3. **Undertakings in relation to Regulatory Approvals and Conditions**

3.1 Döhler and Bidder undertake to Treatt to use all reasonable efforts, and to procure that the Döhler Group uses all reasonable efforts, to ensure that the Regulatory Conditions are satisfied as soon as practicable following the date of this agreement and, in any event, in sufficient time to enable the Effective Date to occur on or before the Long Stop Date; provided that for the purposes of this clause 3.1 only, using "all reasonable efforts" shall also include offering and/or accepting any Remedies relating to the Döhler Group and/or the Treatt Group that are required or necessary to secure the satisfaction of the Regulatory Conditions in sufficient time to enable the Effective Date to occur on or before the Long Stop Date, save for any Remedy which would be reasonably likely to have a material adverse effect on the value or operations of the combined Treatt Group and Döhler Group when taken as a whole such assessment to be made by Bidder, acting reasonably and in good faith.

3.2 Döhler, Bidder and Treatt shall co-operate with each other and provide each other with all reasonably required information, assistance and access in a timely manner in order to allow Döhler, Bidder or, as the case may be Döhler, Bidder and Treatt jointly or separately where there is such an obligation, or any member of the Döhler Group or Treatt Group (as applicable), as may be required, to assess, prepare and make any filings, notifications, applications, communications or submissions with any Regulatory Authorities as are necessary to satisfy the Regulatory Conditions (including with respect to any Remedy or such other filings as are considered advisable by Bidder in relation to the Acquisition) or

to respond to any proactive request for information from any other Regulatory Authority in relation to the Acquisition, and to ensure that all information necessary or expedient for the making of (or responding to any requests for further information consequent upon) any such filings, notifications, applications, communications or submissions (including draft versions) is supplied accurately and promptly, provided that the co-operation shall be conducted in a manner reasonably designed to preserve applicable lawyer/client and lawyer work product privileges and to limit the exchange of any commercially or competitively sensitive information to outside counsel or pursuant to the Clean Team Agreement or the Joint Defence Agreement.

- 3.3 Without prejudice to the generality of clause 3.1, Döhler and Bidder, or as the case may be Döhler, Bidder and Treatt jointly or separately where there is such an obligation shall prepare and submit (in draft or in final form as the case may be) after consultation with each other any filings, notifications or submissions relating to the Regulatory Conditions within 15 Business Days following the Announcement and within any applicable mandatory time periods and, in respect of any such filings, notifications or submissions relating to the Regulatory Conditions, shall use all reasonable efforts to avoid: (a) any declaration of incompleteness by any Regulatory Authority; and (b) any suspension of any review period by any Regulatory Authority.
- 3.4 Döhler and Bidder (acting jointly) shall have primary responsibility for obtaining any Regulatory Approval including the preparation, filing and prosecution of all filings, notifications and submissions necessary to satisfy the Regulatory Conditions (save for where Treatt has an obligation to make a filing). For the avoidance of doubt, the mutual co-operation obligations in clause 3.5 are without prejudice to the primary responsibility of Döhler and Bidder under this clause 3.4 and under clause 3.1. To the extent permitted by applicable law and the requirements of the relevant Regulatory Authority, Döhler and Bidder undertake to Treatt to pay all filing, administrative and other fees, excluding Treatt's legal advisers' fees (required in connection with any Regulatory Approval);

- (a) consult with each other on the strategy for obtaining any Regulatory Approvals in a timely manner and take account of reasonable comments by the other party;
 - (b) where practicable and legally permissible, give the other party reasonable notice of and reasonable opportunity to participate in all key meetings and telephone calls with any Regulatory Authority in connection with satisfaction of the Regulatory Approvals;
 - (c) promptly notify each other of any communication (whether written or oral) from or with any Regulatory Authority other than those of a purely administrative nature, and to provide each other with copies or, in the case of oral communications, reasonably detailed summaries thereof;
 - (d) provide each other with drafts of all filings, notifications, submissions and other material written communications intended to be sent to any Regulatory Authority sufficiently in advance of their submission to allow the other party and its legal advisers a reasonable opportunity to comment on them, take account of reasonable comments made by the other party and its legal advisers on any such draft filings, notifications, submissions or communications before they are submitted, sent or communicated and provide each other's legal advisers with final copies of all such filings, notifications, submissions and communications;

- (e) to keep each other informed of any developments which are material to the obtaining of any Regulatory Approvals; and
- (f) not withdraw a filing, notification or submission made to any Regulatory Authority in connection with the satisfaction of the Regulatory Conditions, without the prior written consent of the other party (not to be unreasonably withheld, delayed or conditioned),

provided that in respect of any information which is commercially or competitively sensitive or the circulation of which would adversely affect Döhler's, Bidder's or Treatt's legitimate business interests (**Sensitive Information**), this clause 3.5 (and clause 3.6) shall only require the disclosing party to provide, or procure the provision of, non-confidential versions of such information to any other party and in respect of any Sensitive Information, such information shall be exchanged pursuant to the Confidentiality Agreement, Clean Team Agreement or on an external counsel only basis pursuant to the Joint Defence Agreement, and provided further that a party shall not be required to provide to any other party any confidential personal information required by any Regulatory Authority.

3.6 Nothing in this agreement shall at any time oblige Bidder:

- (a) to waive or treat as satisfied any Regulatory Condition that Bidder is entitled, with the permission of the Panel, to invoke; or
- (b) where Bidder has given notice to Treatt that it considers it is or may be entitled to invoke a Regulatory Condition, to waive or treat as satisfied any Regulatory Condition before the date on which the Panel rules (or if any such ruling is capable to appeal, Bidder confirms that it does not intend to appeal) that any such Regulatory Condition may not be invoked.

3.7 Notwithstanding any other provision in this agreement to the contrary, neither Döhler nor Bidder shall, and each of Döhler and Bidder shall procure that the Döhler Group shall not, take or cause to be taken by Döhler, Bidder or the Döhler Group, any action or enter into an agreement for, or consummate, any acquisition or other transaction which would be reasonably likely to adversely affect the satisfaction of any Regulatory Condition or which would be reasonably likely to materially preclude, impede, prejudice or delay completion of the Acquisition.

4. **Scheme Document**

4.1 Where the Acquisition is being implemented by way of the Scheme, each of Döhler and Bidder agrees:

- (a) promptly to provide Treatt with all such information about itself, its directors and the Döhler Group (and, to the extent required by the Panel, any other person connected with Bidder) as may reasonably be required by Treatt (having regard to the Code and other Law) for inclusion in the Scheme Document (including any information required under the Code or other Law);
- (b) promptly to provide Treatt with all such other assistance and access as may reasonably be requested or required in connection with the preparation of the Scheme Document and any supplement or other document required under the Code or by other Law to be published by Treatt in connection with the Scheme, including access to, and ensuring the provision of reasonable assistance by, Bidder's relevant professional advisers; and

- (c) to procure that the Bidder Directors and the Bidder Responsible Persons accept responsibility, in the terms required by the Code, for all the information (including any expressions of opinion) in the Scheme Document and any other document required under the Code or by other Law to be published in connection with the Scheme for which such persons are required to accept responsibility under the Code.

4.2 Each of Döhler and Bidder agrees to correct any information provided by it or on its behalf for use in the Scheme Document and any supplement or other document required under the Code or by other Law to be published in connection with the Acquisition to the extent such information has become false or misleading, and to notify Treatt as soon as reasonably practicable upon Bidder or Döhler becoming aware that such information has become false or misleading in any respect.

4.3 Without prejudice to clause 7.2, Bidder shall allow Treatt reasonable opportunity to provide comments on written communications to Treatt employees, share plan participants, or trustees of the Pension Scheme in connection with the Acquisition, and shall consider in good faith Treatt's reasonable comments on such communications.

5. Implementation of the Acquisition

5.1 Where the Acquisition is being implemented by way of the Scheme:

- (a) Bidder undertakes that prior to the Court Hearing, it shall deliver a notice in writing to Treatt either:
 - (i) confirming the satisfaction or waiver of all Conditions (other than paragraph 2(C) of the Scheme Conditions); or
 - (ii) confirming its intention to invoke a Condition (which will always be subject to the consent of the Panel) and providing reasonable details of the event which has occurred, or circumstances which have arisen, which Bidder reasonably considers entitles it to invoke the Condition or treat it as unsatisfied or incapable of satisfaction and why, in the case of any Condition to which Rule 13.5 of the Code applies, Bidder considers such event or circumstance to be of material significance to Bidder in the context of the Acquisition; and
- (b) Bidder shall, to the extent that all the Conditions (other than the Scheme Conditions set out in paragraph 2 of Part 1 of Appendix 1 to the Announcement) have been satisfied or waived prior to or on the date of the Court Hearing: (i) instruct counsel to appear on its behalf at the Court Hearing and undertake to the Court to be bound by the terms of the Scheme in so far as it relates to Bidder, and (ii) promptly upon Treatt's request provide such documentation or information as may reasonably be required by Treatt's counsel or the Court in relation to such undertaking.

6. Switching to a Takeover Offer

6.1 The parties intend as at the date of this agreement that the Acquisition will be implemented by way of the Scheme. However, Bidder shall be entitled, in accordance with the terms of this agreement, to implement the Acquisition by way of a Takeover Offer rather than the Scheme (such election being a **Switch**) if (and only if):

- (a) Treatt provides its prior written consent;

- (b) a third party announces a firm intention to make an offer for the issued and to be issued share capital of Treatt; or
 - (c) a Treatt Board Adverse Recommendation Change occurs,
- (a Switch as envisaged by (a) or, where the Treatt Board Recommendation is given in respect of the Takeover Offer, (b) above being an **Agreed Switch**).

6.2 In the event of any Agreed Switch, unless otherwise agreed with Treatt or required by the Panel:

- (a) Bidder shall:
 - (i) promptly discuss any material announcements relating to the Switch and its implementation and any material proposed changes to the timetable in relation to the implementation of the Switch with Treatt;
 - (ii) as soon as reasonably practicable, prepare the Offer Document and related form of acceptance;
 - (iii) consult with, and take into account any reasonable comments from or on behalf of, Treatt as to the timing of the publication of the Offer Document and the form of acceptance and provide Treatt with a reasonable opportunity to consider the draft documentation for review and comment; and
 - (iv) consult with Treatt as to the form and content of the Offer Document and the form of acceptance;
- (b) the Acceptance Condition shall be set at not more than 75 per cent of the Treatt Shares to which the Takeover Offer relates (notwithstanding that Bidder may reserve the right to waive the Acceptance Condition to a minimum level of not more than 50 per cent plus one Treatt Share of the Treatt Shares to which the Takeover Offer relates);
- (c) Bidder shall not, and shall procure that no member of the Döhler Group shall, take any action which would cause the Takeover Offer not to proceed, to lapse or to be withdrawn, in each case for non-fulfilment of the Acceptance Condition, prior to the 60th day after publication of the Offer Document (or such later date as is set in accordance with Rule 31.3 of the Code) (**Day 60**), including, without limitation, by publishing an acceptance condition invocation notice under Rule 31.6 or specifying in the Offer Document an unconditional date which is earlier than Day 60, and Bidder shall ensure that the Takeover Offer remains open for acceptances until such time;
- (d) if at any time following the publication of the Offer Document it is reasonably expected that any outstanding Regulatory Condition is not likely to be satisfied or waived (if capable of waiver) prior to the last date permitted under Rule 31.1 of the Code, Bidder shall promptly consult with Treatt and the Panel as to whether the offer timetable should be suspended in accordance with Rule 31.4 or (if Day 39 has passed) Day 60 should be extended in accordance with Rule 31.3 of the Code (or, if applicable, further suspended or extended) and, if so agreed, shall request such suspension or extension to a date agreed with Treatt and the Panel, provided always that such date shall not be later than the Long Stop Date;
- (e) Bidder shall ensure that the only conditions to the Takeover Offer shall be the Conditions, subject to replacing the Scheme Conditions with the Acceptance

Condition and any other modifications or amendments to the Conditions as may be required by the Panel or agreed in writing between the parties or which are necessary to reflect the change of method of effecting the Acquisition; and

- (f) Bidder shall keep Treatt informed, on a confidential basis within two Business Days following receipt of a written request from Treatt, of the number of Treatt Shareholders that have validly returned their acceptance or withdrawal forms or incorrectly completed their acceptance or withdrawal forms, the identity of such shareholders and the number of Treatt Shares to which such forms relate.

7. **Employee-related Matters**

7.1 The parties agree that the provisions of Part 1 of Schedule 2 (*Share Incentive Plans*) and Part 2 (*Employees*) with respect to certain employee-related matters shall be implemented in accordance with that Schedule.

7.2 Without prejudice to paragraph 3.9 of Part 1 of Schedule 2 (*Share Incentive Plans*), Treatt shall determine the strategy for communicating the provisions of Schedule 2, in respect of the Treatt Share Plans and other employee matters, to the employees of Treatt following consultation with Döhler and Bidder in good faith.

8. **Directors' and Officers' Insurance**

8.1 If and to the extent such obligations are permitted by Law, for six years after the Effective Date, Döhler and Bidder shall procure that the members of the Treatt Group honour and fulfil their respective obligations (if any) existing as at the date of this agreement to indemnify their respective directors and officers, to advance reasonable expenses and to provide all reasonable assistance to the current directors and officers of Treatt to the extent they need to make a claim against the existing Treatt Directors' and officers' insurance policy (including any associated run-off cover), in each case with respect to matters existing or occurring at or prior to the Effective Date.

8.2 With effect from the Effective Date, each of Döhler and Bidder acknowledges that Treatt may purchase directors' and officers' liability insurance cover for both current and former directors and officers of the Treatt Group, including directors and officers who retire or whose employment is terminated as a result of the Acquisition, for acts and omissions up to and including the Effective Date (the **D&O Insurance**), in the form of runoff cover for a period of six years following the Effective Date. Such D&O Insurance shall be with reputable insurers and provide cover, in terms of amount and breadth, substantially equivalent to that provided under the Treatt Group's directors' and officers' liability insurance as at the date of this agreement. Each of Döhler and Bidder shall, and shall procure that each relevant member of the Treatt Group shall, provide all reasonable assistance to any current and former directors and officers of the Treatt Group to the extent they need to make a claim against the D&O Insurance with respect to acts and omissions up to and including the Effective Date.

