Proposed offer for Treatt PLC

1. Introduction

1.1 I, the undersigned, understand that:

- (A) the Offeror is considering making an offer to acquire the entire issued and to be issued share capital of Treatt PLC not already owned by the Offeror (the "Company") (the "Proposed Transaction");
- (B) it is intended that the terms and conditions of the Proposed Transaction will be set out in an announcement by the Offeror of a firm intention to make an offer for the Company under Rule 2.7 of the City Code on Takeovers and Mergers (the "Code"), substantially in the form attached to this undertaking at Schedule 2 (subject to the inclusion of any alternative or additional terms and conditions as may be required to comply with the requirements of: (1) the Panel on Takeovers and Mergers (the "Panel"); (2) the Code; (3) the Financial Conduct Authority; and (4) the London Stock Exchange plc and/or any other relevant securities exchange and/or any other applicable law or regulation or as agreed between the Company and the Offeror) (the "Rule 2.7 Announcement"); and
- (C) it is intended that the Proposed Transaction will be implemented by way of a court-sanctioned scheme of arrangement under Part 26 of the Companies Act 2006 (a "Scheme"), but the Offeror has reserved the right, subject to the Code and the terms of the Cooperation Agreement, to elect to implement the Proposed Transaction by way of a takeover offer, as defined in Chapter 3 of Part 28 of the Companies Act 2006 (an "Offer").

For the purpose of this undertaking, the "Cooperation Agreement" shall mean the terms of the cooperation agreement to be entered into at or around the same time as this undertaking between the Offeror and the Company in connection with the Acquisition.

3. **Warranties and undertakings**

3.1 I irrevocably represent and warrant to the Offeror that:

- (C) acquire any further interest in any shares or otherwise deal or undertake any dealing (as defined in the Code) in any relevant securities in the Company other than pursuant to the Share Plans unless the Panel has first determined, and confirmed to the Offeror and the Company, that I am not acting in concert with the Offeror for the purpose of Note 9 on the definition of “acting in concert” in the Code; or

4. **Scheme**

Unless and until the obligations under this undertaking lapse in accordance with the terms of this undertaking, I irrevocably undertake to the Offeror that, if the Proposed Transaction is implemented by way of a Scheme:

- (A) after the despatch to the Company’s shareholders of the circular relating to the Scheme (the “Scheme Document”), I shall return, or procure the return of, or (to the extent such Shares are held on an intermediated platform) give instructions (via electronic means or otherwise) to the relevant intermediary or broker in accordance with their specified procedures in order for them to return, the signed forms of proxy enclosed with the Scheme Document (completed and signed and voting in favour of the resolutions to implement the Proposed Transaction) in accordance with the instructions printed on those forms of proxy and, if applicable, in respect of any Shares held in uncertificated form, take or procure the taking of any other action which may be required in order to make a valid proxy appointment and give valid proxy instructions (voting in favour of the resolutions to implement the Proposed Transaction):

8. **Lapse of undertaking**

8.1 Notwithstanding any other provisions of this undertaking, all obligations under this undertaking will lapse and cease to have any effect on the earlier of the following occurrences:

RECOMMENDED CASH ACQUISITION

OF

TREATT PLC (“Treatt” or the “Company”)

BY

DÖHLER FINANCE MANAGEMENT B.V. (“Döhler”)

(an indirect wholly-owned subsidiary of Döhler Group SE)

to be effected by means of a Scheme of Arrangement under

Part 26 of the Companies Act 2006

Summary

- The boards of Döhler and Treatt are pleased to announce that they have reached agreement on the terms of a recommended cash offer to be made by Döhler to acquire the entire issued and to be issued ordinary share capital of Treatt not already owned by Döhler (the “**Acquisition**”).
- Under the terms of the Acquisition, Treatt Shareholders will be entitled to receive:

for each Treatt Share: 305 pence in cash
- In addition, the Acquisition allows for the distribution of the previously announced final dividend for the year ended 30 September 2025 of 3 pence per Treatt Share to be paid on 13 May 2026 to Treatt Shareholders on the register as at the close of business on 7 April 2026 (the “**Final Dividend**”).
- The terms of the Acquisition (excluding the Final Dividend) value the entire issued and to be issued ordinary share capital of Treatt at approximately £183 million and represent a premium of approximately:
 - 48 per cent. to the Closing Price of 206 pence per Treatt Share on 28 April 2026 (being the last Business Day before the date of this Announcement);
 - 48 per cent. to the volume-weighted average price of 206 pence per Treatt Share for the one-month period ended 28 April 2026 (being the last Business Day before the date of this Announcement);

- 47 per cent. to the volume-weighted average price of 208 pence per Treatt Share for the three-month period ended 28 April 2026 (being the last Business Day before the date of this Announcement); and
- 17 per cent. to Natara's original cash offer dated 8 September 2025 and 5 per cent. to Natara's increased "final" cash offer dated 6 October 2025.
- The Döhler Group has a deep understanding of the Treatt Group's business, having worked closely with the Treatt Group over many years as a strategic supplier and customer, and these insights have allowed the Döhler Group to develop a differentiated perspective on the Company. Whilst the Döhler Group remains supportive of the strategy outlined by Treatt and recognises the recent steps taken to stabilise the operating performance of the Company, it believes that public markets are unlikely to provide the necessary support to the Company to deliver its strategy due to the public markets' focus on short-term performance. Döhler firmly believes that it would be the right partner to unlock the full extent of the Treatt Group's growth potential as its support and advanced distribution capabilities will provide the Company with the platform and flexibility to accelerate the execution of its long-term strategic agenda in a privately-owned setting.
- The terms of Döhler's proposal represent an attractive value in cash for Treatt Shareholders at a substantial premium to the current share price, and at a time of considerable sector-wide disruption and ongoing geopolitical and macroeconomic uncertainty. For the Treatt Group's business, it would unlock opportunities which are not available to the Company in the public markets, fuelled by an enhanced ability to invest in long-term growth, and supported by the Döhler Group's scale and expertise to integrate acquisitions, focus on investing in businesses, and ability to create a leading global ingredients platform.
- The Acquisition is expected to be effected by means of a Court-sanctioned scheme of arrangement between Treatt and Scheme Shareholders under Part 26 of the Companies Act, although Döhler reserves the right to elect to implement the Acquisition by way of a Takeover Offer, subject to the consent of the Panel (where necessary) and the terms of the Cooperation Agreement.
- If any dividend, distribution or other return of capital is announced, declared, made or paid, or becomes payable, in respect of Treatt Shares on or after the date of this Announcement and before the Effective Date (other than the Final Dividend), Döhler reserves the right to reduce the consideration payable in respect of each Treatt Share by the amount of all or part of any such dividend or other distribution. If Döhler exercises this right or makes such a reduction in respect of a dividend, distribution or other return of capital that has not been paid, Treatt Shareholders will be entitled to receive and retain that dividend, distribution or other return of capital declared, made or paid.

Background to and reasons for the Acquisition

The Döhler Group has long admired the Treatt Group's business and its rich heritage, and its experience in observing the Company as its largest shareholder has reinforced its views on the quality of the business and its strong people-first culture.

Döhler believes there is attractive industrial logic for a combination of the Döhler Group and the Treatt Group and sees a clear opportunity to accelerate Treatt Group's growth trajectory through focused investment and disciplined execution.

Döhler believes that the Acquisition offers strategic and operational benefits, including:

- **Highly complementary portfolios and geographic reach** – the Döhler Group and the Treatt Group operate in adjacent and complementary segments of the natural ingredients and flavour value chain, creating a stronger, more competitive and globally-integrated ingredients platform.
- **Ability to deliver a stronger customer proposition supported by a strong U.S. footprint** – the Acquisition combines the Treatt Group’s deep expertise in high-performance natural extracts with the Döhler Group’s technology-driven ingredient systems and integrated solutions capabilities, supported by the Treatt Group’s strategically attractive U.S. production footprint and the expected immediate cross-selling opportunities across new geographies and strategic accounts.
- **Enhanced innovation capabilities** – the Enlarged Group will create a differentiated innovation engine centred on unlocking customer insights and championing emerging category trends.
- **Scaled global platform with strategic flexibility** – the Acquisition creates a larger, more resilient global platform better positioned to navigate sector-wide disruption.
- **Long-term investment horizon and people-led value creation** – the Acquisition allows the Treatt Group to benefit from the Döhler Group’s family-owned, long-term ownership model, providing stability and sustained investment capacity.

For the reasons outlined above, Döhler firmly believes the Acquisition provides significant benefits to Treatt and its stakeholders which would not be available on a standalone basis.

Recommendation

- On 19 January 2026, Treatt and Döhler entered into the Relationship Agreement pursuant to which Döhler has the right to nominate one candidate for appointment to the Treatt Board as a director. On 1 February 2026, Helga Moelschl was appointed to the Treatt Board by Döhler pursuant to that right. The Treatt Board has, therefore, formed a committee of directors comprising all members of the Treatt Board from time to time other than Helga Moelschl (the “**Independent Committee**”) to consider the Acquisition and determine on behalf of the Treatt Board whether to recommend Scheme Shareholders vote in favour of the Scheme (or accept the Takeover Offer, if applicable).
- The Independent Directors, who have been so advised by Peel Hunt and Investec as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing advice to the Independent Directors, Peel Hunt and Investec have taken into account the commercial assessments of the Independent Directors. Peel Hunt and Investec are providing independent financial advice to the Independent Directors for the purposes of Rule 3 of the Code.
- Accordingly, the Independent Directors intend to recommend unanimously that Scheme Shareholders vote in favour of the Scheme at the Court Meeting and Treatt Shareholders vote in favour of the Resolution(s) at the General Meeting (or in the event that the Acquisition is implemented by way of a Takeover Offer, that Treatt Shareholders accept or procure acceptance of such Takeover Offer) as the Treatt Directors who hold Treatt Shares have irrevocably undertaken to do in respect of their entire beneficial holdings of Treatt Shares, amounting in aggregate to 22,201 Treatt Shares representing approximately 0.04 per cent. of the issued ordinary share capital of Treatt as at 28 April 2026 (being the last Business Day before the date of this Announcement). Further details of these irrevocable

undertakings, including the circumstances in which they cease to be binding, are set out in Appendix 3 to this Announcement.

