in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Scheme Shareholders – To vote on the Acquisition electronically using a proxy appointment through Proximity

If you are a Scheme Shareholder and an institutional investor, you may be able to appoint a proxy electronically via the Proximity platform. For further information regarding Proximity, please go to www.proximity.io. Your proxy must be lodged by no later than 11.00 a.m. on 5 June 2026 (or, if the Court Meeting is adjourned, by no later than 48 hours before the time fixed for the holding of the adjourned Court Meeting (excluding any part of such 48 hour period falling on a non-working day)) in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proximity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proximity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote.

Corporate representatives

A corporation which is a shareholder can, by resolution of its directors or other governing body, appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a member (other than to appoint a proxy) provided that no more than one corporate representative exercises powers over the same share.

By the said order, the Court has appointed Vijay Thakrar or, failing him, any Independent Director of the Company to act as Chair of the Court Meeting and has directed the Chair of the Court Meeting to report the result of the Court Meeting to the Court.

The said Scheme will be subject to the subsequent sanction of the Court.

- (b) with effect from the passing of this resolution, the articles of association of the Company be and are hereby amended by the adoption and inclusion of the following new article 39:

“39 Scheme of Arrangement

- A. In this article 39, references to the “Scheme” are to the scheme of arrangement under Part 26 of the Companies Act between the Company and the Scheme Shareholders (as defined in the Scheme) dated 12 May 2026, with or subject to any modification, addition or condition approved or imposed by the High Court of Justice in England and Wales (the “**Court**”) and agreed by the Company and Döhler Finance Management B.V. (“**Döhler**”) and (save as defined in this article 39) expressions defined in the Scheme shall have the same meanings in this article 39.
- B. Notwithstanding any other provision of these articles or the terms of any resolution whether ordinary or special passed by the Company in a general meeting, if the Company issues or transfers out of treasury any shares (other than to Döhler, any member of the Döhler Group or Döhler’s nominee(s)) on or after the adoption of this article 39 and at or prior to the Scheme Record Time, such shares shall be issued or transferred subject to the terms of the Scheme (and shall be Scheme Shares for the purposes thereof) and the original or any subsequent holder or holders of such shares shall be bound by the Scheme accordingly.
- C. Notwithstanding any other provision of these articles, the Company is prohibited from issuing shares or transferring shares out of treasury to any person between the Scheme Record Time and the Effective Date.
- D. - E. Following any reorganisation of, or material alteration to, the share capital of the Company (including, without limitation, any subdivision, consolidation or reduction) effected after the Effective Date, the value of the consideration for each Disposal Share to be paid under article 39 may be adjusted by the auditors of the Company in such manner as they shall determine to be appropriate to reflect such reorganisation or alteration. References in this article 39 to such shares shall, following such a reorganisation or alteration, be construed accordingly.

If an attorney or agent is so appointed, the New Member (or any subsequent holder or any nominee of such New Member or any such subsequent holder) shall not thereafter (except to the extent that the attorney or agent fails to act in accordance with the directions of the Purchaser) be entitled to exercise any rights attaching to the Disposal Shares unless so agreed by the Purchaser. The Company shall not be obliged to issue a certificate to the New Member for the Disposal Shares. The Purchaser shall settle or procure the settlement of the consideration due to the New Member pursuant to article 39(D) above by sending a cheque drawn on a UK clearing bank in favour of the New Member (or any subsequent holder), or any alternative method communicated by the Purchaser to the New Member (or any subsequent holder) for the purchase price of such Disposal Shares within 14 days of the date on which the Disposal Shares are issued or transferred to the New Member in the manner in which such New Member would have been entitled to receive the same had the Disposal Shares been Scheme Shares.
- G. Notwithstanding any other provision of these articles, the Company and the Directors shall refuse to register the transfer of any shares effected between the Scheme Record Time and the Effective Date other than to the Purchaser and/or its nominee(s) pursuant to the Scheme.

- H. If the Scheme shall not have become Effective by the Long Stop Date of the Scheme (or such later date, if any, as the Company and the Purchaser may agree, with the consent of the Panel on Takeovers and Mergers and as the Court may allow), this article 39 shall cease to be of any effect.”

Notes:

1. Treatt Shareholders are strongly encouraged to submit proxy appointments and instructions for the General Meeting as soon as possible, using any of the methods (by post, by hand, online or through CREST or Proxymity) set out below. Treatt Shareholders are also strongly encouraged to appoint the Chair of the General Meeting as their proxy. Any other person appointed as proxy will be able to attend, speak and vote at the General Meeting. Any Treatt Shareholder holding shares through a nominee, trustee or custodian should contact the nominee, trustee or custodian as deadlines for such shareholders to appoint proxies may be different from those set out below.
2. A member who is entitled to attend, speak and vote at the meeting is entitled to appoint one or more proxies to attend, speak and vote instead of him, her or it. More than one proxy may be appointed provided each party is appointed to exercise the rights attached to different shares. A proxy need not be a member of the Company.
3. A WHITE Form of Proxy is enclosed for use in connection with the General Meeting. The WHITE Form of Proxy should be completed and sent, together with the power of attorney or other authority (if any) under which it is signed, or a duly certified copy of such power or authority, so as to reach MUFG Corporate Markets, PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL not later than 11.15 a.m. on 5 June 2026 (or, in the case of any adjournment, no later than 48 hours prior to the time of the adjourned General Meeting (excluding any part of such 48 hour period falling on a non-working day)). If you have not received a WHITE Form of Proxy and believe that you should have one, or if you require additional proxy forms, please contact MUFG Corporate Markets, at shareholderenquiries@cm.mpms.mufg or on 0371 664 0321 or from overseas +44 (0) 371 664 0321. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 9.00 a.m. and 5.30 p.m., Monday to Friday excluding public holidays in England and Wales.
4. Members who wish to appoint a proxy online should visit <https://www.signalshares.com> and follow the instructions. Further information is also included on the WHITE Form of Proxy. To be valid, an electronic proxy appointment must be transmitted so as to be received by MUFG Corporate Markets by no later than 11.15 a.m. on 5 June 2026 (or, if the General Meeting is adjourned, by no later than 48 hours before the time fixed for the holding of the adjourned General Meeting (excluding any part of such 48 hour period falling on a non-working day)).
5. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual and by logging on to the website www.euroclear.com. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
6. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a “**CREST Proxy Instruction**”) must be properly authenticated in accordance with Euroclear UK & International Limited’s specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company’s registrar, MUFG Corporate Markets (Participant ID RA10) by no later than 11.15 a.m. on 5 June 2026 (or, if the General Meeting is adjourned, by no later than 48 hours before the time of the adjourned General Meeting (excluding any part of such 48 hour period falling on a non-working day)). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST application host) from which the Company’s registrar is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
7. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that their CREST sponsor or voting service provider(s) take(s))