9. **Termination**

9.1 Subject to clauses 9.2 and 9.3, this agreement shall terminate and all rights and obligations of the parties under this agreement shall cease, as follows:

- (a) if agreed in writing between the parties at any time prior to the Effective Date;
- (b) if the Announcement is not released at or before the time specified in clause 2.1 (unless prior to that time the parties have agreed another time and date in accordance with that clause, in which case that later time and date shall apply for the purposes of this sub-clause 9.1(b));

- (c) if the Acquisition is, with the permission of the Panel (where required), withdrawn or lapses in accordance with its terms on or before the Long Stop Date (other than where: (i) such lapse or withdrawal is as a result of the exercise of Bidder's right to effect a Switch in accordance with the terms of this agreement or (ii) it is otherwise to be followed within five Business Days by an announcement under Rule 2.7 of the Code made by Bidder or a person acting in concert with Bidder to implement the Acquisition by a different offer or scheme on substantially the same or improved terms);
 - (d) upon service of written notice by Bidder to Treatt if a Treatt Board Adverse Recommendation Change occurs;
 - (e) an offer made by a third party, the purpose of which is to acquire all or a majority of the issued and to be issued share capital of Treatt or all or a majority of its business and assets, completes, becomes effective or is declared or becomes unconditional;
 - (f) upon service of written notice by either party to any other party if one or more of the following occurs, in each case where Bidder has not elected, in accordance with clause 6, to implement the Acquisition by means of a Takeover Offer:
 - (i) the Court Meeting and/or the Treatt General Meeting are not held on or before the 22nd day after the date of the Court Meeting and/or the Treatt General Meeting (as applicable) as set out in the Scheme Document (or such later date as (A) may be agreed in writing between the parties or (B) in a competitive situation, as may be specified by Bidder with the consent of the Panel (and in each case with the approval of the Court, if such approval is required));
 - (ii) the Scheme is not approved by the requisite majority of the Treatt Shareholders at the Court Meeting or the Treatt Resolutions are not passed by the requisite majority of the Treatt Shareholders at the Treatt General Meeting; or
 - (iii) the Scheme is not sanctioned at the Court Hearing; or
 - (g) unless otherwise agreed by the parties in writing or required by the Panel, if the Effective Date has not occurred on or before the Long Stop Date.
- 9.2 Termination of this agreement shall be without prejudice to the rights of the parties which have arisen at or prior to termination, including any claim in respect of a breach of this agreement.
- 9.3 Clause 8, clauses 10 to 18 (inclusive), clauses 22 to 25 (inclusive), this clause 9 and all related provisions of clause 1 shall survive termination of this agreement.
10. **Takeover Code**
- 10.1 Nothing in this agreement shall in any way limit the parties' obligations under the Code, and any uncontested rulings of the Panel as to the application of the Code in conflict with the terms of this agreement shall take precedence over such terms.
- 10.2 The parties agree that, if the Panel determines that any provision of this agreement that requires Treatt to take or not to take any action, whether as a direct obligation or as a condition to any other person's obligation (however expressed), is not permitted by Rule 21.2 of the Code, that provision shall have no effect and shall be disregarded.

- 10.3 Nothing in this agreement shall oblige Treatt or the Independent Directors to recommend any Takeover Offer or any Scheme proposed by Bidder or any member of the Döhler Group.
- 10.4 Without prejudice to the warranties given by the parties pursuant to clause 11, nothing in this agreement shall be taken to restrict the directors of any member of the Treatt Group or the Döhler Group from complying with applicable Law, orders of court or regulations, including the Code, the Listing Rules and the rules and regulations of the Panel.
11. **Warranties and undertaking**
- 11.1 Each party warrants to the other parties on the date of this agreement that:
- (a) it has the requisite power and authority to enter into and perform its obligations under this agreement;
 - (b) this agreement constitutes its legal, valid and binding obligations in accordance with its terms; and
 - (c) the execution and delivery of, and performance of its obligations under, this agreement will not:
 - (i) result in any breach of any provision of its constitutional documents; or
 - (ii) result in a breach of any order, judgment, or decree of any court or governmental agency to which it is a party or by which it is bound.
- 11.2 Each of Döhler and Bidder warrants to Treatt that, as at the date of this agreement, it is not aware of any matters or circumstances which would reasonably be expected to result in the Regulatory Conditions not being satisfied in sufficient time for the Effective Date to occur by 11.59 p.m. on the Long Stop Date.
- 11.3 Döhler irrevocably and unconditionally undertakes to Treatt the due and punctual performance and observance of Bidder of its obligations under this agreement.
- 11.4 No party shall have any claim against any other party pursuant to clause 11.1 or 11.2 or for misrepresentation or breach of warranty after the Effective Date (without prejudice to any liability which cannot be excluded by law).
- 11.5 Each of Döhler and Bidder acknowledges and agrees on its own behalf and on behalf of the Döhler Group, (each such person being a **Relevant Person**) that any information and/or assistance provided by any of the Treatt Directors, officers, employees or advisers (each a **Treatt Representative**) to any Relevant Person or any of their respective directors, officers, employees, partners, consultants, contractors or advisers, whether before, on or after the date of this agreement:
- (a) pursuant to the obligations of Treatt or any member of the Treatt Group under or otherwise in connection with this agreement; or
 - (b) in connection with the Acquisition,
- shall in each case be (and have been) given on the basis that the relevant Treatt Representative shall not incur any liability, whether in contract, tort (including negligence) or otherwise, nor owe any duty of care in connection with the Acquisition to any Relevant Person or any of their respective directors, officers, employees, partners, consultants, contractors or advisers in respect of any loss or damage that any Relevant Person or any of their respective directors, officers, employees, partners, consultants, contractors or advisers may suffer as a result of the provision of any such information and/or assistance

(save, in each case, for loss or damage resulting from the fraudulent misrepresentation or fraudulent misstatement of the relevant Treatt Representative).

12. Costs

Except as otherwise provided in this agreement, each party shall pay its own Costs incurred in connection with negotiating, preparing and completing this agreement or otherwise in connection with the Acquisition.

13. Entire Agreement

13.1 Without prejudice to the terms of the Announcement or the Acquisition Document, this agreement, together with the Confidentiality Agreement, the Clean Team Agreement and the Joint Defence Agreement set out the entire agreement between the parties relating to their subject matter and supersede any previous draft, agreement, arrangement or understanding, whether in writing or not, relating thereto.

13.2 Each party acknowledges that in entering into this agreement it is not relying upon any pre-contractual statement that is not set out in this agreement or the Confidentiality Agreement, the Clean Team Agreement and the Joint Defence Agreement.

13.3 Except in the case of fraud or fraudulent misrepresentation, no party shall have any right of action against any other party to this agreement arising out of or in connection with any pre-contractual statement except to the extent that it is repeated in this agreement or the Confidentiality Agreement, the Clean Team Agreement and the Joint Defence Agreement.

13.4 For the purposes of this clause, pre-contractual statement means any draft, agreement, undertaking, representation, warranty, promise, assurance or arrangement of any nature whatsoever, whether or not in writing, relating to the subject matter of (but not contained in) this agreement or the Confidentiality Agreement, the Clean Team Agreement and the Joint Defence Agreement made or given by any person at any time prior to the entry into of this agreement.

13.5 Nothing in this agreement shall limit any liability for (or remedy in respect of) fraud or fraudulent misrepresentation.

13.6 Each party agrees to the terms of this clause 13 on its own behalf.

14. Assignment

Unless the parties specifically agree in writing, no person shall assign, transfer, charge or otherwise deal with all or any of its rights under this agreement nor grant, declare, create or dispose of any right or interest in it.

15. Notices

15.1 Any notice to be given by one party to any other party in connection with this agreement shall be in writing in English and signed by or on behalf of the party giving it. It shall be delivered by hand, e-mail, registered post or courier using an internationally recognised courier company.

15.2 A notice shall be effective upon receipt and shall be deemed to have been received: (i) at the time of delivery, if delivered by hand, registered post or courier or (ii) at the time of transmission if delivered by e-mail (provided that receipt shall not occur if the sender receives an automated message indicating that the message has not been delivered to the recipient). 15.4 Each party shall notify the other parties in writing of any change to its details in clause 15.3 from time to time.

16. Language

Each communication under or in connection with this agreement shall be in English.

17. Waivers, Rights and Remedies

17.1 The rights and remedies provided for in this agreement are cumulative and not exclusive of any other rights or remedies, whether provided by applicable Law or otherwise.

17.2 No failure to exercise, or delay in exercising, any right under this agreement or provided by applicable Law shall affect that right or operate as a waiver of the right. The single or partial exercise of any right under this agreement or provided by applicable Law shall not preclude any further exercise of it.

17.3 Without prejudice to any other rights or remedies that any other party may have, each party acknowledges and agrees that damages may not be an adequate remedy for any breach by it of this agreement and that accordingly any other party may be entitled, without proof of special damages, to the remedies of injunction, specific performance or other equitable relief, or any combination of these remedies, for any threatened or actual breach of this agreement by any party and no proof of special damages shall be necessary for the enforcement by any party of the rights under this agreement and no party shall oppose a remedy on the grounds that damages would be an adequate alternative (without prejudice to any right to assert that there has been no breach of the terms of this agreement).

18. No Partnership

No provision of this agreement creates a partnership between the parties or makes a party the agent of any other party for any purpose. A party has no authority or power to bind, to contract in the name of, or to create a liability for any other party in any way or for any purpose.

19. Time of Essence

Except as otherwise expressly provided, time shall be of the essence in this agreement both as regards any dates, times and periods mentioned and as regards any dates, times and periods which may be substituted for them in accordance with this agreement or by agreement in writing between Bidder and Treatt.

20. Further Assurances

At its own Cost, each party shall execute such documents and do such acts and things as the requesting party may reasonably require for the purpose of giving the full benefit of this agreement.

21. **Counterparts**

This agreement may be executed in any number of counterparts, and by each party on separate counterparts. Each counterpart is an original, but all counterparts shall together constitute one and the same instrument. Delivery of a counterpart of this agreement by e-mail attachment or telecopy will be an effective mode of delivery.

22. **Variations**

22.1 No variation of this agreement shall be valid unless it is in writing and duly executed by or on behalf of all of the parties to it.

22.2 If this agreement is varied:

- (a) the variation shall not constitute a general waiver of any provisions of this agreement;
- (b) the variation shall not affect any rights, obligations or liabilities under this agreement that have already accrued up to the date of variation; and
- (c) the rights and obligations of the parties under this agreement shall remain in force, except as, and only to the extent that, they are varied.

23. **Invalidity**

23.1 Each of the provisions of this agreement are severable.

23.2 If and to the extent that any provision of this agreement is held to be illegal, invalid or unenforceable (in whole or in part) but would be valid, binding and enforceable if some part of the provision were deleted or amended, then the provision shall apply with the minimum modifications necessary to make it legal, valid, binding and enforceable while giving effect to the commercial intentions of the parties.

23.3 If and to the extent it is not possible to delete or amend the provision (in whole or in part) under clause 23.2, then such provision or part of it shall, if and to the extent that it is illegal, invalid or unenforceable, be deemed not to form part of this agreement and the legality, validity and/or enforceability of the remaining provisions of this agreement shall not in any way be affected or impaired as a result of this clause 23.3.

24. **Third Party Enforcement Rights**

24.1 Each of the persons to whom clause 8.2 applies may under the Contracts (Rights of Third Parties) Act 1999 enforce the terms of clause 8.2. This right is subject to: (i) the rights of the parties to this agreement to rescind, terminate or vary this agreement without the consent of any other person (save that any amendment, waiver or variation of clause 8.2 shall require the consent of the relevant affected third party); and (ii) the other terms and conditions of this agreement.

24.2 Except as set out in clause 24.1, a person who is not a party to this agreement shall have no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any of its terms.

25. **Governing Law and Jurisdiction**

25.1 This agreement and any non-contractual obligations arising out of or in connection with this agreement shall be governed by, and interpreted in accordance with, English law.

25.2 The English courts shall have exclusive jurisdiction in relation to all disputes (including claims for set-off and counterclaims) arising out of or in connection with this agreement

including, without limitation disputes arising out of or in connection with: (i) the creation, validity, effect, interpretation, performance or non-performance of, termination or the legal relationships established by, this agreement; and (ii) any non-contractual obligations arising out of or in connection with this agreement. For such purposes each party irrevocably submits to the jurisdiction of the English courts and waives any objection to the exercise of such jurisdiction. Each party also irrevocably waives any objection to the recognition or enforcement in the courts of any other country of a judgment delivered by an English court exercising jurisdiction pursuant to this clause.

IN WITNESS whereof this agreement has been entered into on the date stated on page 1.