Shareholder support

- Döhler has also received non-binding letters of intent from certain Treatt Shareholders who between them hold directly or indirectly, in aggregate, 7,128,142 Treatt Shares representing approximately 12.0 per cent. of the issued share capital of Treatt as at 28 April 2026 (being the last Business Day before the date of this Announcement) each stating its intention to vote (or procure a vote) in favour of the Scheme at the Court Meeting and the Resolution(s) at the General Meeting in respect of its holdings of Treatt Shares. Further details of these letters of intent are set out in Appendix 3 to this Announcement.

Timetable and Conditions

- The Acquisition will be subject to, among other things: (i) the approval of the requisite majority of Scheme Shareholders at the Court Meeting and the passing of the Resolution(s) at the General Meeting; (ii) receipt of competition clearances in Austria, Ireland, the United Kingdom and the United States; (iii) the sanction of the Scheme by the Court and a copy of the Court Order being delivered to the Registrar of Companies; and (iv) the Scheme becoming Effective no later than the Long Stop Date. The Acquisition will also be subject to the other terms and Conditions set out in Appendix 1 to this Announcement, and to the full terms and conditions which will be set out in the Scheme Document.
- The Acquisition will be put to Scheme Shareholders at the Court Meeting and to the Treatt Shareholders at the General Meeting. To become Effective, the Scheme must be approved by a majority in number of the Scheme Shareholders present, entitled to vote and voting at the Court Meeting, either in person or by proxy, representing at least 75 per cent. in value of the Scheme Shares voted. In addition, the Resolution(s) must be passed by the requisite majority or majorities at the General Meeting (expected to be held immediately after the Court Meeting). Following the Court Meeting, the Scheme must also be sanctioned by the Court. Finally, a copy of the Court Order must be delivered to the Registrar of Companies, upon which the Scheme will become Effective. The Scheme must become Effective by no later than the Long Stop Date.
- The Scheme Document will include full details of the Scheme (including the expected timetable for the Acquisition), together with notices of the Court Meeting and the General Meeting and the Forms of Proxy, and will specify the actions to be taken by Treatt Shareholders. The Scheme Document will be posted to Treatt Shareholders within 28 days of this Announcement (unless a later date is agreed between Döhler, Treatt and the Panel).
- The Acquisition is expected to complete in Q3 2026, subject to the satisfaction (or, where applicable, waiver) of the Conditions set out in Appendix 1 to this Announcement, and to the full terms and conditions which will be set out in the Scheme Document.
- Commenting on the Acquisition, Martin Tolksdorf, Chief Marketing Officer of Döhler Group SE, said:

“The Döhler Group has long admired Treatt as a high-quality business with a rich heritage of product excellence, strong customer relationships and a deep-rooted culture of innovation. Having worked closely with Treatt over many years as a strategic supplier and customer, we are excited at the prospect of expanding our partnership with Treatt.”

As a family-owned business founded over 185 years ago, the Döhler Group has a long-term approach to ownership, and we firmly believe that bringing Treatt into the Döhler Group represents a natural and highly complementary evolution of our partnership. By combining two businesses with closely aligned values, technical expertise and customer-led cultures, we can further expand our product offering, build on our combined innovation capabilities and enhance the end-to-end solutions we provide to customers globally.

The Döhler Group remains committed to driving sustainable and responsible growth and we are excited at the opportunity provided by the Acquisition to accelerate the execution of Treatt's strategic agenda."

- Commenting on the Acquisition, Vijay Thakrar, Chair of Treatt, said:

"The Board believes that the proposed acquisition by Döhler represents a positive outcome for Treatt shareholders, providing the certainty of a cash exit for shareholders at an attractive value. It also provides enhanced long-term support for Treatt within a larger strategic platform with access to significant resources.

Döhler would be a highly complementary owner for Treatt, offering the scale, resources and global platform to support the business' development over time. The combination of Treatt's technical expertise and innovation capabilities with Döhler's established ingredients platforms and international distribution network creates a strong foundation for future growth within an ownership structure with family culture and long-term investment at its core. Being part of the Döhler Group will provide significant development opportunities for Treatt's employees and for Treatt to accelerate its new product innovation to develop even more products for customers with access to Döhler's deep ingredients expertise.

On behalf of the Board, I would like to acknowledge the contribution made by colleagues across the Treatt Group to the development of the business to where it is today and to thank them sincerely for their continued hard work, dedication and commitment. We believe that becoming part of the Döhler Group positions the business well for its next phase and will deliver a positive outcome for shareholders, employees and customers alike."

This summary should be read in conjunction with, and is subject to, the full text of this Announcement and its Appendices.

The Conditions to, and certain further terms of, the Acquisition are set out in Appendix 1 to this Announcement. The sources and bases for certain financial information contained in this Announcement are set out in Appendix 2. Overseas Shareholders

The release, publication or distribution of this Announcement in jurisdictions other than the UK, and the availability of the Acquisition to Treatt Shareholders who are not resident in the UK, may be restricted and therefore any persons who are not resident in the UK or who are subject to the laws of any jurisdiction other than the UK (including Restricted Jurisdictions) should inform themselves about, and observe, any applicable legal or regulatory requirements. In particular, the ability of persons who are not resident in the UK or who are subject to the laws of another jurisdiction to participate in the Acquisition or to vote their Treatt Shares in respect of the Scheme at the Court Meeting, or to execute and deliver Forms of Proxy appointing another to vote at the Court Meeting on their behalf may be affected by the laws of the relevant jurisdictions in which they are located or to which they are subject. Additional information for U.S. investors

The Acquisition relates to an offer for the shares of a UK company and is being made by means of a scheme of arrangement provided for under English company law. The Acquisition, to be implemented by way of a scheme of arrangement, is not subject to the tender offer rules or the proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended (the “Exchange Act”). Accordingly, the Acquisition is subject to the disclosure and procedural requirements and practices applicable to a scheme of arrangement involving a target company in the UK admitted to trading on the Main Market of the London Stock Exchange, which differ from the disclosure and procedural requirements of the U.S. tender offer and proxy solicitation rules.

The financial information with respect to Treatt included in this Announcement and the Scheme Document has been or will have been prepared in accordance with International Financial Reporting Standards (“IFRS”) and thus may not be comparable to the financial information of U.S. companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the U.S.

If in the future, Döhler exercises its right to implement the Acquisition by way of a Takeover Offer and determines to extend the Takeover Offer into the U.S., the Acquisition will be made in compliance with applicable U.S. laws and regulations, including to the extent applicable Section 14(e) of the Exchange Act and Regulation 14E thereunder. Such a Takeover Offer would be made in the U.S. by Döhler and no one else.

In the event that the Acquisition is implemented by way of a Takeover Offer, in accordance with normal United Kingdom practice and pursuant to Rule 14e-5(b) under the Exchange Act, Döhler or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of or arrangements to purchase, shares or other securities of Treatt outside of the U.S., other than pursuant to the Takeover Offer, until the date on which the Takeover Offer becomes effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices and would comply with applicable law, including the Exchange Act. Also, in such circumstances, in accordance with Rule 14e-5(b) of the Exchange Act, BofA Securities will continue to act as exempt principal trader in Treatt shares on the London Stock Exchange. Any information about such purchases shall be disclosed as required in the UK, will be reported to a Regulatory Information Service of the London Stock Exchange and will be available on the London Stock Exchange website at www.londonstockexchange.com.

The receipt of cash pursuant to the scheme by U.S. Shareholders (defined as shareholders who are U.S. persons as defined in the U.S. Internal Revenue Code) as consideration for the transfer of Treatt Shares pursuant to the Scheme may be a taxable transaction for U.S. federal income tax purposes and under applicable U.S. state and local, as well as foreign and other, tax laws. Each Treatt Shareholder (including U.S. Shareholders) is urged to consult their independent professional adviser immediately regarding the tax consequences of the transaction applicable to him.

Neither the SEC nor any U.S. state securities commission has approved, disapproved or passed judgment upon the fairness of the Acquisition or passed upon the adequacy or accuracy of this Announcement. Any representation to the contrary is a criminal offence in the U.S.

Some or all of Treatt’s and Döhler’s respective officers and directors reside outside the U.S., and some or all of their respective assets are or may be located in jurisdictions outside the U.S. Therefore, investors may have difficulty effecting service of process within the U.S. upon those persons or recovering against Treatt or Döhler or their respective officers or directors on judgments of U.S. courts, including judgments based upon the civil liability provisions of the U.S. federal

securities laws. Further, it may be difficult to compel a non-U.S. company and its affiliates to subject themselves to a U.S. court's judgment. It may not be possible to sue Treatt, Döhler or their respective officers or directors in a non-U.S. court for violations of the U.S. securities laws.

Forward-looking statements

This Announcement (including information incorporated by reference in this Announcement), oral statements made regarding the Acquisition, and other information published by Döhler and Treatt contain statements which are, or may be deemed to be, "forward-looking statements". All statements, other than statements of historical fact are, or may be deemed to be, forward-looking statements. Forward-looking statements are prospective in nature and are not based on historical facts, but rather on assumptions, expectations, valuations, targets, estimates, forecasts and projections of Döhler and Treatt about future events, and are therefore subject to risks and uncertainties which could cause actual results, performance or events to differ materially from those expressed or implied by the forward-looking statements. The forward-looking statements contained in this Announcement include statements relating to the expected effects of the Acquisition on the Döhler Group, the Treatt Group and the Enlarged Group, the expected timing and scope of the Acquisition and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "plans", "expects", "budget", "targets", "aims", "scheduled", "estimates", "forecast", "intends", "anticipates", "seeks", "prospects", "potential", "possible", "assume" or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Döhler and Treatt give no assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risks (known and unknown) and uncertainties (and other factors that are in many cases beyond the control of Döhler and/or Treatt) because they relate to events and depend on circumstances that may or may not occur in the future.