such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

8. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
9. If you are a Scheme Shareholder and an institutional investor, you may be able to appoint a proxy electronically via the Proxymity platform. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by no later than 48 hours (excluding any part of such 48 hour period falling on a non-working day) before the time fixed for the relevant Meeting or any adjournment thereof in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proxymity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote.
10. A member may withhold from voting. However, it should be noted that a "vote withheld" is not a vote in law and will not be counted in the calculation of the proportion of the votes for and against.
11. A corporation which is a shareholder can by resolution of its directors or other governing body appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a member (other than to appoint a proxy) provided that no more than one corporate representative exercises powers over the same share. Where two or more corporate representatives purport to exercise a power in respect of the same Treatt Share: (a) if they purport to exercise the power in the same way as each other, the power is treated as exercised in that way; and (b) if they do not purport to exercise the power in the same way as each other, the power is treated as not exercised.
12. Completing and returning a WHITE Form of Proxy will not prevent a member from attending in person at the meeting and voting should they so wish. If a member attends the meeting and votes, any proxy appointed will be terminated and the proxy vote disregarded in respect of those Treatt Shares so voted. Unless otherwise indicated on the Form of Proxy, CREST, Proxymity or any other electronic voting instruction, the proxy vote will vote as they think fit or, at their discretion, withhold from voting.
13. If you submit more than one valid proxy appointment, the one which has been delivered or received last (regardless of when it was signed or by what means it was delivered or received) shall be treated as replacing and revoking the other or others as regards that Treatt Share. If two or more valid, but differing, appointments of proxy are delivered or received in respect of the same Treatt Share and the Company is unable to determine which proxy appointment was last validly received, none of them shall be treated as valid in respect of the same Treatt Share. Please refer to the "Actions to be taken" section at pages 13 to 16 of the document of which this notice forms part for further details of the principles the Company will apply in cases where multiple proxy appointments are made.
14. To have the right to attend, speak and vote at the meeting (and also for the purposes of calculating how many votes a member may cast on a poll) a member must first have their name entered on the register of members not later than 6.00 p.m. on 5 June 2026 or in the case of an adjourned meeting at 6.00 p.m. on the date which is two Business Days prior to the date of the adjourned meeting. Changes to entries in the register after that time shall be disregarded in determining the rights of any member to attend and vote at such meeting.
15. Any member attending the meeting has a right to ask questions. The Company must answer any question you ask relating to the business being dealt with at the meeting unless: (a) answering the question would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
16. Voting at the meeting will be conducted on a poll rather than a show of hands.
17. As at 7 May 2026 (being the Latest Practicable Date), the Company's issued share capital (excluding shares held in treasury) comprised 59,489,550 ordinary shares of £0.02 each carrying one vote each.

Therefore, the total voting rights in the Company as at 7 May 2026 was 59,489,550. The Company holds 1,793,543 ordinary shares of £0.02 each as treasury shares.

18. Any person holding 3 per cent. of the total voting rights in the Company who appoints a person other than the Chair of the General Meeting as their proxy will need to ensure that both they and such other person complies with their respective disclosure obligations under the Disclosure Guidance and Transparency Rules.
19. In the case of joint holders of Treatt Shares and where more than one joint holder seeks to vote, the vote of the joint holder whose name stands first in the register of members in respect of the joint holding shall be accepted to the exclusion of the votes of the other joint holders (but, for the avoidance of doubt, any joint holder shall be permitted to vote (whether in person or by proxy) in respect of the relevant joint holding).
20. The statement of rights of Treatt Shareholders in relation to the appointment of proxies described in these notes does not apply to nominated persons. Such rights can only be exercised by Treatt Shareholders.
21. Any person to whom this notice is sent who is a person nominated under section 146 of the Companies Act to enjoy information rights (a “**nominated person**”) may, under an agreement between them and the member by whom they were nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the general. If a nominated person has no such proxy appointment right or does not wish to exercise it, they may, under any such agreement, have a right to give instructions to the member as to the exercise of voting rights.
22. The results of voting at the General Meeting will be announced through a Regulatory Information Service and will be made available at the Company’s website at www.treatt.com/investor-relations as soon as reasonably practicable following the conclusion of the General Meeting.