29 April 2026

RECOMMENDED CASH ACQUISITION

OF

TREATT PLC (“Treatt” or the “Company”)

BY

DÖHLER FINANCE MANAGEMENT B.V. (“Döhler”)

(an indirect wholly-owned subsidiary of Döhler Group SE)

to be effected by means of a Scheme of Arrangement under

Part 26 of the Companies Act 2006

Summary

- The boards of Döhler and Treatt are pleased to announce that they have reached agreement on the terms of a recommended cash offer to be made by Döhler to acquire the entire issued and to be issued ordinary share capital of Treatt not already owned by Döhler (the “**Acquisition**”).
- Under the terms of the Acquisition, Treatt Shareholders will be entitled to receive:

for each Treatt Share: 305 pence in cash
- In addition, the Acquisition allows for the distribution of the previously announced final dividend for the year ended 30 September 2025 of 3 pence per Treatt Share to be paid on 13 May 2026 to Treatt Shareholders on the register as at the close of business on 7 April 2026 (the “**Final Dividend**”).
- The terms of the Acquisition (excluding the Final Dividend) value the entire issued and to be issued ordinary share capital of Treatt at approximately £183 million and represent a premium of approximately:
 - 48 per cent. to the Closing Price of 206 pence per Treatt Share on 28 April 2026 (being the last Business Day before the date of this Announcement);
 - 48 per cent. to the volume-weighted average price of 206 pence per Treatt Share for the one-month period ended 28 April 2026 (being the last Business Day before the date of this Announcement);

- 47 per cent. to the volume-weighted average price of 208 pence per Treatt Share for the three-month period ended 28 April 2026 (being the last Business Day before the date of this Announcement); and
- 17 per cent. to Natara's original cash offer dated 8 September 2025 and 5 per cent. to Natara's increased "final" cash offer dated 6 October 2025.
- The Döhler Group has a deep understanding of the Treatt Group's business, having worked closely with the Treatt Group over many years as a strategic supplier and customer, and these insights have allowed the Döhler Group to develop a differentiated perspective on the Company. Whilst the Döhler Group remains supportive of the strategy outlined by Treatt and recognises the recent steps taken to stabilise the operating performance of the Company, it believes that public markets are unlikely to provide the necessary support to the Company to deliver its strategy due to the public markets' focus on short-term performance. Döhler firmly believes that it would be the right partner to unlock the full extent of the Treatt Group's growth potential as its support and advanced distribution capabilities will provide the Company with the platform and flexibility to accelerate the execution of its long-term strategic agenda in a privately-owned setting.
- The terms of Döhler's proposal represent an attractive value in cash for Treatt Shareholders at a substantial premium to the current share price, and at a time of considerable sector-wide disruption and ongoing geopolitical and macroeconomic uncertainty. For the Treatt Group's business, it would unlock opportunities which are not available to the Company in the public markets, fuelled by an enhanced ability to invest in long-term growth, and supported by the Döhler Group's scale and expertise to integrate acquisitions, focus on investing in businesses, and ability to create a leading global ingredients platform.
- The Acquisition is expected to be effected by means of a Court-sanctioned scheme of arrangement between Treatt and Scheme Shareholders under Part 26 of the Companies Act, although Döhler reserves the right to elect to implement the Acquisition by way of a Takeover Offer, subject to the consent of the Panel (where necessary) and the terms of the Cooperation Agreement.
- If any dividend, distribution or other return of capital is announced, declared, made or paid, or becomes payable, in respect of Treatt Shares on or after the date of this Announcement and before the Effective Date (other than the Final Dividend), Döhler reserves the right to reduce the consideration payable in respect of each Treatt Share by the amount of all or part of any such dividend or other distribution. If Döhler exercises this right or makes such a reduction in respect of a dividend, distribution or other return of capital that has not been paid, Treatt Shareholders will be entitled to receive and retain that dividend, distribution or other return of capital declared, made or paid.

Background to and reasons for the Acquisition

The Döhler Group has long admired the Treatt Group's business and its rich heritage, and its experience in observing the Company as its largest shareholder has reinforced its views on the quality of the business and its strong people-first culture.

Döhler believes there is attractive industrial logic for a combination of the Döhler Group and the Treatt Group and sees a clear opportunity to accelerate Treatt Group's growth trajectory through focused investment and disciplined execution.

Döhler believes that the Acquisition offers strategic and operational benefits, including:

- **Highly complementary portfolios and geographic reach** – the Döhler Group and the Treatt Group operate in adjacent and complementary segments of the natural ingredients and flavour value chain, creating a stronger, more competitive and globally-integrated ingredients platform.
- **Ability to deliver a stronger customer proposition supported by a strong U.S. footprint** – the Acquisition combines the Treatt Group’s deep expertise in high-performance natural extracts with the Döhler Group’s technology-driven ingredient systems and integrated solutions capabilities, supported by the Treatt Group’s strategically attractive U.S. production footprint and the expected immediate cross-selling opportunities across new geographies and strategic accounts.
- **Enhanced innovation capabilities** – the Enlarged Group will create a differentiated innovation engine centred on unlocking customer insights and championing emerging category trends.
- **Scaled global platform with strategic flexibility** – the Acquisition creates a larger, more resilient global platform better positioned to navigate sector-wide disruption.
- **Long-term investment horizon and people-led value creation** – the Acquisition allows the Treatt Group to benefit from the Döhler Group’s family-owned, long-term ownership model, providing stability and sustained investment capacity.

For the reasons outlined above, Döhler firmly believes the Acquisition provides significant benefits to Treatt and its stakeholders which would not be available on a standalone basis.

Recommendation

- On 19 January 2026, Treatt and Döhler entered into the Relationship Agreement pursuant to which Döhler has the right to nominate one candidate for appointment to the Treatt Board as a director. On 1 February 2026, Helga Moelschl was appointed to the Treatt Board by Döhler pursuant to that right. The Treatt Board has, therefore, formed a committee of directors comprising all members of the Treatt Board from time to time other than Helga Moelschl (the “**Independent Committee**”) to consider the Acquisition and determine on behalf of the Treatt Board whether to recommend Scheme Shareholders vote in favour of the Scheme (or accept the Takeover Offer, if applicable).
- The Independent Directors, who have been so advised by Peel Hunt and Investec as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing advice to the Independent Directors, Peel Hunt and Investec have taken into account the commercial assessments of the Independent Directors. Peel Hunt and Investec are providing independent financial advice to the Independent Directors for the purposes of Rule 3 of the Code.
- Accordingly, the Independent Directors intend to recommend unanimously that Scheme Shareholders vote in favour of the Scheme at the Court Meeting and Treatt Shareholders vote in favour of the Resolution(s) at the General Meeting (or in the event that the Acquisition is implemented by way of a Takeover Offer, that Treatt Shareholders accept or procure acceptance of such Takeover Offer) as the Treatt Directors who hold Treatt Shares have irrevocably undertaken to do in respect of their entire beneficial holdings of Treatt Shares, amounting in aggregate to 22,201 Treatt Shares representing approximately 0.04 per cent. of the issued ordinary share capital of Treatt as at 28 April 2026 (being the last Business Day before the date of this Announcement). Further details of these irrevocable

undertakings, including the circumstances in which they cease to be binding, are set out in Appendix 3 to this Announcement.

Shareholder support

- Döhler has also received non-binding letters of intent from certain Treatt Shareholders who between them hold directly or indirectly, in aggregate, 7,128,142 Treatt Shares representing approximately 12.0 per cent. of the issued share capital of Treatt as at 28 April 2026 (being the last Business Day before the date of this Announcement) each stating its intention to vote (or procure a vote) in favour of the Scheme at the Court Meeting and the Resolution(s) at the General Meeting in respect of its holdings of Treatt Shares. Further details of these letters of intent are set out in Appendix 3 to this Announcement.

Timetable and Conditions

- The Acquisition will be subject to, among other things: (i) the approval of the requisite majority of Scheme Shareholders at the Court Meeting and the passing of the Resolution(s) at the General Meeting; (ii) receipt of competition clearances in Austria, Ireland, the United Kingdom and the United States; (iii) the sanction of the Scheme by the Court and a copy of the Court Order being delivered to the Registrar of Companies; and (iv) the Scheme becoming Effective no later than the Long Stop Date. The Acquisition will also be subject to the other terms and Conditions set out in Appendix 1 to this Announcement, and to the full terms and conditions which will be set out in the Scheme Document.
- The Acquisition will be put to Scheme Shareholders at the Court Meeting and to the Treatt Shareholders at the General Meeting. To become Effective, the Scheme must be approved by a majority in number of the Scheme Shareholders present, entitled to vote and voting at the Court Meeting, either in person or by proxy, representing at least 75 per cent. in value of the Scheme Shares voted. In addition, the Resolution(s) must be passed by the requisite majority or majorities at the General Meeting (expected to be held immediately after the Court Meeting). Following the Court Meeting, the Scheme must also be sanctioned by the Court. Finally, a copy of the Court Order must be delivered to the Registrar of Companies, upon which the Scheme will become Effective. The Scheme must become Effective by no later than the Long Stop Date.
- The Scheme Document will include full details of the Scheme (including the expected timetable for the Acquisition), together with notices of the Court Meeting and the General Meeting and the Forms of Proxy, and will specify the actions to be taken by Treatt Shareholders. The Scheme Document will be posted to Treatt Shareholders within 28 days of this Announcement (unless a later date is agreed between Döhler, Treatt and the Panel).
- The Acquisition is expected to complete in Q3 2026, subject to the satisfaction (or, where applicable, waiver) of the Conditions set out in Appendix 1 to this Announcement, and to the full terms and conditions which will be set out in the Scheme Document.
- Commenting on the Acquisition, Martin Tolksdorf, Chief Marketing Officer of Döhler Group SE, said:

“The Döhler Group has long admired Treatt as a high-quality business with a rich heritage of product excellence, strong customer relationships and a deep-rooted culture of innovation. Having worked closely with Treatt over many years as a strategic supplier and customer, we are excited at the prospect of expanding our partnership with Treatt.”

As a family-owned business founded over 185 years ago, the Döhler Group has a long-term approach to ownership, and we firmly believe that bringing Treatt into the Döhler Group represents a natural and highly complementary evolution of our partnership. By combining two businesses with closely aligned values, technical expertise and customer-led cultures, we can further expand our product offering, build on our combined innovation capabilities and enhance the end-to-end solutions we provide to customers globally.

The Döhler Group remains committed to driving sustainable and responsible growth and we are excited at the opportunity provided by the Acquisition to accelerate the execution of Treatt's strategic agenda."

- Commenting on the Acquisition, Vijay Thakrar, Chair of Treatt, said:

"The Board believes that the proposed acquisition by Döhler represents a positive outcome for Treatt shareholders, providing the certainty of a cash exit for shareholders at an attractive value. It also provides enhanced long-term support for Treatt within a larger strategic platform with access to significant resources.

Döhler would be a highly complementary owner for Treatt, offering the scale, resources and global platform to support the business' development over time. The combination of Treatt's technical expertise and innovation capabilities with Döhler's established ingredients platforms and international distribution network creates a strong foundation for future growth within an ownership structure with family culture and long-term investment at its core. Being part of the Döhler Group will provide significant development opportunities for Treatt's employees and for Treatt to accelerate its new product innovation to develop even more products for customers with access to Döhler's deep ingredients expertise.

On behalf of the Board, I would like to acknowledge the contribution made by colleagues across the Treatt Group to the development of the business to where it is today and to thank them sincerely for their continued hard work, dedication and commitment. We believe that becoming part of the Döhler Group positions the business well for its next phase and will deliver a positive outcome for shareholders, employees and customers alike."

Further information

This Announcement is for information purposes only and is not intended to, and does not, constitute or form part of any offer or invitation to purchase, otherwise acquire, subscribe for, sell or otherwise dispose of any securities or the solicitation of any vote or approval in any jurisdiction pursuant to the Acquisition or otherwise. Any decision in respect of the Acquisition should be made only on the basis of the information in the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the Takeover Offer document).

Treatt will prepare the Scheme Document to be distributed to Treatt Shareholders. Treatt and Döhler urge Treatt Shareholders to read the Scheme Document (or any other document by which the Acquisition is made) in full when it becomes available because it will contain important information relating to the Acquisition, including details of how to vote in respect of the Scheme.

The statements contained in this Announcement are made as at the date of this Announcement, unless some other time is specified in relation to them, and publication of this Announcement shall not give rise to any implication that there has been no change in the facts set forth in this Announcement since such date.

This Announcement does not constitute a prospectus or a prospectus equivalent document.

This Announcement has been prepared for the purpose of complying with English law, the UK Market Abuse Regulation and the Code and the information disclosed may not be the same as that which would have been disclosed if this Announcement had been prepared in accordance with the laws of jurisdictions outside England.

The Acquisition will be subject to the applicable requirements of English law, the Code, the Panel, the London Stock Exchange, the Court and the FCA.

Overseas Shareholders

The release, publication or distribution of this Announcement in jurisdictions other than the UK, and the availability of the Acquisition to Treatt Shareholders who are not resident in the UK, may be restricted and therefore any persons who are not resident in the UK or who are subject to the laws of any jurisdiction other than the UK (including Restricted Jurisdictions) should inform themselves about, and observe, any applicable legal or regulatory requirements. In particular, the ability of persons who are not resident in the UK or who are subject to the laws of another jurisdiction to participate in the Acquisition or to vote their Treatt Shares in respect of the Scheme at the Court Meeting, or to execute and deliver Forms of Proxy appointing another to vote at the Court Meeting on their behalf may be affected by the laws of the relevant jurisdictions in which they are located or to which they are subject. Any failure to comply with applicable legal or regulatory requirements of any jurisdiction may constitute a violation of securities laws in that jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

Unless otherwise determined by Döhler or required by the Code, and permitted by applicable law and regulation, the Acquisition shall not be made available, directly or indirectly, in or into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Acquisition by any such use, means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction.

Accordingly, copies of this Announcement and any formal documentation relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in or into or from any Restricted Jurisdiction or any jurisdiction where to do so would constitute a violation of the laws of such jurisdiction and persons receiving such documents (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send them in or into or from any Restricted Jurisdiction. Doing so may render invalid any related purported vote in respect of acceptance of the Acquisition.

Additional information for U.S. investors

The Acquisition relates to an offer for the shares of a UK company and is being made by means of a scheme of arrangement provided for under English company law. The Acquisition, to be implemented by way of a scheme of arrangement, is not subject to the tender offer rules or the proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended (the “Exchange Act”). Accordingly, the Acquisition is subject to the disclosure and procedural requirements and practices applicable to a scheme of arrangement involving a target company in the UK admitted to trading on the Main Market of the London Stock Exchange, which differ from the disclosure and procedural requirements of the U.S. tender offer and proxy solicitation rules.

The financial information with respect to Treatt included in this Announcement and the Scheme Document has been or will have been prepared in accordance with International Financial Reporting Standards (“IFRS”) and thus may not be comparable to the financial information of U.S. companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the U.S.

If in the future, Döhler exercises its right to implement the Acquisition by way of a Takeover Offer and determines to extend the Takeover Offer into the U.S., the Acquisition will be made in compliance with applicable U.S. laws and regulations, including to the extent applicable Section 14(e) of the Exchange Act and Regulation 14E thereunder. Such a Takeover Offer would be made in the U.S. by Döhler and no one else.