There are a number of factors that could affect the future operations of the Döhler Group, the Treatt Group and/or the Enlarged Group and that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements. These factors include the satisfaction (or, where permitted, waiver) of the Conditions, as well as additional factors, such as: domestic and global business and economic conditions; the impact of pandemics, asset prices; market-related risks such as fluctuations in interest rates and exchange rates, industry trends, competition, changes in government and regulation, changes in the policies and actions of governments and/or regulatory authorities (including changes related to capital and tax), changes in political and economic stability (including exposures to terrorist activities, Eurozone instability, disruption in business operations due to reorganisation activities, interest rate, inflation, deflation and currency fluctuations), the timing impact and other uncertainties of future or planned acquisitions or disposals or offers, the inability of the Enlarged Group to realise successfully any anticipated synergy benefits when the Acquisition is implemented (including changes to the board and/or employee composition of the Enlarged Group), the inability of the Döhler Group to integrate successfully the Treatt Group's operations and programmes when the Acquisition is implemented, the Enlarged Group incurring and/or experiencing unanticipated costs and/or delays (including IT system failures, cyber-crime, fraud and pension scheme liabilities), or difficulties relating to the Acquisition when the Acquisition is implemented. Other unknown or unpredictable factors could affect future operations and/or cause actual results to differ materially from those in the forward-looking statements. Such forward-looking statements should therefore be construed in the light of such factors.

Each forward-looking statement speaks only as of the date of this Announcement. Neither the Döhler Group nor the Treatt Group, nor any of their respective associates or directors, officers or advisers, provides any representation, warranty, assurance or guarantee that the occurrence of the

events expressed or implied in any forward-looking statements in this Announcement will actually occur. Forward-looking statements involve inherent risks and uncertainties. All forward-looking statements contained in this Announcement are expressly qualified in their entirety by the cautionary statements contained or referred to in this section. Readers are cautioned not to place undue reliance on these forward-looking statements. Other than in accordance with their legal or regulatory obligations (including under the Code, the UK Market Abuse Regulation and the DTRs), neither the Döhler Group nor the Treatt Group is under or undertakes any obligation, and each of the foregoing expressly disclaims any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

No profit forecasts or estimates

Nothing in this Announcement is intended, or is to be construed, as a profit forecast or to be interpreted to mean that earnings or earnings per share for Treatt for the current or future financial years, will necessarily match or exceed the historical published earnings or earnings per share for Treatt.

Disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the Announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. on the tenth business day following the commencement of the Offer Period and, if appropriate, by no later than 3.30 p.m. on the tenth business day following the Announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the Offer Period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

FOR IMMEDIATE RELEASE

29 April 2026

RECOMMENDED CASH ACQUISITION

OF

TREATT PLC (“Treatt” or the “Company”)

BY

DÖHLER FINANCE MANAGEMENT B.V. (“Döhler”)

(an indirect wholly-owned subsidiary of Döhler Group SE)

to be effected by means of a Scheme of Arrangement under

Part 26 of the Companies Act 2006

1. Introduction

The boards of Döhler and Treatt are pleased to announce that they have reached agreement on the terms of the Acquisition.

2. The Acquisition

Under the terms of the Acquisition, which will be subject to the Conditions and certain further terms set out in Appendix 1 to this Announcement, and to the full terms and conditions which will be set out in the Scheme Document, each Treatt Shareholder will be entitled to receive:

for each Treatt Share: 305 pence in cash

In addition, the Acquisition allows for the distribution of the previously announced Final Dividend.

The terms of the Acquisition (excluding the Final Dividend) value the entire issued and to be issued ordinary share capital of Treatt at approximately £183 million and represent a premium of approximately:

- 48 per cent. to the Closing Price of 206 pence per Treatt Share on 28 April 2026 (being the last Business Day before the date of this Announcement);
- 48 per cent. to the volume-weighted average price of 206 pence per Treatt Share for the one-month period ended 28 April 2026 (being the last Business Day before the date of this Announcement);

- 47 per cent. to the volume-weighted average price of 208 pence per Treatt Share for the three-month period ended 28 April 2026 (being the last Business Day before the date of this Announcement); and
- 17 per cent. to Natara's original cash offer dated 8 September 2025 and 5 per cent. to Natara's increased "final" cash offer dated 6 October 2025.

The Döhler Group has a deep understanding of the Treatt Group's business, having worked closely with the Treatt Group over many years as a strategic supplier and customer, and these insights have allowed the Döhler Group to develop a differentiated perspective on the Company. Whilst the Döhler Group remains supportive of the strategy outlined by Treatt and recognises the recent steps taken to stabilise the operating performance of the Company, it believes that the public markets are unlikely to provide the necessary support to the Company to deliver its strategy due to the public markets' focus on short-term performance. Döhler firmly believes that it would be the right partner to unlock the full extent of the Treatt Group's growth potential as its support and advanced distribution capabilities will provide the Company with the platform and flexibility to accelerate the execution of its strategic agenda.

The terms of Döhler's proposal represent an attractive value in cash for Treatt Shareholders at a substantial premium to the current share price, and at a time of considerable sector-wide disruption and ongoing geopolitical and macroeconomic uncertainty. For the Treatt Group's business, it would unlock opportunities which are not available to the Company in the public markets, fuelled by an enhanced ability to invest in long-term growth, and supported by the Döhler Group's scale and expertise to integrate acquisitions, focus on investing in businesses, and ability to create a leading global ingredients platform.

If any dividend, distribution or other return of capital is announced, declared, made or paid, or becomes payable, in respect of Treatt Shares on or after the date of this Announcement and before the Effective Date (other than the Final Dividend), Döhler reserves the right to reduce the consideration payable in respect of each Treatt Share by the amount of all or part of any such dividend, distribution or other return of capital. If Döhler exercises this right or makes such a reduction in respect of a dividend, distribution or other return of capital that has not been paid, Treatt Shareholders will be entitled to receive and retain that dividend, distribution or other return of capital.

The Acquisition is expected to be effected by means of a Court-sanctioned scheme of arrangement between Treatt and Scheme Shareholders under Part 26 of the Companies Act. However, Döhler reserves the right to elect to implement the Acquisition by way of a Takeover Offer, subject to the consent of the Panel (where necessary) and the terms of the Cooperation Agreement.

The Acquisition will be subject to the Conditions and certain further terms set out in Appendix 1 to this Announcement, and to the full terms and conditions which will be set out in the Scheme Document, including, among other things: (i) the approval of the requisite majority of Scheme Shareholders at the Court Meeting and the passing of the Resolution(s) at the General Meeting; (ii) receipt of competition clearances in Austria, Ireland, the United Kingdom and the United States; (iii) the sanction of the Scheme by the Court and a copy of the Court Order being delivered to the Registrar of Companies; and (iv) the Scheme becoming Effective no later than the Long Stop Date.

The Acquisition will be put to Scheme Shareholders at the Court Meeting and to Treatt Shareholders at the General Meeting. To become Effective, the Scheme must be approved by a majority in number of the Scheme Shareholders present, entitled to vote, and voting at the Court Meeting, either in person or by proxy, representing at least 75 per cent. in value of the Scheme Shares voted. In addition, the Resolution(s) must be passed by the requisite majority or majorities

at the General Meeting (expected to be held immediately after the Court Meeting). Following the Court Meeting, the Scheme must also be sanctioned by the Court. Finally, a copy of the Court Order must be delivered to the Registrar of Companies, upon which the Scheme will become Effective. The Scheme must become Effective by no later than the Long Stop Date.

The Acquisition is expected to complete in Q3 2026, subject to the satisfaction (or, where applicable, waiver) of the Conditions set out in Appendix 1 to this Announcement, and to the full terms and conditions which will be set out in the Scheme Document.

Except as otherwise specified in this Announcement and the Scheme Document, Treatt Shares will be acquired by Döhler fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and any other third party rights or interests whatsoever and together with all rights existing at the date of this Announcement or thereafter attaching thereto, including (without limitation) the right to receive and retain, in full, all dividends, distributions or other returns of capital (if any) declared, made or paid (whether by way of reduction of share capital or share premium account or otherwise) on or after the date of this Announcement in respect of Treatt Shares.

3. Background to and reasons for the Acquisition

The Döhler Group has long admired the Treatt Group's business and its rich heritage, and its experience in observing the Company as its largest shareholder has reinforced its views on the quality of the business and its strong people-first culture.

Döhler believes there is attractive industrial logic for a combination of the Döhler Group and the Treatt Group and sees a clear opportunity to accelerate the Treatt Group's long-term growth trajectory through focused investment and disciplined execution.

Highly complementary portfolios and geographic reach

- The Döhler Group and the Treatt Group operate in adjacent and complementary segments of the natural ingredients and flavour value chain creating a stronger, more competitive and globally-integrated ingredients platform.
- The Acquisition represents a natural evolution of the long-standing commercial relationship between the Döhler Group and the Treatt Group. The Treatt Group's deep expertise in high-performance natural extracts integrates seamlessly with the Döhler Group's technology-driven ingredient systems and integrated solutions capabilities, allowing the Enlarged Group to better serve customers across key markets, by offering more comprehensive end-to-end solutions which reduce technical complexity and streamline customer supply chains.
- Importantly, the Treatt Group's U.S. production footprint offers a strategically attractive presence in a key territory, ensuring proximity to customers in the sector's most competitive segment. The Enlarged Group is also expected to benefit from immediate cross-selling opportunities across new geographies and strategic accounts, accelerating market penetration of the combined portfolio.
- Döhler also sees the opportunity to leverage best-in-class practices across both the Döhler Group and the Treatt Group to drive continued efficiency improvements, and more efficient procurement, with the benefits recycled to drive superior and sustainable long-term growth.

Enhanced innovation capabilities delivering a stronger customer proposition

- The Döhler Group has a strong track record of leveraging cutting-edge technology in processing natural raw materials. With an integrated and entrepreneurial approach to innovation and value creation, with innovations from more than 50 technologies, the Döhler Group's focus remains on driving greater nutritional excellence.
- Combining the Treatt Group's depth in the natural ingredients segment with the Döhler Group's formulation, ingredient systems and multisensory capabilities, the Enlarged Group would create a differentiated innovation engine centred on unlocking consumer insights and championing emerging category trends.

Scaled global platform with strategic flexibility

- The Acquisition will create scale advantages. The diversified portfolio and the global footprint of the Enlarged Group would be better positioned to navigate structural headwinds.
- Döhler firmly believes the Acquisition provides significant benefits to the Treatt Group and its stakeholders which would not be available on a standalone basis. In particular, the Acquisition brings together complementary businesses, accelerates innovation, and provides Treatt with a scaled platform and access to the Döhler Group's significant resources to navigate the ongoing sector-wide disruption.

Long-term investment horizon and people-led value creation

- As a family-owned business with over a 185-year heritage and a multigenerational perspective, the Döhler Group offers a stable ownership environment focused on long-term value creation. This approach provides the patience and capital necessary to support continued strategic investment and operational improvement to drive responsible and sustainable growth.
- The Enlarged Group would also offer employees more attractive long-term career opportunities, including greater international mobility and cross-functional development across R&D, technical, operational, commercial and business support functions within a global organisation, supporting the development and retention of skilled talent.

4. Recommendation

On 19 January 2026, Treatt and Döhler entered into the Relationship Agreement pursuant to which Döhler has the right to nominate one candidate for appointment to the Treatt Board as a director. On 1 February 2026, Helga Moelschl was appointed to the Treatt Board by Döhler pursuant to that right. The Treatt Board has, therefore, formed the Independent Committee to consider the Acquisition and determine on behalf of the Treatt Board whether to recommend Scheme Shareholders vote in favour of the Scheme (or accept the Takeover Offer, if applicable).

The Independent Directors, who have been so advised by Peel Hunt and Investec as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing advice to the Independent Directors, Peel Hunt and Investec have taken into account the commercial assessments of the Independent Directors. Peel Hunt and Investec are providing independent financial advice to the Independent Directors for the purposes of Rule 3 of the Code.

Accordingly, the Independent Directors intend to recommend unanimously that Scheme Shareholders vote in favour of the Scheme at the Court Meeting and Treatt Shareholders

vote in favour of the Resolution(s) at the General Meeting (or in the event that the Acquisition is implemented by way of a Takeover Offer, that Treatt Shareholders accept or procure acceptance of such Takeover Offer) as the Treatt Directors who hold Treatt Shares have irrevocably undertaken to do in respect of their entire beneficial holdings of Treatt Shares, amounting in aggregate to 22,201 Treatt Shares representing approximately 0.04 per cent. of the issued ordinary share capital of Treatt as at 28 April 2026 (being the last Business Day before the date of this Announcement). Further details of these irrevocable undertakings are set out at Appendix 3 to this Announcement.

5. Background to and reasons for the recommendation

On 8 September 2025, the Treatt Board announced a recommended cash offer from Natara Global Limited (“**Natara**”) for the entire issued and to be issued share capital of Treatt to be implemented by way of a scheme of arrangement (the “**Natara Offer**”) at a price of 260 pence per Treatt Share, which Natara increased to 290 pence per Treatt Share on 6 October 2025.

During the Natara Offer period, Döhler acquired interests in Treatt Shares, which as at 28 April 2026, being the last Business Day before the date of this Announcement, carry in aggregate approximately 27.9 per cent. of the voting rights in Treatt. On 30 September 2025, Döhler announced that it was not considering making an offer for Treatt. Pursuant to Rule 2.8 of the Code, that announcement restricted Döhler from, among other actions, making an offer for Treatt (subject to certain limited exceptions) for a period of six months ending on 30 March 2026.

On 3 November 2025, the Company announced the results of the shareholder meetings convened to consider the Natara Offer. As the relevant resolutions did not receive the requisite support from Treatt Shareholders, the Natara Offer lapsed on the same date.

The highest price paid by Döhler for an interest in Treatt Shares in the 12-month period prior to this Announcement was 305 pence, during which time, as noted above, Döhler acquired more than 10 per cent. of Treatt’s issued share capital. Accordingly, pursuant to Rule 11 of the Code, and except as set out in this Announcement or with the consent of the Panel, the minimum price that must be offered by Döhler in respect of an offer for Treatt is 305 pence per Treatt Share in cash. Under the terms of the Acquisition, Döhler’s cash offer exceeds this minimum requirement because in addition to 305 pence per Treatt Share, eligible Treatt Shareholders will retain the previously announced Final Dividend.

Since the lapsing of the Natara Offer, trading performance at Treatt has stabilised; however, profits remain at subdued levels compared to recent years and the Independent Committee believes that the business remains in the early stages of its recovery, amid a challenging and uncertain geopolitical and macroeconomic backdrop.

Whilst the Independent Committee continues to believe in the longer-term opportunities available to the business, it considers that, in the near term, the potential for a sustained and significant improvement in the operational and financial performance of Treatt is likely to be limited, such that material share price accretion in the foreseeable future is also likely to be limited. The turnaround of the business is expected to take time and remains subject to a number of uncertainties, reflecting both external and internal factors, including:

- subdued end-market conditions adversely affecting demand for premium beverages;
- the ongoing geopolitical events in the Middle East putting further pressure on underlying input costs, raw materials, and on consumer demand, in turn further delaying a recovery in consumer sentiment in key regions for the Treatt Group, such as the U.S.;

- volatility in citrus oil prices has created significant uncertainty, making it challenging for a relatively small company like Treatt to plan and operate with confidence in a global market with significantly larger players; and
- ongoing transition of key roles and positions within the Treatt Group's business.

In addition, the Independent Committee believes that the market price of Treatt Shares in the foreseeable future is unlikely to reflect the underlying fundamental value of the business, given the illiquid trading characteristics of Treatt Shares arising from Treatt's relatively small market capitalisation, together with ongoing subdued investor sentiment towards smaller UK-quoted companies.

The Independent Committee also considers that the level of cost, management time and resource to maintain Treatt's stock market listing is disproportionate to the size of the business and detracts from management's ability to focus on fully delivering its operational and strategic priorities.

Against this background, and in assessing the proposal from Döhler, the Independent Committee, in conjunction with its advisers, considered a wide range of offer-related factors, including:

- the opportunity for Treatt Shareholders to realise their shareholdings, in cash, at an attractive value which represents a significant premium to the undisturbed share price of 206 pence per Treatt Share on 28 April 2026 (being the last Business Day before the date of this Announcement);
- the certainty provided by the Acquisition for Treatt Shareholders when compared with the inherent risks and uncertainties associated with the execution and delivery of Treatt's standalone strategy, and the risk that the market price of Treatt Shares in the foreseeable future may not accurately reflect delivery of that strategy;
- the deliverability of Döhler's proposal when compared with other potential strategic or transactional options available to the Independent Committee, particularly taking into account Döhler's existing shareholding in Treatt;
- the attractiveness of Döhler as an owner of Treatt, providing the business with a strong and larger platform from which to execute its growth strategy within a more suitable ownership structure; and
- Döhler's intentions for the business, in particular the ability to invest for the longer-term, the potential career development opportunities for the Treatt Group's management and employees and the expected benefits to customers from combining the Treatt Group's existing innovation and technical expertise with the Döhler Group's significant ingredients platforms and global distribution networks.

Having taken these factors into account, the Independent Committee believes that Döhler represents a highly attractive owner for Treatt and that being part of the Döhler Group will be complementary to Treatt and help accelerate its long-term growth strategy.

Accordingly, following careful consideration of the above factors, the Independent Directors intend to recommend unanimously that Treatt Shareholders vote, or procure voting, in favour of the Scheme at the Court Meeting and the Resolution(s) to be proposed at the General Meeting (or in the event that the Acquisition is implemented by way of a Takeover Offer, that Treatt Shareholders accept or procure acceptance of such Takeover Offer).

7. Information relating to Treatt

Treatt is a United Kingdom-headquartered global, independent manufacturer and supplier of a diverse and sustainable portfolio of natural extracts and ingredients for the flavour, fragrance, and multinational consumer product industries, particularly in the beverage sector. Treatt was established in 1886, incorporated in 1981 and is listed on the London Stock Exchange. It has well established research and manufacturing plants in the UK and U.S. Its recently opened commercial and innovation facility in China enhances its existing infrastructure and capabilities.

Treatt has built a diverse and sustainable portfolio of natural extracts and ingredients, supplying to customers in more than ninety countries. Treatt's diverse and strategically developed product portfolio, which includes named-fruit natural extracts, bespoke blends, price-stable synthetics and impactful aroma chemicals, enables it to support customers across a wide range of applications and market segments. Renowned for its citrus expertise, Treatt has built a global reputation of technical excellence, agility and service. More recently, Treatt's expertise has extended into high-growth spaces such as sugar reduction and tea, where its ability to solve complex formulation challenges is driving demand for long-term global partnerships.

8. Strategic plans and intentions with regard to Treatt and the Enlarged Group

Prior to this Announcement, and consistent with market practice, the Döhler Group was granted limited access to Treatt's senior management for the purposes of confirmatory due diligence and to support its assessment of potential synergies and integration.

Following completion of the Acquisition, Treatt will operate as a core pillar of the Döhler Group, entrusted with the responsibility to lead its own growth. While remaining strategically aligned with the broader goals of the Enlarged Group, the Treatt Group will maintain its entrepreneurial agility, empowered to make the pivotal decisions that drive its success. Döhler believes that proximity to customers and partners is a key differentiator and intends to empower Treatt's management by retaining localised decision-making, whilst unlocking access to the Döhler Group's global footprint and sourcing network, proprietary research and development capabilities and well-established sales platform to accelerate the growth trajectory of the Enlarged Group.

The Döhler Group will continue to review the Treatt Group's business and develop its plan for the Enlarged Group following the Effective Date. This will include a detailed assessment of the Enlarged Group's potential commercial footprint, operating model and business functions, whilst identifying duplicative and complementary roles across both organisations.