In the event that the Acquisition is implemented by way of a Takeover Offer, in accordance with normal United Kingdom practice and pursuant to Rule 14e-5(b) under the Exchange Act, Döhler or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of or arrangements to purchase, shares or other securities of Treatt outside of the U.S., other than pursuant to the Takeover Offer, until the date on which the Takeover Offer becomes effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices and would comply with applicable law, including the Exchange Act. Also, in such circumstances, in accordance with Rule 14e-5(b) of the Exchange Act, BofA Securities will continue to act as exempt principal trader in Treatt shares on the London Stock Exchange. Any information about such purchases shall be disclosed as required in the UK, will be reported to a Regulatory Information Service of the London Stock Exchange and will be available on the London Stock Exchange website at www.londonstockexchange.com.

The receipt of cash pursuant to the scheme by U.S. Shareholders (defined as shareholders who are U.S. persons as defined in the U.S. Internal Revenue Code) as consideration for the transfer of Treatt Shares pursuant to the Scheme may be a taxable transaction for U.S. federal income tax purposes and under applicable U.S. state and local, as well as foreign and other, tax laws. Each Treatt Shareholder (including U.S. Shareholders) is urged to consult their independent professional adviser immediately regarding the tax consequences of the transaction applicable to him.

Neither the SEC nor any U.S. state securities commission has approved, disapproved or passed judgment upon the fairness of the Acquisition or passed upon the adequacy or accuracy of this Announcement. Any representation to the contrary is a criminal offence in the U.S.

Some or all of Treatt’s and Döhler’s respective officers and directors reside outside the U.S., and some or all of their respective assets are or may be located in jurisdictions outside the U.S. Therefore, investors may have difficulty effecting service of process within the U.S. upon those persons or recovering against Treatt or Döhler or their respective officers or directors on judgments of U.S. courts, including judgments based upon the civil liability provisions of the U.S. federal

securities laws. Further, it may be difficult to compel a non-U.S. company and its affiliates to subject themselves to a U.S. court's judgment. It may not be possible to sue Treatt, Döhler or their respective officers or directors in a non-U.S. court for violations of the U.S. securities laws.

Forward-looking statements

This Announcement (including information incorporated by reference in this Announcement), oral statements made regarding the Acquisition, and other information published by Döhler and Treatt contain statements which are, or may be deemed to be, "forward-looking statements". All statements, other than statements of historical fact are, or may be deemed to be, forward-looking statements. Forward-looking statements are prospective in nature and are not based on historical facts, but rather on assumptions, expectations, valuations, targets, estimates, forecasts and projections of Döhler and Treatt about future events, and are therefore subject to risks and uncertainties which could cause actual results, performance or events to differ materially from those expressed or implied by the forward-looking statements. The forward-looking statements contained in this Announcement include statements relating to the expected effects of the Acquisition on the Döhler Group, the Treatt Group and the Enlarged Group, the expected timing and scope of the Acquisition and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "plans", "expects", "budget", "targets", "aims", "scheduled", "estimates", "forecast", "intends", "anticipates", "seeks", "prospects", "potential", "possible", "assume" or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Döhler and Treatt give no assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risks (known and unknown) and uncertainties (and other factors that are in many cases beyond the control of Döhler and/or Treatt) because they relate to events and depend on circumstances that may or may not occur in the future.

There are a number of factors that could affect the future operations of the Döhler Group, the Treatt Group and/or the Enlarged Group and that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements. These factors include the satisfaction (or, where permitted, waiver) of the Conditions, as well as additional factors, such as: domestic and global business and economic conditions; the impact of pandemics, asset prices; market-related risks such as fluctuations in interest rates and exchange rates, industry trends, competition, changes in government and regulation, changes in the policies and actions of governments and/or regulatory authorities (including changes related to capital and tax), changes in political and economic stability (including exposures to terrorist activities, Eurozone instability, disruption in business operations due to reorganisation activities, interest rate, inflation, deflation and currency fluctuations), the timing impact and other uncertainties of future or planned acquisitions or disposals or offers, the inability of the Enlarged Group to realise successfully any anticipated synergy benefits when the Acquisition is implemented (including changes to the board and/or employee composition of the Enlarged Group), the inability of the Döhler Group to integrate successfully the Treatt Group's operations and programmes when the Acquisition is implemented, the Enlarged Group incurring and/or experiencing unanticipated costs and/or delays (including IT system failures, cyber-crime, fraud and pension scheme liabilities), or difficulties relating to the Acquisition when the Acquisition is implemented. Other unknown or unpredictable factors could affect future operations and/or cause actual results to differ materially from those in the forward-looking statements. Such forward-looking statements should therefore be construed in the light of such factors.

Each forward-looking statement speaks only as of the date of this Announcement. Neither the Döhler Group nor the Treatt Group, nor any of their respective associates or directors, officers or advisers, provides any representation, warranty, assurance or guarantee that the occurrence of the

events expressed or implied in any forward-looking statements in this Announcement will actually occur. Forward-looking statements involve inherent risks and uncertainties. All forward-looking statements contained in this Announcement are expressly qualified in their entirety by the cautionary statements contained or referred to in this section. Readers are cautioned not to place undue reliance on these forward-looking statements. Other than in accordance with their legal or regulatory obligations (including under the Code, the UK Market Abuse Regulation and the DTRs), neither the Döhler Group nor the Treatt Group is under or undertakes any obligation, and each of the foregoing expressly disclaims any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

No profit forecasts or estimates

Nothing in this Announcement is intended, or is to be construed, as a profit forecast or to be interpreted to mean that earnings or earnings per share for Treatt for the current or future financial years, will necessarily match or exceed the historical published earnings or earnings per share for Treatt.

Disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the Announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. on the tenth business day following the commencement of the Offer Period and, if appropriate, by no later than 3.30 p.m. on the tenth business day following the Announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the Offer Period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

FOR IMMEDIATE RELEASE

29 April 2026

RECOMMENDED CASH ACQUISITION

OF

TREATT PLC (“Treatt” or the “Company”)

BY

DÖHLER FINANCE MANAGEMENT B.V. (“Döhler”)

(an indirect wholly-owned subsidiary of Döhler Group SE)

to be effected by means of a Scheme of Arrangement under

Part 26 of the Companies Act 2006

1. Introduction

The boards of Döhler and Treatt are pleased to announce that they have reached agreement on the terms of the Acquisition.

2. The Acquisition

Under the terms of the Acquisition, which will be subject to the Conditions and certain further terms set out in Appendix 1 to this Announcement, and to the full terms and conditions which will be set out in the Scheme Document, each Treatt Shareholder will be entitled to receive:

for each Treatt Share: 305 pence in cash

In addition, the Acquisition allows for the distribution of the previously announced Final Dividend.

The terms of the Acquisition (excluding the Final Dividend) value the entire issued and to be issued ordinary share capital of Treatt at approximately £183 million and represent a premium of approximately:

- 48 per cent. to the Closing Price of 206 pence per Treatt Share on 28 April 2026 (being the last Business Day before the date of this Announcement);
- 48 per cent. to the volume-weighted average price of 206 pence per Treatt Share for the one-month period ended 28 April 2026 (being the last Business Day before the date of this Announcement);

- 47 per cent. to the volume-weighted average price of 208 pence per Treatt Share for the three-month period ended 28 April 2026 (being the last Business Day before the date of this Announcement); and
- 17 per cent. to Natara's original cash offer dated 8 September 2025 and 5 per cent. to Natara's increased "final" cash offer dated 6 October 2025.

The Döhler Group has a deep understanding of the Treatt Group's business, having worked closely with the Treatt Group over many years as a strategic supplier and customer, and these insights have allowed the Döhler Group to develop a differentiated perspective on the Company. Whilst the Döhler Group remains supportive of the strategy outlined by Treatt and recognises the recent steps taken to stabilise the operating performance of the Company, it believes that the public markets are unlikely to provide the necessary support to the Company to deliver its strategy due to the public markets' focus on short-term performance. Döhler firmly believes that it would be the right partner to unlock the full extent of the Treatt Group's growth potential as its support and advanced distribution capabilities will provide the Company with the platform and flexibility to accelerate the execution of its strategic agenda.

The terms of Döhler's proposal represent an attractive value in cash for Treatt Shareholders at a substantial premium to the current share price, and at a time of considerable sector-wide disruption and ongoing geopolitical and macroeconomic uncertainty. For the Treatt Group's business, it would unlock opportunities which are not available to the Company in the public markets, fuelled by an enhanced ability to invest in long-term growth, and supported by the Döhler Group's scale and expertise to integrate acquisitions, focus on investing in businesses, and ability to create a leading global ingredients platform.

If any dividend, distribution or other return of capital is announced, declared, made or paid, or becomes payable, in respect of Treatt Shares on or after the date of this Announcement and before the Effective Date (other than the Final Dividend), Döhler reserves the right to reduce the consideration payable in respect of each Treatt Share by the amount of all or part of any such dividend, distribution or other return of capital. If Döhler exercises this right or makes such a reduction in respect of a dividend, distribution or other return of capital that has not been paid, Treatt Shareholders will be entitled to receive and retain that dividend, distribution or other return of capital.

The Acquisition is expected to be effected by means of a Court-sanctioned scheme of arrangement between Treatt and Scheme Shareholders under Part 26 of the Companies Act. However, Döhler reserves the right to elect to implement the Acquisition by way of a Takeover Offer, subject to the consent of the Panel (where necessary) and the terms of the Cooperation Agreement.

The Acquisition will be subject to the Conditions and certain further terms set out in Appendix 1 to this Announcement, and to the full terms and conditions which will be set out in the Scheme Document, including, among other things: (i) the approval of the requisite majority of Scheme Shareholders at the Court Meeting and the passing of the Resolution(s) at the General Meeting; (ii) receipt of competition clearances in Austria, Ireland, the United Kingdom and the United States; (iii) the sanction of the Scheme by the Court and a copy of the Court Order being delivered to the Registrar of Companies; and (iv) the Scheme becoming Effective no later than the Long Stop Date.

The Acquisition will be put to Scheme Shareholders at the Court Meeting and to Treatt Shareholders at the General Meeting. To become Effective, the Scheme must be approved by a majority in number of the Scheme Shareholders present, entitled to vote, and voting at the Court Meeting, either in person or by proxy, representing at least 75 per cent. in value of the Scheme Shares voted. In addition, the Resolution(s) must be passed by the requisite majority or majorities

at the General Meeting (expected to be held immediately after the Court Meeting). Following the Court Meeting, the Scheme must also be sanctioned by the Court. Finally, a copy of the Court Order must be delivered to the Registrar of Companies, upon which the Scheme will become Effective. The Scheme must become Effective by no later than the Long Stop Date.

The Acquisition is expected to complete in Q3 2026, subject to the satisfaction (or, where applicable, waiver) of the Conditions set out in Appendix 1 to this Announcement, and to the full terms and conditions which will be set out in the Scheme Document.

Except as otherwise specified in this Announcement and the Scheme Document, Treatt Shares will be acquired by Döhler fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and any other third party rights or interests whatsoever and together with all rights existing at the date of this Announcement or thereafter attaching thereto, including (without limitation) the right to receive and retain, in full, all dividends, distributions or other returns of capital (if any) declared, made or paid (whether by way of reduction of share capital or share premium account or otherwise) on or after the date of this Announcement in respect of Treatt Shares.

3. Background to and reasons for the Acquisition

The Döhler Group has long admired the Treatt Group's business and its rich heritage, and its experience in observing the Company as its largest shareholder has reinforced its views on the quality of the business and its strong people-first culture.

Döhler believes there is attractive industrial logic for a combination of the Döhler Group and the Treatt Group and sees a clear opportunity to accelerate the Treatt Group's long-term growth trajectory through focused investment and disciplined execution.

Highly complementary portfolios and geographic reach

- The Döhler Group and the Treatt Group operate in adjacent and complementary segments of the natural ingredients and flavour value chain creating a stronger, more competitive and globally-integrated ingredients platform.
- The Acquisition represents a natural evolution of the long-standing commercial relationship between the Döhler Group and the Treatt Group. The Treatt Group's deep expertise in high-performance natural extracts integrates seamlessly with the Döhler Group's technology-driven ingredient systems and integrated solutions capabilities, allowing the Enlarged Group to better serve customers across key markets, by offering more comprehensive end-to-end solutions which reduce technical complexity and streamline customer supply chains.
- Importantly, the Treatt Group's U.S. production footprint offers a strategically attractive presence in a key territory, ensuring proximity to customers in the sector's most competitive segment. The Enlarged Group is also expected to benefit from immediate cross-selling opportunities across new geographies and strategic accounts, accelerating market penetration of the combined portfolio.
- Döhler also sees the opportunity to leverage best-in-class practices across both the Döhler Group and the Treatt Group to drive continued efficiency improvements, and more efficient procurement, with the benefits recycled to drive superior and sustainable long-term growth.

Enhanced innovation capabilities delivering a stronger customer proposition

- The Döhler Group has a strong track record of leveraging cutting-edge technology in processing natural raw materials. With an integrated and entrepreneurial approach to innovation and value creation, with innovations from more than 50 technologies, the Döhler Group's focus remains on driving greater nutritional excellence.
- Combining the Treatt Group's depth in the natural ingredients segment with the Döhler Group's formulation, ingredient systems and multisensory capabilities, the Enlarged Group would create a differentiated innovation engine centred on unlocking consumer insights and championing emerging category trends.

Scaled global platform with strategic flexibility

- The Acquisition will create scale advantages. The diversified portfolio and the global footprint of the Enlarged Group would be better positioned to navigate structural headwinds.
- Döhler firmly believes the Acquisition provides significant benefits to the Treatt Group and its stakeholders which would not be available on a standalone basis. In particular, the Acquisition brings together complementary businesses, accelerates innovation, and provides Treatt with a scaled platform and access to the Döhler Group's significant resources to navigate the ongoing sector-wide disruption.

Long-term investment horizon and people-led value creation

- As a family-owned business with over a 185-year heritage and a multigenerational perspective, the Döhler Group offers a stable ownership environment focused on long-term value creation. This approach provides the patience and capital necessary to support continued strategic investment and operational improvement to drive responsible and sustainable growth.
- The Enlarged Group would also offer employees more attractive long-term career opportunities, including greater international mobility and cross-functional development across R&D, technical, operational, commercial and business support functions within a global organisation, supporting the development and retention of skilled talent.

4. Recommendation

On 19 January 2026, Treatt and Döhler entered into the Relationship Agreement pursuant to which Döhler has the right to nominate one candidate for appointment to the Treatt Board as a director. On 1 February 2026, Helga Moelschl was appointed to the Treatt Board by Döhler pursuant to that right. The Treatt Board has, therefore, formed the Independent Committee to consider the Acquisition and determine on behalf of the Treatt Board whether to recommend Scheme Shareholders vote in favour of the Scheme (or accept the Takeover Offer, if applicable).

The Independent Directors, who have been so advised by Peel Hunt and Investec as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing advice to the Independent Directors, Peel Hunt and Investec have taken into account the commercial assessments of the Independent Directors. Peel Hunt and Investec are providing independent financial advice to the Independent Directors for the purposes of Rule 3 of the Code.

Accordingly, the Independent Directors intend to recommend unanimously that Scheme Shareholders vote in favour of the Scheme at the Court Meeting and Treatt Shareholders

vote in favour of the Resolution(s) at the General Meeting (or in the event that the Acquisition is implemented by way of a Takeover Offer, that Treatt Shareholders accept or procure acceptance of such Takeover Offer) as the Treatt Directors who hold Treatt Shares have irrevocably undertaken to do in respect of their entire beneficial holdings of Treatt Shares, amounting in aggregate to 22,201 Treatt Shares representing approximately 0.04 per cent. of the issued ordinary share capital of Treatt as at 28 April 2026 (being the last Business Day before the date of this Announcement). Further details of these irrevocable undertakings are set out at Appendix 3 to this Announcement.

5. Background to and reasons for the recommendation

On 8 September 2025, the Treatt Board announced a recommended cash offer from Natara Global Limited (“**Natara**”) for the entire issued and to be issued share capital of Treatt to be implemented by way of a scheme of arrangement (the “**Natara Offer**”) at a price of 260 pence per Treatt Share, which Natara increased to 290 pence per Treatt Share on 6 October 2025.

During the Natara Offer period, Döhler acquired interests in Treatt Shares, which as at 28 April 2026, being the last Business Day before the date of this Announcement, carry in aggregate approximately 27.9 per cent. of the voting rights in Treatt. On 30 September 2025, Döhler announced that it was not considering making an offer for Treatt. Pursuant to Rule 2.8 of the Code, that announcement restricted Döhler from, among other actions, making an offer for Treatt (subject to certain limited exceptions) for a period of six months ending on 30 March 2026.

On 3 November 2025, the Company announced the results of the shareholder meetings convened to consider the Natara Offer. As the relevant resolutions did not receive the requisite support from Treatt Shareholders, the Natara Offer lapsed on the same date.

The highest price paid by Döhler for an interest in Treatt Shares in the 12-month period prior to this Announcement was 305 pence, during which time, as noted above, Döhler acquired more than 10 per cent. of Treatt’s issued share capital. Accordingly, pursuant to Rule 11 of the Code, and except as set out in this Announcement or with the consent of the Panel, the minimum price that must be offered by Döhler in respect of an offer for Treatt is 305 pence per Treatt Share in cash. Under the terms of the Acquisition, Döhler’s cash offer exceeds this minimum requirement because in addition to 305 pence per Treatt Share, eligible Treatt Shareholders will retain the previously announced Final Dividend.

Since the lapsing of the Natara Offer, trading performance at Treatt has stabilised; however, profits remain at subdued levels compared to recent years and the Independent Committee believes that the business remains in the early stages of its recovery, amid a challenging and uncertain geopolitical and macroeconomic backdrop.

Whilst the Independent Committee continues to believe in the longer-term opportunities available to the business, it considers that, in the near term, the potential for a sustained and significant improvement in the operational and financial performance of Treatt is likely to be limited, such that material share price accretion in the foreseeable future is also likely to be limited. The turnaround of the business is expected to take time and remains subject to a number of uncertainties, reflecting both external and internal factors, including:

- subdued end-market conditions adversely affecting demand for premium beverages;
- the ongoing geopolitical events in the Middle East putting further pressure on underlying input costs, raw materials, and on consumer demand, in turn further delaying a recovery in consumer sentiment in key regions for the Treatt Group, such as the U.S.;

- volatility in citrus oil prices has created significant uncertainty, making it challenging for a relatively small company like Treatt to plan and operate with confidence in a global market with significantly larger players; and
- ongoing transition of key roles and positions within the Treatt Group's business.

In addition, the Independent Committee believes that the market price of Treatt Shares in the foreseeable future is unlikely to reflect the underlying fundamental value of the business, given the illiquid trading characteristics of Treatt Shares arising from Treatt's relatively small market capitalisation, together with ongoing subdued investor sentiment towards smaller UK-quoted companies.

The Independent Committee also considers that the level of cost, management time and resource to maintain Treatt's stock market listing is disproportionate to the size of the business and detracts from management's ability to focus on fully delivering its operational and strategic priorities.

Against this background, and in assessing the proposal from Döhler, the Independent Committee, in conjunction with its advisers, considered a wide range of offer-related factors, including:

- the opportunity for Treatt Shareholders to realise their shareholdings, in cash, at an attractive value which represents a significant premium to the undisturbed share price of 206 pence per Treatt Share on 28 April 2026 (being the last Business Day before the date of this Announcement);
- the certainty provided by the Acquisition for Treatt Shareholders when compared with the inherent risks and uncertainties associated with the execution and delivery of Treatt's standalone strategy, and the risk that the market price of Treatt Shares in the foreseeable future may not accurately reflect delivery of that strategy;
- the deliverability of Döhler's proposal when compared with other potential strategic or transactional options available to the Independent Committee, particularly taking into account Döhler's existing shareholding in Treatt;
- the attractiveness of Döhler as an owner of Treatt, providing the business with a strong and larger platform from which to execute its growth strategy within a more suitable ownership structure; and
- Döhler's intentions for the business, in particular the ability to invest for the longer-term, the potential career development opportunities for the Treatt Group's management and employees and the expected benefits to customers from combining the Treatt Group's existing innovation and technical expertise with the Döhler Group's significant ingredients platforms and global distribution networks.

Having taken these factors into account, the Independent Committee believes that Döhler represents a highly attractive owner for Treatt and that being part of the Döhler Group will be complementary to Treatt and help accelerate its long-term growth strategy.

Accordingly, following careful consideration of the above factors, the Independent Directors intend to recommend unanimously that Treatt Shareholders vote, or procure voting, in favour of the Scheme at the Court Meeting and the Resolution(s) to be proposed at the General Meeting (or in the event that the Acquisition is implemented by way of a Takeover Offer, that Treatt Shareholders accept or procure acceptance of such Takeover Offer).

7. Information relating to Treatt

Treatt is a United Kingdom-headquartered global, independent manufacturer and supplier of a diverse and sustainable portfolio of natural extracts and ingredients for the flavour, fragrance, and multinational consumer product industries, particularly in the beverage sector. Treatt was established in 1886, incorporated in 1981 and is listed on the London Stock Exchange. It has well established research and manufacturing plants in the UK and U.S. Its recently opened commercial and innovation facility in China enhances its existing infrastructure and capabilities.

Treatt has built a diverse and sustainable portfolio of natural extracts and ingredients, supplying to customers in more than ninety countries. Treatt's diverse and strategically developed product portfolio, which includes named-fruit natural extracts, bespoke blends, price-stable synthetics and impactful aroma chemicals, enables it to support customers across a wide range of applications and market segments. Renowned for its citrus expertise, Treatt has built a global reputation of technical excellence, agility and service. More recently, Treatt's expertise has extended into high-growth spaces such as sugar reduction and tea, where its ability to solve complex formulation challenges is driving demand for long-term global partnerships.

8. Strategic plans and intentions with regard to Treatt and the Enlarged Group

Prior to this Announcement, and consistent with market practice, the Döhler Group was granted limited access to Treatt's senior management for the purposes of confirmatory due diligence and to support its assessment of potential synergies and integration.

Following completion of the Acquisition, Treatt will operate as a core pillar of the Döhler Group, entrusted with the responsibility to lead its own growth. While remaining strategically aligned with the broader goals of the Enlarged Group, the Treatt Group will maintain its entrepreneurial agility, empowered to make the pivotal decisions that drive its success. Döhler believes that proximity to customers and partners is a key differentiator and intends to empower Treatt's management by retaining localised decision-making, whilst unlocking access to the Döhler Group's global footprint and sourcing network, proprietary research and development capabilities and well-established sales platform to accelerate the growth trajectory of the Enlarged Group.

The Döhler Group will continue to review the Treatt Group's business and develop its plan for the Enlarged Group following the Effective Date. This will include a detailed assessment of the Enlarged Group's potential commercial footprint, operating model and business functions, whilst identifying duplicative and complementary roles across both organisations.

The Döhler Group expects that its review will be complete within 8 to 12 months following the Effective Date and that the implementation of its plan resulting therefrom will take up to 18 months following the Effective Date.

Employees and management

The Döhler Group places long-term value creation at the heart of its mission, prioritising the stability and growth of its employees. The Döhler Group maintains a philosophy that sustained development is best achieved by empowering its people to deliver excellence over the long-term. Furthermore, the Döhler Group attaches great importance to the skills, experience and expertise of the existing management team and employees of the Treatt Group and recognises their significant contributions to the business to date.

The Döhler Group also values the importance of continuity, leadership stability and local expertise, and would look to and intends to engage closely with senior management of the Treatt Group following the Effective Date to understand their medium-term and long-term ambitions, and to agree appropriate incentivisation and retention structures, ensuring alignment with the Döhler Group's strategic objectives. Döhler has not entered into, nor held discussions regarding, any incentive arrangements with employees or management of the Treatt Group before this Announcement. In addition, the Cooperation Agreement contains provisions in respect of employee related matters, including agreement by Döhler to offer employees of the Treatt Group minimum severance benefits in specified circumstances following the Effective Date, and the making of payments in lieu of notice to any non-executive director of Treatt who resigns in connection with the Acquisition and is not retained by the Döhler Group with effect from the Effective Date.

Döhler firmly believes that the integration of the Treatt Group into the Döhler Group will provide employees of the Treatt Group with unrivalled professional development opportunities on a global scale. By joining the Döhler Group's expansive international platform, employees of the Treatt Group will have access to:

- **Cross functional advancement:** opportunities to develop and progress across business units, including R&D, advanced technology functions, business support teams and integrated supply chain management;

- **International mobility:** exposure to the Döhler Group's operational and commercial network, enabling career progression and opportunities on a global scale; and
- **Talent investment:** ongoing investment in learning and development, technical excellence, and leveraging best practices across both organisations to drive operational efficiencies.

Döhler's role will be that of a strategic partner, collaborating with the management team of Treatt to ensure alignment on overarching commercial objectives, whilst enabling the local team to make decisions quickly and efficiently, without the often short-term focus of the public markets, aiming to lead the Treatt Group's business toward sustainable, long-term value creation.

Following the Effective Date, once Treatt ceases to be a company whose shares are admitted to trading on the Main Market of the London Stock Exchange and becomes part of the Döhler Group, as is customary, a limited number of listed company-related and other central functions may be reduced to reflect Treatt's new status. Döhler does not intend to make material headcount reductions in the context of the Treatt Group and expects to limit the impact on the employees currently fulfilling such roles. Reasonable efforts will be made to mitigate involuntary headcount reductions, such as through natural attrition, the consideration of vacant roles within the Enlarged Group, the redeployment of affected employees, and the future growth of the Enlarged Group. Döhler confirms that its intention is for any individuals impacted to be treated in a manner consistent with the Döhler Group's high standards, culture and practices.

In order to assist with the integration of Treatt Group into the Enlarged Group and in the light of the recent leadership changes to the board of Treatt, it is intended that Vijay Thakrar remain in his role as director and Chair of the Treatt board for up to six months following the Effective Date, on the same terms as his current appointment which Döhler do not expect to change. It is intended that all other non-executive directors of Treatt will resign with effect from the Effective Date and be paid in lieu of their contractual notice periods. Döhler has indicated to Treatt that it intends to ask Christine Sisler and Helga Moelschl to provide consultancy services to the Enlarged Group in the future given their deep sector expertise, but there have been no discussions in relation to any such arrangements or potential terms.

Döhler does not intend to make any material changes to the conditions of employment or the balance of skills and functions of the employees and management beyond the necessary changes to reflect the new status as a non-listed Company.

The existing contractual and statutory rights, including pension rights, and terms and conditions of employment of the Treatt Group's employees and its subsidiaries will be fully safeguarded and observed in accordance with applicable laws.

Research and development and fixed assets

The Döhler Group's strategy is to maximise the impact of the Treatt Group's innovation engine by focusing research and development initiatives on the areas in which the Treatt Group excels. Collecting shared technological developments and progress around the Treatt Group's dedicated assets will ensure these key resources remain the foundation for growth of the Enlarged Group.

Following completion of the Acquisition, Döhler intends to leverage the Treatt Group's best-in-class manufacturing footprint and technical capabilities to accelerate the growth agenda of the Enlarged Group. The Treatt Group's vertically integrated facilities, specialist processing capabilities and scale manufacturing expertise provide a strong platform to serve global customers with high-quality, customised ingredient solutions and are central to the Enlarged Group's value proposition.

Döhler recognises the importance of continued investment in innovation and research and development and intends to support the Treatt Group's established culture of product development, technical excellence and customer collaboration. Döhler does not intend to make any material changes to the Treatt Group's research and development activities, or to redeploy the Treatt Group's fixed assets.

Headquarters, headquarters functions and locations of business

Following the Effective Date, Döhler intends that the headquarters and headquarters functions of the Enlarged Group will continue to be based at the Döhler Group's existing headquarters in Darmstadt, Germany.