The Döhler Group expects that its review will be complete within 8 to 12 months following the Effective Date and that the implementation of its plan resulting therefrom will take up to 18 months following the Effective Date.

Employees and management

The Döhler Group places long-term value creation at the heart of its mission, prioritising the stability and growth of its employees. The Döhler Group maintains a philosophy that sustained development is best achieved by empowering its people to deliver excellence over the long-term. Furthermore, the Döhler Group attaches great importance to the skills, experience and expertise of the existing management team and employees of the Treatt Group and recognises their significant contributions to the business to date.

The Döhler Group also values the importance of continuity, leadership stability and local expertise, and would look to and intends to engage closely with senior management of the Treatt Group following the Effective Date to understand their medium-term and long-term ambitions, and to agree appropriate incentivisation and retention structures, ensuring alignment with the Döhler Group's strategic objectives. Döhler has not entered into, nor held discussions regarding, any incentive arrangements with employees or management of the Treatt Group before this Announcement. In addition, the Cooperation Agreement contains provisions in respect of employee related matters, including agreement by Döhler to offer employees of the Treatt Group minimum severance benefits in specified circumstances following the Effective Date, and the making of payments in lieu of notice to any non-executive director of Treatt who resigns in connection with the Acquisition and is not retained by the Döhler Group with effect from the Effective Date.

Döhler firmly believes that the integration of the Treatt Group into the Döhler Group will provide employees of the Treatt Group with unrivalled professional development opportunities on a global scale. By joining the Döhler Group's expansive international platform, employees of the Treatt Group will have access to:

- **Cross functional advancement:** opportunities to develop and progress across business units, including R&D, advanced technology functions, business support teams and integrated supply chain management;

- **International mobility:** exposure to the Döhler Group's operational and commercial network, enabling career progression and opportunities on a global scale; and
- **Talent investment:** ongoing investment in learning and development, technical excellence, and leveraging best practices across both organisations to drive operational efficiencies.

Döhler's role will be that of a strategic partner, collaborating with the management team of Treatt to ensure alignment on overarching commercial objectives, whilst enabling the local team to make decisions quickly and efficiently, without the often short-term focus of the public markets, aiming to lead the Treatt Group's business toward sustainable, long-term value creation.

Following the Effective Date, once Treatt ceases to be a company whose shares are admitted to trading on the Main Market of the London Stock Exchange and becomes part of the Döhler Group, as is customary, a limited number of listed company-related and other central functions may be reduced to reflect Treatt's new status. Döhler does not intend to make material headcount reductions in the context of the Treatt Group and expects to limit the impact on the employees currently fulfilling such roles. Reasonable efforts will be made to mitigate involuntary headcount reductions, such as through natural attrition, the consideration of vacant roles within the Enlarged Group, the redeployment of affected employees, and the future growth of the Enlarged Group. Döhler confirms that its intention is for any individuals impacted to be treated in a manner consistent with the Döhler Group's high standards, culture and practices.

In order to assist with the integration of Treatt Group into the Enlarged Group and in the light of the recent leadership changes to the board of Treatt, it is intended that Vijay Thakrar remain in his role as director and Chair of the Treatt board for up to six months following the Effective Date, on the same terms as his current appointment which Döhler do not expect to change. It is intended that all other non-executive directors of Treatt will resign with effect from the Effective Date and be paid in lieu of their contractual notice periods. Döhler has indicated to Treatt that it intends to ask Christine Sisler and Helga Moelschl to provide consultancy services to the Enlarged Group in the future given their deep sector expertise, but there have been no discussions in relation to any such arrangements or potential terms.

Döhler does not intend to make any material changes to the conditions of employment or the balance of skills and functions of the employees and management beyond the necessary changes to reflect the new status as a non-listed Company.

The existing contractual and statutory rights, including pension rights, and terms and conditions of employment of the Treatt Group's employees and its subsidiaries will be fully safeguarded and observed in accordance with applicable laws.

Research and development and fixed assets

The Döhler Group's strategy is to maximise the impact of the Treatt Group's innovation engine by focusing research and development initiatives on the areas in which the Treatt Group excels. Collecting shared technological developments and progress around the Treatt Group's dedicated assets will ensure these key resources remain the foundation for growth of the Enlarged Group.

Following completion of the Acquisition, Döhler intends to leverage the Treatt Group's best-in-class manufacturing footprint and technical capabilities to accelerate the growth agenda of the Enlarged Group. The Treatt Group's vertically integrated facilities, specialist processing capabilities and scale manufacturing expertise provide a strong platform to serve global customers with high-quality, customised ingredient solutions and are central to the Enlarged Group's value proposition.

Döhler recognises the importance of continued investment in innovation and research and development and intends to support the Treatt Group's established culture of product development, technical excellence and customer collaboration. Döhler does not intend to make any material changes to the Treatt Group's research and development activities, or to redeploy the Treatt Group's fixed assets.

Headquarters, headquarters functions and locations of business

Following the Effective Date, Döhler intends that the headquarters and headquarters functions of the Enlarged Group will continue to be based at the Döhler Group's existing headquarters in Darmstadt, Germany.

Döhler expects to retain the Treatt Group's existing facility in Bury St Edmunds as the primary hub of the Treatt Group's business within the UK. Regarding Treatt's facility in Florida, Döhler intends to retain it as a key hub for product development and manufacturing in the United States. Similarly, Döhler expects to retain and grow Treatt's recently opened commercial and innovation facility in Shanghai, China.

The Treatt Group's facilities represent key innovation and manufacturing hubs that Döhler plans to connect with the Döhler Group's global ecosystem. This combined reach is expected to best utilise the strengths of each location, ensuring the expanded network is well positioned to meet global demand.

Technology and systems

Döhler intends to integrate the Treatt Group's systems into the Döhler Group's advanced technology suite. This will bring key operational and reporting capabilities onto a single sophisticated Enterprise Resource Planning (ERP) and IT framework, which is expected to improve performance and customer experience through better data visibility, more consistent processes and controls, and faster, more informed decision-making.

Pension arrangements

The Treatt Group sponsors a defined benefit pension scheme in the UK. The most recent actuarial valuation recorded that, as at 1 January 2026, the scheme was in surplus on a technical provisions basis. Döhler understands that the scheme was closed to: (i) new members in October 2001 and (ii) the future accrual of benefits with effect from 31 December 2012. Döhler understands that the scheme recently entered into a "buy in" arrangement with an insurance company to enhance security for scheme members.

Döhler fully appreciates the importance of the defined benefit pension scheme and does not intend to make any change to the benefits provided by the scheme, nor to the employer contributions into the scheme. Döhler does not intend to re-open the defined benefit pension scheme to new members or to future accrual.

Döhler intends to take steps to ensure that the defined benefit pension scheme will not be detrimentally affected by the Acquisition.

Döhler recognises the importance of working closely with the scheme's trustees and its advisers to ensure that scheme members' benefits continue to be secured appropriately. Döhler looks forward to engaging constructively with the Chair of the scheme's trustees in respect of the Acquisition.

Trading facilities

Treatt Shares are currently admitted to the Official List and admitted to trading on the Main Market of the London Stock Exchange.

It is intended that requests will be made to the FCA to cancel admission of the Treatt Shares to the Official List and to the London Stock Exchange to cancel admission to trading in Treatt Shares on the Main Market, in each case conditional on the Acquisition becoming Effective. Following the Acquisition, Döhler intends to re-register Treatt as a private company.

No post-offer undertakings

None of the statements in this paragraph 8 is a “post-offer undertaking” for the purposes of Rule 19.5 of the Code.

9. Irrevocable undertakings and letters of intent

Döhler has received irrevocable undertakings to vote in favour (or procure a vote in favour) of the Scheme at the Court Meeting and the Resolution(s) at the General Meeting from those Treatt Directors who hold Treatt Shares in respect of their own beneficial shareholdings, totalling 22,201 Treatt Shares representing approximately 0.04 per cent. of the issued ordinary share capital of Treatt as at 28 April 2026, being the last Business Day before the date of this Announcement.

Döhler has also received non-binding letters of intent from Schroder Investment Management Limited, Rockwood Strategic plc (as managed by Rockwood Asset Management, a trading name of Harwood Private Capital LLP), Highclere International Investors, J O Hambro Capital Management Limited and Lord Lee of Trafford who between them hold directly or indirectly, in aggregate, 7,128,142 Treatt Shares representing approximately 12.0 per cent. of the issued share capital of Treatt as at 28 April 2026 (being the last Business Day before the date of this Announcement) stating its intention to vote (or procure a vote) in favour of the Scheme at the Court Meeting and the Resolution(s) at the General Meeting in respect of its holdings of Treatt Shares.

Döhler has therefore received irrevocable undertakings and letters of intent in respect of a total of 7,150,343 Treatt Shares representing, in aggregate, approximately 12.0 per cent. of the issued ordinary share capital of Treatt as at 28 April 2026, being the last Business Day before the date of this Announcement.

Further details of these irrevocable undertakings, including the circumstances in which they cease to be binding, and letters of intent are set out in Appendix 3 to this Announcement.

10. Financing of the Acquisition

The consideration payable under the Acquisition will be funded from existing cash resources available to the Döhler Group that have been transferred to Döhler pursuant to an intra-group loan between Döhler and Döhler GmbH. The proceeds from the intra-group loan have been deposited into an escrow account.

BofA Securities, as financial adviser to Döhler, is satisfied that sufficient resources are available to Döhler to satisfy in full the consideration payable pursuant to the terms of the Acquisition.

Further information on the financing of the Acquisition will be set out in the Scheme Document.

11. Acquisition-related arrangements

Confidentiality Agreement

Döhler Group SE and Treatt entered into the Confidentiality Agreement on 5 April 2026 pursuant to which Döhler Group SE has undertaken to: (i) keep certain information relating to, inter alia, the Acquisition and Treatt confidential and not to disclose it to third parties (other than to certain permitted parties) unless required by law or regulations; and (ii) use the confidential information only in connection with the Acquisition.