Döhler expects to retain the Treatt Group's existing facility in Bury St Edmunds as the primary hub of the Treatt Group's business within the UK. Regarding Treatt's facility in Florida, Döhler intends to retain it as a key hub for product development and manufacturing in the United States. Similarly, Döhler expects to retain and grow Treatt's recently opened commercial and innovation facility in Shanghai, China.

The Treatt Group's facilities represent key innovation and manufacturing hubs that Döhler plans to connect with the Döhler Group's global ecosystem. This combined reach is expected to best utilise the strengths of each location, ensuring the expanded network is well positioned to meet global demand.

Technology and systems

Döhler intends to integrate the Treatt Group's systems into the Döhler Group's advanced technology suite. This will bring key operational and reporting capabilities onto a single sophisticated Enterprise Resource Planning (ERP) and IT framework, which is expected to improve performance and customer experience through better data visibility, more consistent processes and controls, and faster, more informed decision-making.

Pension arrangements

The Treatt Group sponsors a defined benefit pension scheme in the UK. The most recent actuarial valuation recorded that, as at 1 January 2026, the scheme was in surplus on a technical provisions basis. Döhler understands that the scheme was closed to: (i) new members in October 2001 and (ii) the future accrual of benefits with effect from 31 December 2012. Döhler understands that the scheme recently entered into a "buy in" arrangement with an insurance company to enhance security for scheme members.

Döhler fully appreciates the importance of the defined benefit pension scheme and does not intend to make any change to the benefits provided by the scheme, nor to the employer contributions into the scheme. Döhler does not intend to re-open the defined benefit pension scheme to new members or to future accrual.

Döhler intends to take steps to ensure that the defined benefit pension scheme will not be detrimentally affected by the Acquisition.

Döhler recognises the importance of working closely with the scheme's trustees and its advisers to ensure that scheme members' benefits continue to be secured appropriately. Döhler looks forward to engaging constructively with the Chair of the scheme's trustees in respect of the Acquisition.

Trading facilities

Trealt Shares are currently admitted to the Official List and admitted to trading on the Main Market of the London Stock Exchange.

It is intended that requests will be made to the FCA to cancel admission of the Trealt Shares to the Official List and to the London Stock Exchange to cancel admission to trading in Trealt Shares on the Main Market, in each case conditional on the Acquisition becoming Effective. Following the Acquisition, Döhler intends to re-register Trealt as a private company.

No post-offer undertakings

None of the statements in this paragraph 8 is a “post-offer undertaking” for the purposes of Rule 19.5 of the Code.

9. Irrevocable undertakings and letters of intent

Döhler has received irrevocable undertakings to vote in favour (or procure a vote in favour) of the Scheme at the Court Meeting and the Resolution(s) at the General Meeting from those Trealt Directors who hold Trealt Shares in respect of their own beneficial shareholdings, totalling 22,201 Trealt Shares representing approximately 0.04 per cent. of the issued ordinary share capital of Trealt as at 28 April 2026, being the last Business Day before the date of this Announcement.

Döhler has also received non-binding letters of intent from Schroder Investment Management Limited, Rockwood Strategic plc (as managed by Rockwood Asset Management, a trading name of Harwood Private Capital LLP), Highclere International Investors, J O Hambro Capital Management Limited and Lord Lee of Trafford who between them hold directly or indirectly, in aggregate, 7,128,142 Trealt Shares representing approximately 12.0 per cent. of the issued share capital of Trealt as at 28 April 2026 (being the last Business Day before the date of this Announcement) stating its intention to vote (or procure a vote) in favour of the Scheme at the Court Meeting and the Resolution(s) at the General Meeting in respect of its holdings of Trealt Shares.

Döhler has therefore received irrevocable undertakings and letters of intent in respect of a total of 7,150,343 Trealt Shares representing, in aggregate, approximately 12.0 per cent. of the issued ordinary share capital of Trealt as at 28 April 2026, being the last Business Day before the date of this Announcement.

Further details of these irrevocable undertakings, including the circumstances in which they cease to be binding, and letters of intent are set out in Appendix 3 to this Announcement.

10. Financing of the Acquisition

The consideration payable under the Acquisition will be funded from existing cash resources available to the Döhler Group that have been transferred to Döhler pursuant to an intra-group loan between Döhler and Döhler GmbH. The proceeds from the intra-group loan have been deposited into an escrow account.

BofA Securities, as financial adviser to Döhler, is satisfied that sufficient resources are available to Döhler to satisfy in full the consideration payable pursuant to the terms of the Acquisition.

Further information on the financing of the Acquisition will be set out in the Scheme Document.

11. Acquisition-related arrangements

Confidentiality Agreement

Döhler Group SE and Treatt entered into the Confidentiality Agreement on 5 April 2026 pursuant to which Döhler Group SE has undertaken to: (i) keep certain information relating to, inter alia, the Acquisition and Treatt confidential and not to disclose it to third parties (other than to certain permitted parties) unless required by law or regulations; and (ii) use the confidential information only in connection with the Acquisition.

The confidentiality obligations under the Confidentiality Agreement shall terminate on the earlier of: (i) two years from the date of the Confidentiality Agreement, and (ii) the date of completion of the Acquisition. The Confidentiality Agreement also contains customary non-solicit and standstill provisions, each applicable for 12 months, in each case subject to customary carve-outs. The standstill provisions ceased to apply upon the release of this Announcement.

Clean Team Agreement

Döhler Group SE and Treatt entered into a clean team agreement on 10 April 2026 (the “**Clean Team Agreement**”), which sets out, among other things, how confidential information that is competitively sensitive can be disclosed, used or shared between Döhler Group SE’s clean team individuals and/or external advisers retained by Döhler Group SE and Treatt’s clean team individuals and/or external advisers retained by Treatt.

Confidentiality and Joint Defence Agreement

Treatt, Döhler Group SE and their respective external legal counsels have entered into a joint defence agreement dated 21 April 2026 (the “**Confidentiality and Joint Defence Agreement**”), the purpose of which is to ensure that the exchange and/or disclosure of certain commercially sensitive materials relating to the parties takes place only between their respective external legal counsels and external experts, and does not diminish in any way the confidentiality of such materials and does not result in a waiver of privilege, attorney work product doctrine, right or immunity that might otherwise be available.

Cooperation Agreement

Döhler, Döhler Group SE and Treatt have entered into a cooperation agreement dated 29 April 2026 (the “**Cooperation Agreement**”), pursuant to which: (i) Döhler and Döhler Group SE have agreed to use all reasonable efforts, and procure that the Döhler Group uses all reasonable efforts, to ensure that the Regulatory Conditions are satisfied as soon as practicable and, in any event, in sufficient time to enable the Effective Date to occur on or before the Long Stop Date; and (ii) Döhler, Döhler Group SE and Treatt have agreed to certain undertakings to co-operate and provide each other with information, assistance and access in relation to the regulatory clearances and authorisations necessary to satisfy the Regulatory Conditions to this Announcement.

The Cooperation Agreement will terminate if: (i) Döhler, Döhler Group SE and Treatt so agree in writing at any time prior to the Effective Date; (ii) the Acquisition, with the permission of the Panel, is withdrawn or lapses in accordance with its terms (other than in certain limited circumstances) on or before the Long Stop Date; (iii) an offer by a third party for all or a majority of the issued and to be issued share capital of Treatt or all or a majority of its business and assets completes, becomes effective or is declared or becomes unconditional; or (iv) unless otherwise agreed by Döhler, Döhler Group SE and Treatt in writing or required by the Panel, the Effective Date has not occurred on or before the Long Stop Date.

Döhler also has the right to terminate the Cooperation Agreement upon written notice to Treatt if (other than in certain limited circumstances) any of the following occurs (each being a “**Treatt Board Adverse Recommendation Change**”): (i) the Independent Directors withdraw, adversely modify or adversely qualify their unanimous, unqualified and unconditional recommendation to Treatt Shareholders to vote in favour of the Scheme at the Court Meeting and the Resolution(s) to be proposed at the General Meeting (or, if Döhler elects to proceed with a Takeover Offer, to accept such Takeover Offer) or makes an announcement that it intends to do so; (ii) such recommendation is not included in the Scheme Document or (if different) the document convening the General Meeting, when published; (iii) Treatt makes an announcement prior to publishing the Scheme Document or (if different) the document convening the General Meeting that: (A) the Independent Directors no longer intend unanimously to recommend the Acquisition or intend to adversely modify or qualify their recommendation; (B) it shall not convene the Court Meeting or General Meeting; or (C) it intends not to post the Scheme Document or (if different) the document convening the General Meeting, in each case without the consent of Döhler; (iv) a third party makes an announcement pursuant to Rule 2.7 of the Code in respect of an offer for all or part of the issued and to be issued share capital of Treatt which is recommended unanimously by the Independent Directors; or (v) after the Scheme has been approved by Treatt Shareholders at the Court Meeting and the General Meeting, the Independent Directors announce that Treatt shall not convene the Sanction Hearing and/or implement the Scheme (other than: (A) in connection with an announcement of a revised offer by Döhler for Treatt; (B) where Döhler elects to proceed with a Takeover Offer; or (C) because a Condition has become incapable of fulfilment or satisfaction and Döhler has stated that it will not waive such a Condition).

Either Döhler, Döhler Group SE or Treatt may terminate the Cooperation Agreement by written notice if, where Döhler has not elected, in accordance with the Cooperation Agreement, to implement the Acquisition by way of a Takeover Offer instead of the Scheme: (i) the Court Meeting and/or the General Meeting is not held on or before the 22nd day after the expected date of the Court Meeting to be set out in the Scheme Document (or such later date as (A) may be agreed by Döhler, Döhler Group SE and Treatt, or (B) in a competitive situation, as may be specified by Döhler with the consent of the Panel (and, in each case, if required, with the approval of the Court, if such approval is required)); (ii) the Scheme and/or the Resolution(s) are not approved by the requisite majority of Treatt Shareholders at the Court Meeting and/or the General Meeting; or (iii) the Scheme is not sanctioned at the Sanction Hearing.

The Cooperation Agreement also records Döhler, Döhler Group SE and Treatt’s intentions as at the date of the Cooperation Agreement to implement the Acquisition by way of the Scheme, subject to Döhler having the right to implement the Acquisition by way of a Takeover Offer (with the consent of the Panel) if (i) Treatt provides its prior written consent, (ii) a third party announces a firm intention to make an offer for Treatt, or (iii) a Treatt Board Adverse Recommendation Change occurs. Döhler, Döhler Group SE and Treatt have agreed to certain customary provisions if the Scheme should switch to a Takeover Offer with the prior written agreement of Treatt.

The Cooperation Agreement also contains provisions that shall apply in respect of directors’ and officers’ insurance, employee related matters (including agreement by Döhler to offer employees of the Treatt Group minimum severance benefits in specified circumstances following the Effective Date, and an acknowledgement by Döhler of Treatt’s intention to make payments in lieu of notice to any non-executive director of Treatt who resigns in connection with the Acquisition) and the Treatt Share Plans.

12. **Treatt Share Plans**

Participants in the Trett Share Plans shall be contacted regarding the effect of the Acquisition on their rights under the Trett Share Plans and appropriate proposals will be made to such participants in due course. Details of these proposals will be set out in the Scheme Document.

13. **Structure of and Conditions to the Acquisition**

It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act. However, Döhler reserves the right to elect to implement the Acquisition by way of a Takeover Offer, subject to the consent of the Panel (where necessary) and the terms of the Cooperation Agreement. The purpose of the Scheme is to provide for Döhler to become the owner of the entire issued and to be issued ordinary share capital of Trett. This is to be achieved by the transfer of Trett Shares to Döhler, in consideration for which Scheme Shareholders who are on the register of members of Trett at the Scheme Record Time will receive cash in respect of their Trett Shares on the basis described in paragraph 2 of this Announcement.

On the Scheme becoming Effective: (i) it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted at the Court Meeting and the General Meeting (and if they attended and voted, whether or not they voted in favour); and (ii) share certificates in respect of Scheme Shares will cease to be of value and should be destroyed and entitlements to Scheme Shares held within the CREST system will be cancelled. The consideration payable under the Scheme will be despatched to Scheme Shareholders by Döhler no later than 14 days after the Effective Date.

Any Trett Shares issued before the Scheme Record Time will be subject to the terms of the Scheme. The Resolution(s), which are to be proposed at the General Meeting, will, among other matters, provide that Trett's articles of association be amended to incorporate provisions requiring any Trett Shares issued after the Scheme Record Time (other than to Döhler or its nominee(s)) to be automatically transferred to Döhler on the same terms as the Acquisition (other than terms as to timings and formalities). The provisions of Trett's articles of association (as amended) will avoid any person (other than Döhler or its nominee(s)) holding Trett Shares after the Effective Date.

The Acquisition will be subject to the Conditions and certain further terms set out in Appendix 1 to this Announcement, and to the full terms and conditions which will be set out in the Scheme Document, including, among other things:

- the approval of the requisite majority of Scheme Shareholders at the Court Meeting;
- the passing of the Resolution(s) at the General Meeting;
- the receipt of competition clearances in Austria, Ireland, the United Kingdom and the United States;
- the sanction of the Scheme by the Court and a copy of the Court Order being delivered to the Registrar of Companies;
- the Scheme becoming Effective no later than the Long Stop Date.

The Scheme Document will include full details of the Scheme (including the expected timetable for the Acquisition), together with notices of the Court Meeting and General Meeting and the Forms of Proxy, and will specify the actions to be taken by Trett Shareholders. The Scheme Document will

be posted to Treatt Shareholders within 28 days of this Announcement (unless a later date is agreed between Döhler, Treatt and the Panel).

Subject to the satisfaction or waiver of all relevant conditions, including the Conditions and certain further terms set out in Appendix 1 to this Announcement, and the full terms and conditions which will be set out in the Scheme Document, and subject to the approval and availability of the Court, it is expected that the Scheme will become Effective in Q3 2026.