The confidentiality obligations under the Confidentiality Agreement shall terminate on the earlier of: (i) two years from the date of the Confidentiality Agreement, and (ii) the date of completion of the Acquisition. The Confidentiality Agreement also contains customary non-solicit and standstill provisions, each applicable for 12 months, in each case subject to customary carve-outs. The standstill provisions ceased to apply upon the release of this Announcement.

Clean Team Agreement

Döhler Group SE and Treatt entered into a clean team agreement on 10 April 2026 (the “**Clean Team Agreement**”), which sets out, among other things, how confidential information that is competitively sensitive can be disclosed, used or shared between Döhler Group SE’s clean team individuals and/or external advisers retained by Döhler Group SE and Treatt’s clean team individuals and/or external advisers retained by Treatt.

Confidentiality and Joint Defence Agreement

Treatt, Döhler Group SE and their respective external legal counsels have entered into a joint defence agreement dated 21 April 2026 (the “**Confidentiality and Joint Defence Agreement**”), the purpose of which is to ensure that the exchange and/or disclosure of certain commercially sensitive materials relating to the parties takes place only between their respective external legal counsels and external experts, and does not diminish in any way the confidentiality of such materials and does not result in a waiver of privilege, attorney work product doctrine, right or immunity that might otherwise be available.

Cooperation Agreement

Döhler, Döhler Group SE and Treatt have entered into a cooperation agreement dated 29 April 2026 (the “**Cooperation Agreement**”), pursuant to which: (i) Döhler and Döhler Group SE have agreed to use all reasonable efforts, and procure that the Döhler Group uses all reasonable efforts, to ensure that the Regulatory Conditions are satisfied as soon as practicable and, in any event, in sufficient time to enable the Effective Date to occur on or before the Long Stop Date; and (ii) Döhler, Döhler Group SE and Treatt have agreed to certain undertakings to co-operate and provide each other with information, assistance and access in relation to the regulatory clearances and authorisations necessary to satisfy the Regulatory Conditions to this Announcement.

The Cooperation Agreement will terminate if: (i) Döhler, Döhler Group SE and Treatt so agree in writing at any time prior to the Effective Date; (ii) the Acquisition, with the permission of the Panel, is withdrawn or lapses in accordance with its terms (other than in certain limited circumstances) on or before the Long Stop Date; (iii) an offer by a third party for all or a majority of the issued and to be issued share capital of Treatt or all or a majority of its business and assets completes, becomes effective or is declared or becomes unconditional; or (iv) unless otherwise agreed by Döhler, Döhler Group SE and Treatt in writing or required by the Panel, the Effective Date has not occurred on or before the Long Stop Date.

Döhler also has the right to terminate the Cooperation Agreement upon written notice to Treatt if (other than in certain limited circumstances) any of the following occurs (each being a “**Treatt Board Adverse Recommendation Change**”): (i) the Independent Directors withdraw, adversely modify or adversely qualify their unanimous, unqualified and unconditional recommendation to Treatt Shareholders to vote in favour of the Scheme at the Court Meeting and the Resolution(s) to be proposed at the General Meeting (or, if Döhler elects to proceed with a Takeover Offer, to accept such Takeover Offer) or makes an announcement that it intends to do so; (ii) such recommendation is not included in the Scheme Document or (if different) the document convening the General Meeting, when published; (iii) Treatt makes an announcement prior to publishing the Scheme Document or (if different) the document convening the General Meeting that: (A) the Independent Directors no longer intend unanimously to recommend the Acquisition or intend to adversely modify or qualify their recommendation; (B) it shall not convene the Court Meeting or General Meeting; or (C) it intends not to post the Scheme Document or (if different) the document convening the General Meeting, in each case without the consent of Döhler; (iv) a third party makes an announcement pursuant to Rule 2.7 of the Code in respect of an offer for all or part of the issued and to be issued share capital of Treatt which is recommended unanimously by the Independent Directors; or (v) after the Scheme has been approved by Treatt Shareholders at the Court Meeting and the General Meeting, the Independent Directors announce that Treatt shall not convene the Sanction Hearing and/or implement the Scheme (other than: (A) in connection with an announcement of a revised offer by Döhler for Treatt; (B) where Döhler elects to proceed with a Takeover Offer; or (C) because a Condition has become incapable of fulfilment or satisfaction and Döhler has stated that it will not waive such a Condition).

Either Döhler, Döhler Group SE or Treatt may terminate the Cooperation Agreement by written notice if, where Döhler has not elected, in accordance with the Cooperation Agreement, to implement the Acquisition by way of a Takeover Offer instead of the Scheme: (i) the Court Meeting and/or the General Meeting is not held on or before the 22nd day after the expected date of the Court Meeting to be set out in the Scheme Document (or such later date as (A) may be agreed by Döhler, Döhler Group SE and Treatt, or (B) in a competitive situation, as may be specified by Döhler with the consent of the Panel (and, in each case, if required, with the approval of the Court, if such approval is required)); (ii) the Scheme and/or the Resolution(s) are not approved by the requisite majority of Treatt Shareholders at the Court Meeting and/or the General Meeting; or (iii) the Scheme is not sanctioned at the Sanction Hearing.

The Cooperation Agreement also records Döhler, Döhler Group SE and Treatt’s intentions as at the date of the Cooperation Agreement to implement the Acquisition by way of the Scheme, subject to Döhler having the right to implement the Acquisition by way of a Takeover Offer (with the consent of the Panel) if (i) Treatt provides its prior written consent, (ii) a third party announces a firm intention to make an offer for Treatt, or (iii) a Treatt Board Adverse Recommendation Change occurs. Döhler, Döhler Group SE and Treatt have agreed to certain customary provisions if the Scheme should switch to a Takeover Offer with the prior written agreement of Treatt.

The Cooperation Agreement also contains provisions that shall apply in respect of directors’ and officers’ insurance, employee related matters (including agreement by Döhler to offer employees of the Treatt Group minimum severance benefits in specified circumstances following the Effective Date, and an acknowledgement by Döhler of Treatt’s intention to make payments in lieu of notice to any non-executive director of Treatt who resigns in connection with the Acquisition) and the Treatt Share Plans.

12. **Treatt Share Plans**

Participants in the Treatt Share Plans shall be contacted regarding the effect of the Acquisition on their rights under the Treatt Share Plans and appropriate proposals will be made to such participants in due course. Details of these proposals will be set out in the Scheme Document.

13. **Structure of and Conditions to the Acquisition**

It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act. However, Döhler reserves the right to elect to implement the Acquisition by way of a Takeover Offer, subject to the consent of the Panel (where necessary) and the terms of the Cooperation Agreement. The purpose of the Scheme is to provide for Döhler to become the owner of the entire issued and to be issued ordinary share capital of Treatt. This is to be achieved by the transfer of Treatt Shares to Döhler, in consideration for which Scheme Shareholders who are on the register of members of Treatt at the Scheme Record Time will receive cash in respect of their Treatt Shares on the basis described in paragraph 2 of this Announcement.

On the Scheme becoming Effective: (i) it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted at the Court Meeting and the General Meeting (and if they attended and voted, whether or not they voted in favour); and (ii) share certificates in respect of Scheme Shares will cease to be of value and should be destroyed and entitlements to Scheme Shares held within the CREST system will be cancelled. The consideration payable under the Scheme will be despatched to Scheme Shareholders by Döhler no later than 14 days after the Effective Date.

Any Treatt Shares issued before the Scheme Record Time will be subject to the terms of the Scheme. The Resolution(s), which are to be proposed at the General Meeting, will, among other matters, provide that Treatt's articles of association be amended to incorporate provisions requiring any Treatt Shares issued after the Scheme Record Time (other than to Döhler or its nominee(s)) to be automatically transferred to Döhler on the same terms as the Acquisition (other than terms as to timings and formalities). The provisions of Treatt's articles of association (as amended) will avoid any person (other than Döhler or its nominee(s)) holding Treatt Shares after the Effective Date.

The Acquisition will be subject to the Conditions and certain further terms set out in Appendix 1 to this Announcement, and to the full terms and conditions which will be set out in the Scheme Document, including, among other things:

- the approval of the requisite majority of Scheme Shareholders at the Court Meeting;
- the passing of the Resolution(s) at the General Meeting;
- the receipt of competition clearances in Austria, Ireland, the United Kingdom and the United States;
- the sanction of the Scheme by the Court and a copy of the Court Order being delivered to the Registrar of Companies;
- the Scheme becoming Effective no later than the Long Stop Date.

The Scheme Document will include full details of the Scheme (including the expected timetable for the Acquisition), together with notices of the Court Meeting and General Meeting and the Forms of Proxy, and will specify the actions to be taken by Treatt Shareholders. The Scheme Document will

be posted to Treatt Shareholders within 28 days of this Announcement (unless a later date is agreed between Döhler, Treatt and the Panel).

Subject to the satisfaction or waiver of all relevant conditions, including the Conditions and certain further terms set out in Appendix 1 to this Announcement, and the full terms and conditions which will be set out in the Scheme Document, and subject to the approval and availability of the Court, it is expected that the Scheme will become Effective in Q3 2026.

The Scheme will be governed by English law and will be subject to the jurisdiction of the Court. The Scheme will be subject to the applicable requirements of the Code, the Panel, the London Stock Exchange, the Court and the FCA.

14. **Cancellation of admission to trading and re-registration as a private company**

It is intended that the last day for dealings in, and registration of transfers of, Treatt Shares will be the Business Day following the date of the Sanction Hearing, and no transfers will be registered after 6.00 p.m. on that date. It is further intended that applications will be made to the London Stock Exchange to cancel the admission to trading of the Treatt Shares on the Main Market of the London Stock Exchange, and to the FCA to cancel the admission of Treatt Shares on the Official List, in each case with effect from or shortly following the Effective Date.

On or shortly after the Effective Date, entitlements to Treatt Shares held within the CREST system will be cancelled and share certificates in respect of Treatt Shares will cease to be valid.

It is also intended that, following the Effective Date, Treatt will be re-registered as a private limited company.

15. **Interests in Treatt Shares**

As at 28 April 2026, being the last Business Day before the date of this Announcement, Döhler had the following interests in Treatt Shares:

- any interest in, or right to subscribe for, any relevant securities of Treatt;

It has not been possible for Döhler to make enquiries of all of its concert parties in advance of the release of this Announcement. Therefore, if Döhler becomes aware, following the making of such enquiries, that any of its concert parties have any such interests in relevant securities of Treatt, all relevant details in respect of Döhler's concert parties will be included in Döhler's Opening Position Disclosure in accordance with Rule 8.1(a) and Note 2(a)(i) on Rule 8 of the Code.

16. Overseas Shareholders

The availability of the Acquisition and the distribution of this Announcement to Treatt Shareholders who are not resident in the United Kingdom may be affected by the laws of the relevant jurisdiction in which they are located. Such persons should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdiction. Treatt Shareholders who are in any doubt regarding such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay.

18. Reserving the right to proceed by way of a Takeover Offer

Subject to obtaining the consent of the Panel and where permitted pursuant to the terms of the Cooperation Agreement (while the Cooperation Agreement is continuing), Döhler reserves the right to elect to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. In such event, the Acquisition will be implemented on the same terms and conditions, so far as applicable, as those which would apply to the Scheme, subject to appropriate amendments to reflect the change in method of effecting the Acquisition, including (without limitation) the inclusion of an acceptance condition set at 90 per cent. of Treatt Shares to which the Takeover Offer relates (or such lesser percentage as may be determined by Döhler after consultation with the Panel (if necessary), or as may be required under the terms of the Cooperation Agreement, being in any case more than 50 per cent. of the voting rights normally exercisable at a general meeting of Treatt).

19. General

The Acquisition will be subject to the Conditions and certain further terms set out in Appendix 1 to this Announcement, and to the full terms and conditions which will be set out in the Scheme Document. The Scheme Document will be despatched to Treatt Shareholders within 28 days of the date of this Announcement (unless a later date is agreed between Döhler, Treatt and the Panel).

In deciding whether or not to vote or procure votes to approve the Scheme at the Court Meeting or to vote or procure votes in favour of the Resolution(s) at the General Meeting in respect of their Treatt Shares, Treatt Shareholders should rely on the information contained, and follow the procedures described, in the Scheme Document.

BofA Securities, Peel Hunt and Investec have each given and not withdrawn their consent to the inclusion in this Announcement of the references to their respective names in the form and context in which they appear.

The sources and bases for certain financial information contained in this Announcement are set out in Appendix 2 to this Announcement. Details of the irrevocable undertakings and letters of intent received by Döhler are set out in Appendix 3. The defined terms used in this Announcement are set out in Appendix 4.

Further information

This Announcement is for information purposes only and is not intended to, and does not, constitute or form part of any offer or invitation to purchase, otherwise acquire, subscribe for, sell or otherwise dispose of any securities or the solicitation of any vote or approval in any jurisdiction pursuant to the Acquisition or otherwise. The Acquisition will be made solely through the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the Takeover Offer document),

which, together with the accompanying Forms of Proxy, will contain the full terms and conditions of the Acquisition, including details of how to vote in respect of the Acquisition. Any decision in respect of the Acquisition should be made only on the basis of the information in the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the Takeover Offer document).

Treatt will prepare the Scheme Document to be distributed to Treatt Shareholders. Treatt and Döhler urge Treatt Shareholders to read the Scheme Document (or any other document by which the Acquisition is made) in full when it becomes available because it will contain important information relating to the Acquisition, including details of how to vote in respect of the Scheme.

The statements contained in this Announcement are made as at the date of this Announcement, unless some other time is specified in relation to them, and publication of this Announcement shall not give rise to any implication that there has been no change in the facts set forth in this Announcement since such date.

This Announcement does not constitute a prospectus or a prospectus equivalent document.

This Announcement has been prepared for the purpose of complying with English law, the UK Market Abuse Regulation and the Code and the information disclosed may not be the same as that which would have been disclosed if this Announcement had been prepared in accordance with the laws of jurisdictions outside England.

The Acquisition will be subject to the applicable requirements of English law, the Code, the Panel, the London Stock Exchange, the Court and the FCA.

Overseas Shareholders

The release, publication or distribution of this Announcement in jurisdictions other than the UK, and the availability of the Acquisition to Treatt Shareholders who are not resident in the UK, may be restricted and therefore any persons who are not resident in the UK or who are subject to the laws of any jurisdiction other than the UK (including Restricted Jurisdictions) should inform themselves about, and observe, any applicable legal or regulatory requirements. In particular, the ability of persons who are not resident in the UK or who are subject to the laws of another jurisdiction to participate in the Acquisition or to vote their Treatt Shares in respect of the Scheme at the Court Meeting, or to execute and deliver Forms of Proxy appointing another to vote at the Court Meeting on their behalf may be affected by the laws of the relevant jurisdictions in which they are located or to which they are subject. Any failure to comply with applicable legal or regulatory requirements of any jurisdiction may constitute a violation of securities laws in that jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

Unless otherwise determined by Döhler or required by the Code, and permitted by applicable law and regulation, the Acquisition shall not be made available, directly or indirectly, in or into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Acquisition by any such use, means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction.

Accordingly, copies of this Announcement and any formal documentation relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in or into or from any Restricted Jurisdiction or any jurisdiction where to do so would constitute a violation of the laws of such jurisdiction and persons receiving such documents (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send them in

or into or from any Restricted Jurisdiction. Doing so may render invalid any related purported vote in respect of acceptance of the Acquisition.

Further details in relation to Treatt Shareholders in overseas jurisdictions will be contained in the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the Takeover Offer document).

Additional information for U.S. investors

The Acquisition relates to an offer for the shares of a UK company and is being made by means of a scheme of arrangement provided for under English company law. The Acquisition, to be implemented by way of a scheme of arrangement, is not subject to the tender offer rules or the proxy solicitation rules under the Exchange Act. Accordingly, the Acquisition is subject to the disclosure and procedural requirements and practices applicable to a scheme of arrangement involving a target company in the UK admitted to trading on the Main Market of the London Stock Exchange, which differ from the disclosure and procedural requirements of the U.S. tender offer and proxy solicitation rules.

The financial information with respect to Treatt included in this Announcement and the Scheme Document has been or will have been prepared in accordance with International Financial Reporting Standards (“IFRS”) and thus may not be comparable to the financial information of U.S. companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the U.S.

If in the future, Döhler exercises its right to implement the Acquisition by way of a Takeover Offer and determines to extend the Takeover Offer into the U.S., the Acquisition will be made in compliance with applicable U.S. laws and regulations, including to the extent applicable Section 14(e) of the Exchange Act and Regulation 14E thereunder. Such a Takeover Offer would be made in the U.S. by Döhler and no one else.

In the event that the Acquisition is implemented by way of a Takeover Offer, in accordance with normal United Kingdom practice and pursuant to Rule 14e-5(b) under the Exchange Act, Döhler or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of or arrangements to purchase, shares or other securities of Treatt outside of the U.S., other than pursuant to the Takeover Offer, until the date on which the Takeover Offer becomes effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices and would comply with applicable law, including the Exchange Act. Also, in such circumstances, in accordance with Rule 14e-5(b) of the Exchange Act, BofA Securities will continue to act as exempt principal trader in Treatt shares on the London Stock Exchange. Any information about such purchases shall be disclosed as required in the UK, will be reported to a Regulatory Information Service of the London Stock Exchange and will be available on the London Stock Exchange website at www.londonstockexchange.com.

The receipt of cash pursuant to the scheme by U.S. Shareholders (defined as shareholders who are U.S. persons as defined in the U.S. Internal Revenue Code) as consideration for the transfer of Treatt Shares pursuant to the Scheme may be a taxable transaction for U.S. federal income tax purposes and under applicable U.S. state and local, as well as foreign and other, tax laws. Each Treatt Shareholder (including U.S. Shareholders) is urged to consult their independent professional adviser immediately regarding the tax consequences of the transaction applicable to him.

Neither the SEC nor any U.S. state securities commission has approved, disapproved or passed judgment upon the fairness of the Acquisition or passed upon the adequacy or accuracy of this Announcement. Any representation to the contrary is a criminal offence in the U.S.

Some or all of Treatt's and Döhler's respective officers and directors reside outside the U.S., and some or all of their respective assets are or may be located in jurisdictions outside the U.S. Therefore, investors may have difficulty effecting service of process within the U.S. upon those persons or recovering against Treatt or Döhler or their respective officers or directors on judgments of U.S. courts, including judgments based upon the civil liability provisions of the U.S. federal securities laws. Further, it may be difficult to compel a non-U.S. company and its affiliates to subject themselves to a U.S. court's judgment. It may not be possible to sue Treatt, Döhler or their respective officers or directors in a non-U.S. court for violations of the U.S. securities laws.

Forward-looking statements

This Announcement (including information incorporated by reference in this Announcement), oral statements made regarding the Acquisition, and other information published by Döhler and Treatt contain statements which are, or may be deemed to be, "forward-looking statements". All statements, other than statements of historical fact are, or may be deemed to be, forward-looking statements. Forward-looking statements are prospective in nature and are not based on historical facts, but rather on assumptions, expectations, valuations, targets, estimates, forecasts and projections of Döhler and Treatt about future events, and are therefore subject to risks and uncertainties which could cause actual results, performance or events to differ materially from those expressed or implied by the forward-looking statements. The forward-looking statements contained in this Announcement include statements relating to the expected effects of the Acquisition on the Döhler Group, the Treatt Group and the Enlarged Group, the expected timing and scope of the Acquisition and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "plans", "expects", "budget", "targets", "aims", "scheduled", "estimates", "forecast", "intends", "anticipates", "seeks", "prospects", "potential", "possible", "assume" or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Döhler and Treatt give no assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risks (known and unknown) and uncertainties (and other factors that are in many cases beyond the control of Döhler and/or Treatt) because they relate to events and depend on circumstances that may or may not occur in the future.