The Scheme will be governed by English law and will be subject to the jurisdiction of the Court. The Scheme will be subject to the applicable requirements of the Code, the Panel, the London Stock Exchange, the Court and the FCA.

14. **Cancellation of admission to trading and re-registration as a private company**

It is intended that the last day for dealings in, and registration of transfers of, Treatt Shares will be the Business Day following the date of the Sanction Hearing, and no transfers will be registered after 6.00 p.m. on that date. It is further intended that applications will be made to the London Stock Exchange to cancel the admission to trading of the Treatt Shares on the Main Market of the London Stock Exchange, and to the FCA to cancel the admission of Treatt Shares on the Official List, in each case with effect from or shortly following the Effective Date.

On or shortly after the Effective Date, entitlements to Treatt Shares held within the CREST system will be cancelled and share certificates in respect of Treatt Shares will cease to be valid.

It is also intended that, following the Effective Date, Treatt will be re-registered as a private limited company.

15. **Interests in Treatt Shares**

As at 28 April 2026, being the last Business Day before the date of this Announcement, Döhler had the following interests in Treatt Shares:

As at 27 April 2026, being the last practicable date before the date of this Announcement, persons acting in concert (within the meaning of the Code) with Döhler had the following interests in Treatt Shares:

- any interest in, or right to subscribe for, any relevant securities of Treatt;

It has not been possible for Döhler to make enquiries of all of its concert parties in advance of the release of this Announcement. Therefore, if Döhler becomes aware, following the making of such enquiries, that any of its concert parties have any such interests in relevant securities of Treatt, all relevant details in respect of Döhler's concert parties will be included in Döhler's Opening Position Disclosure in accordance with Rule 8.1(a) and Note 2(a)(i) on Rule 8 of the Code.

16. Overseas Shareholders

The availability of the Acquisition and the distribution of this Announcement to Treatt Shareholders who are not resident in the United Kingdom may be affected by the laws of the relevant jurisdiction in which they are located. Such persons should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdiction. Treatt Shareholders who are in any doubt regarding such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay.

This Announcement does not constitute an offer for sale of any securities or an offer or an invitation to purchase any securities. Treatt Shareholders are advised to read carefully the Scheme Document and related Forms of Proxy once these have been despatched.

18. Reserving the right to proceed by way of a Takeover Offer

Subject to obtaining the consent of the Panel and where permitted pursuant to the terms of the Cooperation Agreement (while the Cooperation Agreement is continuing), Döhler reserves the right to elect to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. In such event, the Acquisition will be implemented on the same terms and conditions, so far as applicable, as those which would apply to the Scheme, subject to appropriate amendments to reflect the change in method of effecting the Acquisition, including (without limitation) the inclusion of an acceptance condition set at 90 per cent. of Treatt Shares to which the Takeover Offer relates (or such lesser percentage as may be determined by Döhler after consultation with the Panel (if necessary), or as may be required under the terms of the Cooperation Agreement, being in any case more than 50 per cent. of the voting rights normally exercisable at a general meeting of Treatt).

19. General

The Acquisition will be subject to the Conditions and certain further terms set out in Appendix 1 to this Announcement, and to the full terms and conditions which will be set out in the Scheme Document. The Scheme Document will be despatched to Treatt Shareholders within 28 days of the date of this Announcement (unless a later date is agreed between Döhler, Treatt and the Panel).

In deciding whether or not to vote or procure votes to approve the Scheme at the Court Meeting or to vote or procure votes in favour of the Resolution(s) at the General Meeting in respect of their Treatt Shares, Treatt Shareholders should rely on the information contained, and follow the procedures described, in the Scheme Document.

BofA Securities, Peel Hunt and Investec have each given and not withdrawn their consent to the inclusion in this Announcement of the references to their respective names in the form and context in which they appear.

The sources and bases for certain financial information contained in this Announcement are set out in Appendix 2 to this Announcement. Details of the irrevocable undertakings and letters of intent received by Döhler are set out in Appendix 3. The defined terms used in this Announcement are set out in Appendix 4.

Further information

This Announcement is for information purposes only and is not intended to, and does not, constitute or form part of any offer or invitation to purchase, otherwise acquire, subscribe for, sell or otherwise dispose of any securities or the solicitation of any vote or approval in any jurisdiction pursuant to the Acquisition or otherwise. The Acquisition will be made solely through the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the Takeover Offer document),

which, together with the accompanying Forms of Proxy, will contain the full terms and conditions of the Acquisition, including details of how to vote in respect of the Acquisition. Any decision in respect of the Acquisition should be made only on the basis of the information in the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the Takeover Offer document).

Treatt will prepare the Scheme Document to be distributed to Treatt Shareholders. Treatt and Döhler urge Treatt Shareholders to read the Scheme Document (or any other document by which the Acquisition is made) in full when it becomes available because it will contain important information relating to the Acquisition, including details of how to vote in respect of the Scheme.

The statements contained in this Announcement are made as at the date of this Announcement, unless some other time is specified in relation to them, and publication of this Announcement shall not give rise to any implication that there has been no change in the facts set forth in this Announcement since such date.

This Announcement does not constitute a prospectus or a prospectus equivalent document.

This Announcement has been prepared for the purpose of complying with English law, the UK Market Abuse Regulation and the Code and the information disclosed may not be the same as that which would have been disclosed if this Announcement had been prepared in accordance with the laws of jurisdictions outside England.

The Acquisition will be subject to the applicable requirements of English law, the Code, the Panel, the London Stock Exchange, the Court and the FCA.

Overseas Shareholders

The release, publication or distribution of this Announcement in jurisdictions other than the UK, and the availability of the Acquisition to Treatt Shareholders who are not resident in the UK, may be restricted and therefore any persons who are not resident in the UK or who are subject to the laws of any jurisdiction other than the UK (including Restricted Jurisdictions) should inform themselves about, and observe, any applicable legal or regulatory requirements. In particular, the ability of persons who are not resident in the UK or who are subject to the laws of another jurisdiction to participate in the Acquisition or to vote their Treatt Shares in respect of the Scheme at the Court Meeting, or to execute and deliver Forms of Proxy appointing another to vote at the Court Meeting on their behalf may be affected by the laws of the relevant jurisdictions in which they are located or to which they are subject. Any failure to comply with applicable legal or regulatory requirements of any jurisdiction may constitute a violation of securities laws in that jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

Unless otherwise determined by Döhler or required by the Code, and permitted by applicable law and regulation, the Acquisition shall not be made available, directly or indirectly, in or into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Acquisition by any such use, means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction.

Accordingly, copies of this Announcement and any formal documentation relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in or into or from any Restricted Jurisdiction or any jurisdiction where to do so would constitute a violation of the laws of such jurisdiction and persons receiving such documents (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send them in

or into or from any Restricted Jurisdiction. Doing so may render invalid any related purported vote in respect of acceptance of the Acquisition.

Further details in relation to Treatt Shareholders in overseas jurisdictions will be contained in the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the Takeover Offer document).

Additional information for U.S. investors

The Acquisition relates to an offer for the shares of a UK company and is being made by means of a scheme of arrangement provided for under English company law. The Acquisition, to be implemented by way of a scheme of arrangement, is not subject to the tender offer rules or the proxy solicitation rules under the Exchange Act. Accordingly, the Acquisition is subject to the disclosure and procedural requirements and practices applicable to a scheme of arrangement involving a target company in the UK admitted to trading on the Main Market of the London Stock Exchange, which differ from the disclosure and procedural requirements of the U.S. tender offer and proxy solicitation rules.

The financial information with respect to Treatt included in this Announcement and the Scheme Document has been or will have been prepared in accordance with International Financial Reporting Standards (“IFRS”) and thus may not be comparable to the financial information of U.S. companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the U.S.

If in the future, Döhler exercises its right to implement the Acquisition by way of a Takeover Offer and determines to extend the Takeover Offer into the U.S., the Acquisition will be made in compliance with applicable U.S. laws and regulations, including to the extent applicable Section 14(e) of the Exchange Act and Regulation 14E thereunder. Such a Takeover Offer would be made in the U.S. by Döhler and no one else.

In the event that the Acquisition is implemented by way of a Takeover Offer, in accordance with normal United Kingdom practice and pursuant to Rule 14e-5(b) under the Exchange Act, Döhler or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of or arrangements to purchase, shares or other securities of Treatt outside of the U.S., other than pursuant to the Takeover Offer, until the date on which the Takeover Offer becomes effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices and would comply with applicable law, including the Exchange Act. Also, in such circumstances, in accordance with Rule 14e-5(b) of the Exchange Act, BofA Securities will continue to act as exempt principal trader in Treatt shares on the London Stock Exchange. Any information about such purchases shall be disclosed as required in the UK, will be reported to a Regulatory Information Service of the London Stock Exchange and will be available on the London Stock Exchange website at www.londonstockexchange.com.

The receipt of cash pursuant to the scheme by U.S. Shareholders (defined as shareholders who are U.S. persons as defined in the U.S. Internal Revenue Code) as consideration for the transfer of Treatt Shares pursuant to the Scheme may be a taxable transaction for U.S. federal income tax purposes and under applicable U.S. state and local, as well as foreign and other, tax laws. Each Treatt Shareholder (including U.S. Shareholders) is urged to consult their independent professional adviser immediately regarding the tax consequences of the transaction applicable to him.

Neither the SEC nor any U.S. state securities commission has approved, disapproved or passed judgment upon the fairness of the Acquisition or passed upon the adequacy or accuracy of this Announcement. Any representation to the contrary is a criminal offence in the U.S.

Some or all of Treatt's and Döhler's respective officers and directors reside outside the U.S., and some or all of their respective assets are or may be located in jurisdictions outside the U.S. Therefore, investors may have difficulty effecting service of process within the U.S. upon those persons or recovering against Treatt or Döhler or their respective officers or directors on judgments of U.S. courts, including judgments based upon the civil liability provisions of the U.S. federal securities laws. Further, it may be difficult to compel a non-U.S. company and its affiliates to subject themselves to a U.S. court's judgment. It may not be possible to sue Treatt, Döhler or their respective officers or directors in a non-U.S. court for violations of the U.S. securities laws.

Forward-looking statements

This Announcement (including information incorporated by reference in this Announcement), oral statements made regarding the Acquisition, and other information published by Döhler and Treatt contain statements which are, or may be deemed to be, "forward-looking statements". All statements, other than statements of historical fact are, or may be deemed to be, forward-looking statements. Forward-looking statements are prospective in nature and are not based on historical facts, but rather on assumptions, expectations, valuations, targets, estimates, forecasts and projections of Döhler and Treatt about future events, and are therefore subject to risks and uncertainties which could cause actual results, performance or events to differ materially from those expressed or implied by the forward-looking statements. The forward-looking statements contained in this Announcement include statements relating to the expected effects of the Acquisition on the Döhler Group, the Treatt Group and the Enlarged Group, the expected timing and scope of the Acquisition and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "plans", "expects", "budget", "targets", "aims", "scheduled", "estimates", "forecast", "intends", "anticipates", "seeks", "prospects", "potential", "possible", "assume" or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Döhler and Treatt give no assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risks (known and unknown) and uncertainties (and other factors that are in many cases beyond the control of Döhler and/or Treatt) because they relate to events and depend on circumstances that may or may not occur in the future.

There are a number of factors that could affect the future operations of the Döhler Group, the Treatt Group and/or the Enlarged Group and that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements. These factors include the satisfaction (or, where permitted, waiver) of the Conditions, as well as additional factors, such as: domestic and global business and economic conditions; the impact of pandemics, asset prices; market-related risks such as fluctuations in interest rates and exchange rates, industry trends, competition, changes in government and regulation, changes in the policies and actions of governments and/or regulatory authorities (including changes related to capital and tax), changes in political and economic stability (including exposures to terrorist activities, Eurozone instability, disruption in business operations due to reorganisation activities, interest rate, inflation, deflation and currency fluctuations), the timing impact and other uncertainties of future or planned acquisitions or disposals or offers, the inability of the Enlarged Group to realise successfully any anticipated synergy benefits when the Acquisition is implemented (including changes to the board and/or employee composition of the Enlarged Group), the inability of the Döhler Group to integrate successfully the Treatt Group's operations and programmes when the Acquisition is implemented, the Enlarged Group incurring and/or experiencing unanticipated costs and/or delays (including IT

system failures, cyber-crime, fraud and pension scheme liabilities), or difficulties relating to the Acquisition when the Acquisition is implemented. Other unknown or unpredictable factors could affect future operations and/or cause actual results to differ materially from those in the forward-looking statements. Such forward-looking statements should therefore be construed in the light of such factors.

Each forward-looking statement speaks only as of the date of this Announcement. Neither the Döhler Group nor the Treatt Group, nor any of their respective associates or directors, officers or advisers, provides any representation, warranty, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this Announcement will actually occur. Forward-looking statements involve inherent risks and uncertainties. All forward-looking statements contained in this Announcement are expressly qualified in their entirety by the cautionary statements contained or referred to in this section. Readers are cautioned not to place undue reliance on these forward-looking statements. Other than in accordance with their legal or regulatory obligations (including under the Code, the UK Market Abuse Regulation and the DTRs), neither the Döhler Group nor the Treatt Group is under or undertakes any obligation, and each of the foregoing expressly disclaims any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

No profit forecasts or estimates

Nothing in this Announcement is intended, or is to be construed, as a profit forecast or to be interpreted to mean that earnings or earnings per share for Treatt for the current or future financial years, will necessarily match or exceed the historical published earnings or earnings per share for Treatt.

Disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the Announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. on the tenth business day following the commencement of the Offer Period and, if appropriate, by no later than 3.30 p.m. on the tenth business day following the Announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the Offer Period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

- (ii) the Court Meeting and any separate class meeting which may be required by the Court (or any adjournment of any such meeting) being held on or before the 22nd day after the expected date of the Court Meeting to be set out in the Scheme Document in due course (or such later date (a) as Döhler and Treatt may agree or (b) (in a competitive situation) as may be specified by Döhler with the consent of the Panel, and, in each case that, if so required, the Court may allow);
- (B) (i) the Resolution(s) being duly passed by the requisite majority or majorities at the General Meeting; and
- (ii) the General Meeting being held on or before the 22nd day after the expected date of the General Meeting to be set out in the Scheme Document in due course (or such later date as: (a) Döhler and Treatt may agree; or (b) (in a competitive situation) may be specified by Döhler with the consent of the Panel, and, in each case that, if so required, the Court may allow); and
- (C) (i) the sanction of the Scheme by the Court with or without modification (but subject to any such modification being acceptable to Döhler and Treatt) and the delivery of a copy of the Court Order to the Registrar of Companies; and
- (ii) the Sanction Hearing being held on or before the 22nd day after the expected date of the Sanction Hearing as first announced by Treatt through a Regulatory Information Service (or such later date as: (a) as Döhler and Treatt may agree; or (b) (in a competitive situation) as may be specified by Döhler with the consent of the Panel and, in each case that, if so required, the Court may allow).

In addition, Döhler and Treatt have agreed that, subject as stated in Part 2 of this Appendix 1 and to the requirements of the Panel, the Acquisition will be conditional on the following Conditions and, accordingly, the necessary actions to make the Scheme Effective will not be taken unless the following Conditions (as amended if appropriate) have been satisfied or, where relevant, waived:

3. Official authorisations, regulatory clearances and Third Party clearances

PART 2

Waiver and invocation of the Conditions

1. Subject to the requirements of the Panel in accordance with the Code, Döhler reserves the right in its sole discretion to waive, in whole or in part, all or any of the Conditions in Part 1 of this Appendix 1, except for Conditions 1 (*Conditions to the Acquisition*), 2(A)(ii), 2(B) and 2(C)(i) (*Scheme approval*), which cannot be waived. The deadlines in any of Conditions 2(A)(ii), 2(B)(ii) and 2(C)(ii) (*Scheme approval*) may be extended to such later date as Döhler may determine (with the Panel's consent and approval of the Court, if such consent and/or approval is required). If any of Conditions 1 (*Conditions to the Acquisition*), 2(A)(ii), 2(B)(ii) and 2(C)(ii) (*Scheme approval*) is not satisfied by the relevant deadline specified in the relevant Condition, Döhler shall make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether, subject to paragraph 3 below, it has invoked the relevant Condition, waived the relevant deadline or extended the relevant deadline.
2. Conditions 2(A)(i) and 2(B)(i) (*Scheme approval*) and 3 (*Official authorisations, regulatory clearances and Third Party clearances*) to 8 (*Anti-corruption, economic sanctions, criminal property and money laundering*) (inclusive) must be fulfilled, determined by Döhler to remain fulfilled or (if capable of waiver) waived, by no later than 11.59 p.m. on the day before the Sanction Hearing. Döhler shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as satisfied any of Conditions 3 (*Official authorisations, regulatory clearances and Third Party clearances*) to 8 (*Anti-corruption, economic sanctions, criminal property and money laundering*) (inclusive) by a date or time earlier than the latest date and time specified above for the fulfilment of the relevant Condition notwithstanding that the other Conditions may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.
3. Subject to paragraph 4 below, under Rule 13.5(a) of the Code, Döhler may only invoke a Condition so as to cause the Acquisition not to proceed, to lapse or to be withdrawn with the consent of the Panel. The Panel will normally only give its consent if the circumstances which give rise to the right to invoke the Condition are of material significance to Döhler in the context of the Acquisition. This will be judged by reference to the facts of each case at the time that the relevant circumstances arise.

4. Each of Conditions 1 (*Conditions to the Acquisition*) and 2 (*Scheme approval*) (and any Takeover Offer acceptance condition adopted on the basis specified in Part 3 of this Appendix 1) will not be subject to Rule 13.5(a) of the Code.
5. Any Condition that is subject to Rule 13.5(a) of the Code may be waived by Döhler.
6. The Acquisition will not become Effective unless the Conditions have been fulfilled or (to the extent capable of waiver) waived or, where appropriate, have been determined by Döhler to be or remain satisfied by no later than the Long Stop Date.
7. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.

PART 3

Implementation by way of Takeover Offer

Subject to obtaining the consent of the Panel and where permitted pursuant to the terms of the Cooperation Agreement (while the Cooperation Agreement is continuing), Döhler reserves the right to elect to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. In such event, such Takeover Offer will be implemented on the same terms and conditions, so far as applicable, as those which would apply to the Scheme subject to appropriate amendments to reflect the change in method of effecting the Takeover Offer, including (without limitation), with the consent of the Panel, the inclusion of an acceptance condition set at 90 per cent. of Treatt Shares to which the Takeover Offer relates, (or such lesser percentage as may be determined by Döhler after consultation with the Panel (if necessary), or as may be required under the terms of the Cooperation Agreement), being in any case more than 50 per cent. of the voting rights normally exercisable at a general meeting of Treatt.

PART 4

Certain further terms of the Acquisition

1. If Döhler is required by the Panel to make an offer for Treatt Shares under a mandatory offer for Treatt under Rule 9 of the Code, Döhler may make such alterations to the above Conditions as are necessary to comply with Rule 9 of the Code.
2. The availability of the Acquisition to persons not resident in the UK may be affected by the laws of the relevant jurisdiction. Persons who are not resident in the UK should inform themselves about, and observe, any applicable requirements. Treatt Shareholders who are in any doubt about such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay and observe any applicable requirements. Further details in relation to Overseas Shareholders will be contained in the Scheme Document.
3. Treatt Shares will be acquired by Döhler fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and any other third party rights or interests whatsoever and together with all rights existing at the date of this Announcement or thereafter attaching or accruing thereto, including (without limitation) the right to receive and retain, in full, all dividends and other distributions (if any) declared, made or paid or any other return of capital (whether by way of reduction of share capital, repurchase or redemption or otherwise), if any declared, made or paid on or after the date of this Announcement in respect of Treatt Shares (other than the Final Dividend and any

subsequent dividend to which the Treatt Shareholders will be entitled under paragraph 4 of this Part below).

4. If any dividend, distribution or other return of capital is announced, declared, made, payable or paid in respect of Treatt Shares on or after the date of this Announcement and before the Effective Date (other than the Final Dividend), Döhler reserves the right to reduce the consideration payable in respect of each Treatt Share by the amount of all or part of any such dividend, distribution or other return of capital, in which case any reference in this Announcement to the consideration payable under the terms of the Acquisition will be deemed to be a reference to the consideration as so reduced. If Döhler exercises this right or makes such a reduction in respect of a dividend, distribution or other return of capital, Treatt Shareholders will be entitled to receive and retain that dividend, distribution or other return of capital. Any exercise by Döhler of its rights referred to in this paragraph 4 shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the Acquisition.
5. This Announcement and any rights or liabilities arising hereunder, the Acquisition, the Scheme and the Forms of Proxy will be governed by the laws of England and Wales and be subject to the jurisdiction of the courts of England and Wales. The Acquisition will also be subject to the Conditions and certain further terms set out in this Announcement, and the full terms and conditions which will be set out in the Scheme Document, and such further terms as may be required to comply with the UK Listing Rules and the provisions of the Code. The Acquisition and the Scheme will comply with the applicable requirements of the Code, the Panel, the London Stock Exchange, the Court and the FCA. This Announcement does not constitute, or form part of, an offer or invitation to purchase Treatt Shares or any other securities.

2.4 For the purposes of making bonus determinations in respect of Treatt's financial year in which the Effective Date occurs and for setting annual bonus opportunities and making bonus determinations for the Treatt's first complete financial year following the Effective Date, Döhler will procure that:

- (i) Treatt will not shorten its financial year which will end on 30 September in the relevant year (irrespective of any change in Treatt's accounting reference date);
- (ii) Insofar as it is not reasonably practicable to set and/or determine any financial and/or personal performance metrics which were set or applied pursuant to Treatt's past practice or relevant policies prior to the Effective Date (including, without limitation, by virtue of Treatt's shares no longer being publicly traded), any replacement performance metrics shall not be materially more difficult to attain than those in place prior to the Effective Date; and
- (iii) bonus determinations will, insofar as is reasonably practicable, be made on a normalised basis which excludes from the relevant assessment of financial and/or performance the impact of changes to Treatt's business and financial accounting that would not have arisen but for the Acquisition, including without limitation:
 - (A) changes to Treatt's accounting policies following the Effective Date;
 - (B) exceptional items relating to the Acquisition, including restructuring costs and professional adviser fees;
 - (C) the reallocation of costs or revenues between as between members of Treatt's Group and as between the Treatt Group and the Döhler Group following the Effective Date;
 - (D) interest costs and any other charges relating to Döhler's Acquisition financing;
 - (E) losses arising on the disposal, revaluation or impairment of any long-term assets or investments of Treatt or any member of the Treatt Group following the Effective Date;
 - (F) provisions included in Treatt's accounts following the Effective Date which would not have been included pursuant to Treatt's accounting policies or practice prior to the Effective Date;
 - (G) the effect of any related party transactions including intercompany charges, loans, management fees and service costs between Treatt and any member of the Döhler Group; and
 - (H) cost and revenue synergies that would not have arisen but for the Acquisition as well as any one-off or recurring costs associated with realising those synergies.

3. **Maintenance of compensation and benefits**

3.1 For the period until the end of the calendar day falling 12 months after the Effective Date, and without prejudice to paragraph 2 of this Schedule 2, Döhler agrees that in respect of each Continuing Employee it will:

- (a) maintain at least the same base salary or wage rate as was provided to each such Continuing Employee immediately before the Effective Date; and
- (b) provide a compensation, benefits and allowance (including pension benefits) package, and cash and equity incentive compensation opportunities (but such opportunities need not be in the form of equity) which, taken together as a whole, are no less favourable than those provided to such Continuing Employee immediately before the Effective Date.

4. **Severance arrangements**

4.1 Döhler agrees that, if any Continuing Employee is the subject of a Qualifying Termination (as defined in paragraph 4.2 below) or gives or receives notice in connection with a Qualifying Termination, in each case at any time from and including the Effective Date until the end of the calendar day falling 12 months after the Effective Date (provided that notice is served on or after the Effective Date), such Continuing Employee will:

- (a) be entitled to applicable redundancy and severance payments and benefits that are no less favourable for an individual of their seniority in the relevant jurisdiction than those under any:
 - (i) Treatt Redundancy Practices which applied to that Continuing Employee immediately before the Effective Date; or
 - (ii) if more favourable, any established policy or practice of the Döhler Group relating to redundancy and/or severance pay and benefits in existence at a local level as at the date of the Qualifying Termination;
- (b) if paid in lieu of notice, receive such a payment in a single lump sum in the normal payroll after the Qualifying Termination and such payment shall comprise the greater of (i) that Continuing Employee's contractual entitlement upon payment in lieu of notice; or (ii) their salary and the value of any contractual benefits which that Continuing Employee would have been entitled to receive during the period for which payment in lieu of notice is made (including any pension contributions or payments in lieu of pension contributions but excluding any bonus entitlements);
- (c) receive any bonus entitlement calculated on a pro-rata basis to the date of the Qualifying Termination or, where the Continuing Employee has been paid in lieu of some or all of their notice, the date that that notice would have expired in the absence of such a payment;
- (d) be treated as a good leaver (or any similar or equivalent concept) under any relevant leaver provisions of any cash or equity incentive arrangement in which they participate as at the date of termination;
- (e) where outplacement support would have been available to such Continuing Employee in accordance with the Treatt's practice before the Effective Date, receive reasonable and appropriate outplacement support commensurate to their seniority, on similar terms to the Treatt's practice immediately before the Effective Date; and

- (f) if applicable, receive a reasonable and appropriate contribution towards legal fees if they enter into a settlement agreement in connection with the Qualifying Termination.

4.2 In this Agreement, a **Qualifying Termination** is:

- (a) any termination of employment taking effect on or after the Effective Date by reason of the Continuing Employee's redundancy, as defined by applicable law, and which occurs in connection with or as a result of the Acquisition;
- (b) any termination of employment by the employer taking effect on or after the Effective Date other than where the Continuing Employee's employment has been terminated by their employer, acting reasonably and after following a fair process, by reason of misconduct or poor performance or where there are reasonable grounds for summary termination in accordance with the Continuing Employee's contract and/or applicable law;
- (c) any termination of employment taking effect on or after the Effective Date by reason of the Continuing Employee's ill health, injury, disability, death, or retirement with the agreement of their employing entity, acting reasonably;
- (d) for the purposes of the entitlements at paragraph 4.1(c) and (d) above, any cessation of employment with the Treatt Group or the Döhler Group after the Effective Date by reason of: (i) their employing entity ceasing to be a member of the Treatt Group or the Döhler Group; or (ii) the business or part of the business in which they work being transferred to a person that is not a member of the Treatt Group or the Döhler Group;
- (e) a termination of employment taking effect on or after the Effective Date by reason of the Continuing Employee's resignation in circumstances amounting to constructive dismissal, and/or where: (i) the Continuing Employee's role has been materially diminished as a result of the Treatt ceasing to be a listed company where the Treatt has determined, acting reasonably, that the Continuing Employee's role, duties and responsibilities are substantially linked to the Treatt's listed status; (ii) without the Continuing Employee's express written consent, there is a material reduction in the Continuing Employee's compensation, benefits and allowance (including pensions and benefits) package, including cash and equity incentive opportunities (acknowledging such opportunities do not need to be in the form of equity), taken together as a whole; and/or (iii) the Continuing Employee's normal place of work has been moved more than 25 miles from their normal place of work as at the Effective Date. In the event of any dispute about whether (i), (ii) or (iii) applies to a particular Continuing Employee, the decision shall be referred to Treatt's Chief Human Resources Officer as at the time of the dispute (or, if such role does not exist at the time of any dispute, by the individual performing the most similar duties and functions at the relevant time) who will, acting reasonably, determine the position.

5. **Non-executive director notice pay**

- 5.1 Döhler acknowledges that Treatt intends, after the Effective Date, to pay any non-executive director of Treatt who resigns in connection with the Acquisition with effect from the Effective Date a payment in lieu of the fees they would have received for their notice period, including any supplementary fees for additional responsibilities.