There are a number of factors that could affect the future operations of the Döhler Group, the Treatt Group and/or the Enlarged Group and that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements. These factors include the satisfaction (or, where permitted, waiver) of the Conditions, as well as additional factors, such as: domestic and global business and economic conditions; the impact of pandemics, asset prices; market-related risks such as fluctuations in interest rates and exchange rates, industry trends, competition, changes in government and regulation, changes in the policies and actions of governments and/or regulatory authorities (including changes related to capital and tax), changes in political and economic stability (including exposures to terrorist activities, Eurozone instability, disruption in business operations due to reorganisation activities, interest rate, inflation, deflation and currency fluctuations), the timing impact and other uncertainties of future or planned acquisitions or disposals or offers, the inability of the Enlarged Group to realise successfully any anticipated synergy benefits when the Acquisition is implemented (including changes to the board and/or employee composition of the Enlarged Group), the inability of the Döhler Group to integrate successfully the Treatt Group's operations and programmes when the Acquisition is implemented, the Enlarged Group incurring and/or experiencing unanticipated costs and/or delays (including IT

system failures, cyber-crime, fraud and pension scheme liabilities), or difficulties relating to the Acquisition when the Acquisition is implemented. Other unknown or unpredictable factors could affect future operations and/or cause actual results to differ materially from those in the forward-looking statements. Such forward-looking statements should therefore be construed in the light of such factors.

Each forward-looking statement speaks only as of the date of this Announcement. Neither the Döhler Group nor the Treatt Group, nor any of their respective associates or directors, officers or advisers, provides any representation, warranty, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this Announcement will actually occur. Forward-looking statements involve inherent risks and uncertainties. All forward-looking statements contained in this Announcement are expressly qualified in their entirety by the cautionary statements contained or referred to in this section. Readers are cautioned not to place undue reliance on these forward-looking statements. Other than in accordance with their legal or regulatory obligations (including under the Code, the UK Market Abuse Regulation and the DTRs), neither the Döhler Group nor the Treatt Group is under or undertakes any obligation, and each of the foregoing expressly disclaims any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

No profit forecasts or estimates

Nothing in this Announcement is intended, or is to be construed, as a profit forecast or to be interpreted to mean that earnings or earnings per share for Treatt for the current or future financial years, will necessarily match or exceed the historical published earnings or earnings per share for Treatt.

Disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the Announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. on the tenth business day following the commencement of the Offer Period and, if appropriate, by no later than 3.30 p.m. on the tenth business day following the Announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the Offer Period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

- (ii) the Court Meeting and any separate class meeting which may be required by the Court (or any adjournment of any such meeting) being held on or before the 22nd day after the expected date of the Court Meeting to be set out in the Scheme Document in due course (or such later date (a) as Döhler and Treatt may agree or (b) (in a competitive situation) as may be specified by Döhler with the consent of the Panel, and, in each case that, if so required, the Court may allow);
- (B) (i) the Resolution(s) being duly passed by the requisite majority or majorities at the General Meeting; and
- (ii) the General Meeting being held on or before the 22nd day after the expected date of the General Meeting to be set out in the Scheme Document in due course (or such later date as: (a) Döhler and Treatt may agree; or (b) (in a competitive situation) may be specified by Döhler with the consent of the Panel, and, in each case that, if so required, the Court may allow); and
- (C) (i) the sanction of the Scheme by the Court with or without modification (but subject to any such modification being acceptable to Döhler and Treatt) and the delivery of a copy of the Court Order to the Registrar of Companies; and
- (ii) the Sanction Hearing being held on or before the 22nd day after the expected date of the Sanction Hearing as first announced by Treatt through a Regulatory Information Service (or such later date as: (a) as Döhler and Treatt may agree; or (b) (in a competitive situation) as may be specified by Döhler with the consent of the Panel and, in each case that, if so required, the Court may allow).

In addition, Döhler and Treatt have agreed that, subject as stated in Part 2 of this Appendix 1 and to the requirements of the Panel, the Acquisition will be conditional on the following Conditions and, accordingly, the necessary actions to make the Scheme Effective will not be taken unless the following Conditions (as amended if appropriate) have been satisfied or, where relevant, waived:

3. Official authorisations, regulatory clearances and Third Party clearances

PART 2

Waiver and invocation of the Conditions

1. Subject to the requirements of the Panel in accordance with the Code, Döhler reserves the right in its sole discretion to waive, in whole or in part, all or any of the Conditions in Part 1 of this Appendix 1, except for Conditions 1 (*Conditions to the Acquisition*), 2(A)(ii), 2(B) and 2(C)(i) (*Scheme approval*), which cannot be waived. The deadlines in any of Conditions 2(A)(ii), 2(B)(ii) and 2(C)(ii) (*Scheme approval*) may be extended to such later date as Döhler may determine (with the Panel's consent and approval of the Court, if such consent and/or approval is required). If any of Conditions 1 (*Conditions to the Acquisition*), 2(A)(ii), 2(B)(ii) and 2(C)(ii) (*Scheme approval*) is not satisfied by the relevant deadline specified in the relevant Condition, Döhler shall make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether, subject to paragraph 3 below, it has invoked the relevant Condition, waived the relevant deadline or extended the relevant deadline.
2. Conditions 2(A)(i) and 2(B)(i) (*Scheme approval*) and 3 (*Official authorisations, regulatory clearances and Third Party clearances*) to 8 (*Anti-corruption, economic sanctions, criminal property and money laundering*) (inclusive) must be fulfilled, determined by Döhler to remain fulfilled or (if capable of waiver) waived, by no later than 11.59 p.m. on the day before the Sanction Hearing. Döhler shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as satisfied any of Conditions 3 (*Official authorisations, regulatory clearances and Third Party clearances*) to 8 (*Anti-corruption, economic sanctions, criminal property and money laundering*) (inclusive) by a date or time earlier than the latest date and time specified above for the fulfilment of the relevant Condition notwithstanding that the other Conditions may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.
3. Subject to paragraph 4 below, under Rule 13.5(a) of the Code, Döhler may only invoke a Condition so as to cause the Acquisition not to proceed, to lapse or to be withdrawn with the consent of the Panel. The Panel will normally only give its consent if the circumstances which give rise to the right to invoke the Condition are of material significance to Döhler in the context of the Acquisition. This will be judged by reference to the facts of each case at the time that the relevant circumstances arise.

4. Each of Conditions 1 (*Conditions to the Acquisition*) and 2 (*Scheme approval*) (and any Takeover Offer acceptance condition adopted on the basis specified in Part 3 of this Appendix 1) will not be subject to Rule 13.5(a) of the Code.
5. Any Condition that is subject to Rule 13.5(a) of the Code may be waived by Döhler.
6. The Acquisition will not become Effective unless the Conditions have been fulfilled or (to the extent capable of waiver) waived or, where appropriate, have been determined by Döhler to be or remain satisfied by no later than the Long Stop Date.
7. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.

PART 3

Implementation by way of Takeover Offer

Subject to obtaining the consent of the Panel and where permitted pursuant to the terms of the Cooperation Agreement (while the Cooperation Agreement is continuing), Döhler reserves the right to elect to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. In such event, such Takeover Offer will be implemented on the same terms and conditions, so far as applicable, as those which would apply to the Scheme subject to appropriate amendments to reflect the change in method of effecting the Takeover Offer, including (without limitation), with the consent of the Panel, the inclusion of an acceptance condition set at 90 per cent. of Treatt Shares to which the Takeover Offer relates, (or such lesser percentage as may be determined by Döhler after consultation with the Panel (if necessary), or as may be required under the terms of the Cooperation Agreement), being in any case more than 50 per cent. of the voting rights normally exercisable at a general meeting of Treatt.

PART 4

Certain further terms of the Acquisition

1. If Döhler is required by the Panel to make an offer for Treatt Shares under a mandatory offer for Treatt under Rule 9 of the Code, Döhler may make such alterations to the above Conditions as are necessary to comply with Rule 9 of the Code.
2. The availability of the Acquisition to persons not resident in the UK may be affected by the laws of the relevant jurisdiction. Persons who are not resident in the UK should inform themselves about, and observe, any applicable requirements. Treatt Shareholders who are in any doubt about such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay and observe any applicable requirements. Further details in relation to Overseas Shareholders will be contained in the Scheme Document.
3. Treatt Shares will be acquired by Döhler fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and any other third party rights or interests whatsoever and together with all rights existing at the date of this Announcement or thereafter attaching or accruing thereto, including (without limitation) the right to receive and retain, in full, all dividends and other distributions (if any) declared, made or paid or any other return of capital (whether by way of reduction of share capital, repurchase or redemption or otherwise), if any declared, made or paid on or after the date of this Announcement in respect of Treatt Shares (other than the Final Dividend and any

subsequent dividend to which the Treatt Shareholders will be entitled under paragraph 4 of this Part below).

4. If any dividend, distribution or other return of capital is announced, declared, made, payable or paid in respect of Treatt Shares on or after the date of this Announcement and before the Effective Date (other than the Final Dividend), Döhler reserves the right to reduce the consideration payable in respect of each Treatt Share by the amount of all or part of any such dividend, distribution or other return of capital, in which case any reference in this Announcement to the consideration payable under the terms of the Acquisition will be deemed to be a reference to the consideration as so reduced. If Döhler exercises this right or makes such a reduction in respect of a dividend, distribution or other return of capital, Treatt Shareholders will be entitled to receive and retain that dividend, distribution or other return of capital. Any exercise by Döhler of its rights referred to in this paragraph 4 shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the Acquisition.
5. This Announcement and any rights or liabilities arising hereunder, the Acquisition, the Scheme and the Forms of Proxy will be governed by the laws of England and Wales and be subject to the jurisdiction of the courts of England and Wales. The Acquisition will also be subject to the Conditions and certain further terms set out in this Announcement, and the full terms and conditions which will be set out in the Scheme Document, and such further terms as may be required to comply with the UK Listing Rules and the provisions of the Code. The Acquisition and the Scheme will comply with the applicable requirements of the Code, the Panel, the London Stock Exchange, the Court and the FCA. This Announcement does not constitute, or form part of, an offer or invitation to purchase Treatt Shares or any other securities.
